1 Introduction

- 1.1 I, Robert Neil Dymond, together with my colleague Gemma Louise Roberts, was appointed Joint Liquidator of the Company on 3 December 2021. We are licensed to act as insolvency practitioners in the United Kingdom by the ICAEW and as such are bound by the Insolvency Code of Ethics when carrying out all professional work relating to an insolvency appointment. If you have any queries relating to this case, please contact my colleague Joseph Dobbins on 0114 235 6780 or by email to j.dobbins@wilsonfield.co.uk.
- 1.2 The affairs of the Company are now fully wound-up and this is my final account of the liquidation, which covers the period since my appointment ("the Period").
- 1.3 Information about the way that we will use, and store personal data on insolvency appointments can be found at <https://www.wilsonfield.co.uk/not-so-small-print/> If you are unable to download this, please contact us and a hard copy will be provided to you.
- 1.4 The trading address of the Company was Ground Floor Shop, 56 Crouch End Hill, Crouch End, Hornsey, London, N8 8AA.
- 1.5 The registered office of the Company was changed to Wilson Field Limited, The Manor House, 260 Ecclesall Road South, Sheffield, S11 9PS and its registered number is 11861646.

2 Receipts and Payments

- 2.1 At Appendix A is an account of my receipts and payments for the Period, which enables a comparison to the directors' statement of affairs values and provides details of the remuneration charged and expenses incurred and paid by the Liquidators.

3 Work undertaken by the Liquidators

- 3.1 This section of the report provides creditors with an overview of the work undertaken in the liquidation since the date of my appointment, together with information on the overall outcome of the liquidation.

Administration (including statutory compliance & reporting)

- 3.2 As you may be aware, the Liquidators must comply with certain statutory obligations under the Insolvency Act 1986 and other related legislation. Details about the work I anticipated undertaking in this regard was outlined previously.
- 3.3 Where the costs of statutory compliance work or reporting to creditors exceeded the initial estimate, it will usually be because the duration of the case has taken longer than anticipated, possibly due to protracted asset realisations, which have in turn placed a further statutory reporting requirement on the Liquidators.
- 3.4 As noted in my initial fees estimate/information, this work has not necessarily brought any financial benefit to creditors, but is work required on every case by statute.

Realisation of Assets

Cash Held by Liquidator

- 3.5 The funds retained in the Company's bank account, totalling £27,805.08, were transferred to the proposed Liquidators to be held on trust pending the Liquidation.

Bank Interest

- 3.6 Bank interest of £36.83 has accrued on the Liquidation account.

Creditors (claims and distributions)

- 3.7 Further information on the outcome for creditors in this case can be found at section 4 of this report. A liquidator is not only required to deal with correspondence and claims from unsecured creditors, but also those of any secured and preferential creditors of the Company. This may involve separate reporting to any secured creditor and dealing with distributions from asset realisations caught under their security, most typically a debenture as well as dealing with the general handling of communications with stakeholders, such as customers and suppliers.
- 3.8 Since 1 December 2020, claims from preferential creditors now fall into one of two categories, either ordinary (typically involving employee claims and payments made on behalf of the Company by the Redundancy Payments Service following dismissal, which rank equally among themselves), or secondary (which are claims by HMRC for VAT or other relevant tax deductions such as PAYE and employee NIC deductions, together with student loans and CIS deductions, which also rank equally among themselves). Ordinary preferential claims rank ahead of secondary preferential claims and all preferential creditors must be paid in full before any distribution can be made to the unsecured creditors of a company.
- 3.9 The above work will not necessarily bring any financial benefit to creditors generally and the more creditors there are on an assignment, the higher the resultant cost will usually be, however a liquidator is required by statute to undertake this work.

Investigations

- 3.10 Some of the work the Liquidators were required to undertake was to comply with legislation such as the Company Directors' Disqualification Act 1986 ("CDDA 1986") and Statement of Insolvency Practice 2 – Investigations by Office Holders in Administration and Insolvent Liquidations and may not necessarily bring any financial benefit to creditors, unless those investigations revealed potential asset recoveries that could have been pursued for the benefit of creditors.
- 3.11 My report on the conduct of the Directors of the Company to the Department for Business, Energy & Industrial Strategy under the CDDA 1986 was submitted in accordance with statutory timescales and is confidential.
- 3.12 Shortly after appointment, I made an initial assessment of whether there could be any matters that might lead to recoveries for the estate and what further investigations may be appropriate. This assessment took into account any information provided by creditors.
- 3.13 The Joint Liquidators' investigations highlighted some a number of material transactions from the bank analysis which required further review. However, the Liquidators were advised that the director had left the country. The Joint Liquidators undertook a review of the directors' financial circumstances to ascertain whether the director had any meaningful financial resources from which they could make any reparations to the Company, should the Liquidators successfully be able to pursue a claim. No assets were identified from this review.
- 3.14 Accordingly, due to the director's apparent lack of financial means, it is not considered that pursuing a claim would result in any realisation or a return to creditors, even if such a claim could be successfully proven. As such, the Joint Liquidators do not intend to pursue further action in this regard. The Joint Liquidators' investigations have been exhausted and they will not be taking any further action.

