For the Period 6 February 2019 to 29 February 2020

1. **Accounting Policies**

   1.1. **Basis of Preparation of Financial Statements**

   Turnover from the sale of goods is recognised when the significant risks and rewards of ownership of the goods has transferred to the buyer. This is usually at the point that the customer has signed for the delivery of the goods.

   Rendering of services

   Turnover from the rendering of services is recognised by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs.