4 Outcome for Creditors

Secured Creditors

- 4.1 The Company did not grant security to any of its creditors.

Preferential Creditors

- 4.2 No preferential claims were anticipated and none have been received.

Unsecured Creditors

- 4.3 I received claims totalling £159,333.83 from 4 creditors.
- 4.4 No floating charges were granted to secured creditors by the Company. Accordingly, there was no requirement under s176A of the Insolvency Act 1986 to create a fund out of the Company's net floating charge property for unsecured creditors, known as the Prescribed Part.
- 4.5 I can confirm that the realisations in the liquidation are insufficient to declare a dividend to the unsecured creditors after defraying the expenses of the proceedings.
- 4.6 Notice is hereby given that no dividend will be declared to unsecured creditors in this matter as the funds realised have already been allocated for paying the expenses of the liquidation.

5 Liquidators' Remuneration & Expenses

- 5.1 The basis of the Joint Liquidators' remuneration was fixed in the liquidation by the creditors by reference to the time properly spent by them and their staff in managing the Liquidation.
- 5.2 My time costs for the Period total £18,226, which represents 55 hours at an average rate of £332 per hour. Attached as Appendix B is a Time Analysis which provides details of the activity costs incurred by staff grade during the Period and a narrative explanation of the work undertaken by the Liquidators during the Period can be found at section 3 of this report.
- 5.3 You will recall that I provided creditors with my fees estimate prior to the agreement of the basis of my remuneration as time costs. The approved fees estimate imposed an overall cap on my fees of £19,090 and I would confirm that it was not necessary during the liquidation to seek further approval to increase this estimate.
- 5.4 The total amount paid to my firm in respect of fees in this liquidation is £17,807.65 which is below my approved fees estimate. No further fees will be drawn in the liquidation.
- 5.5 Attached as Appendix C is additional information in relation to the Liquidators' fees and expenses, including where relevant, information on the use of subcontractors and professional advisers.
- 5.6 A copy of 'A Creditors' Guide to Liquidators' Fees' is available on request or can be downloaded from <https://www.icaew.com/en/technical/insolvency/understanding-business-restructuring-and-insolvency/creditors-guides>

6 Conclusion

- 6.1 This final account will conclude my administration of this case. The Notice accompanying this account explains creditors rights on receipt of this information and also when I will vacate office and obtain my release as Joint Liquidator.

Yours faithfully

R N Dymond
Joint Liquidator

Additional Information in Relation to the Liquidators' Fees, Expenses & the use of Subcontractors

Staff Allocation and the use of Subcontractors

The general approach to resourcing our assignments is to allocate staff with the skills and experience to meet the specific requirements of the case.

The constitution of the case team will usually consist of a Partner, a Manager, and an Administrator or Assistant. The exact constitution of the case team will depend on the anticipated size and complexity of the assignment and the experience requirements of the assignment.

We have not utilised the services of any subcontractors in this case.

Professional Advisors

We have not utilised the services of any professional advisors in this case.

Liquidators' Expenses

The estimate of expenses which were anticipated at the outset of the Liquidation was provided to creditors when the basis of my fees were approved. The table below compares the estimated overall costs against those incurred in the liquidation. The payment of these expenses is reflected in the Receipts and Payments Account enclosed with this report.

Category 1 expenses

These expenses do not require prior approval by creditors. The type of expenses that may be charged to a case as a Category 1 expense generally comprise of external supplies of incidental services specifically identifiable to the case, such as postage, case advertising, invoiced travel and external printing, external room hire and external storage costs. Also chargeable, will be any properly reimbursed expenses incurred by personnel in connection with the case. These expenses may include disbursements which are payments first met by an office holder and then reimbursed from the estate.

Expense	Estimated overall cost £	Total paid £
Statutory Advertising	257.55	257.55
Specific Bond	60.00	120.00
Postage, Stationery & Photocopying	8.68	7.23
Statement of affairs fee	5,000.00	5,000.00
Mail redirection	216.00	0.00
VAT Unrecoverable	-	4,638.48
Land Registry Fees	-	11.00

Category 2 expenses

These expenses do require approval from creditors. These are costs which are directly referable to the appointment in question but are not payments which are made to an independent third party and may therefore include payments to associates of the office holder or shared or allocated costs that can be allocated to the appointment on a proper and reasonable basis. Details of Category 2 expenses charged by this firm (where appropriate) were provided at the time the Liquidators' fees were approved.

No Category 2 expenses have been drawn.

A schedule of Wilson Field Limited's charge-out rates and the Joint Liquidators' fee estimate are detailed on the following pages.

Expenses

Expenses are payments from the estate which are neither an office holder's remuneration nor a distribution to a creditor or member. Expenses also includes disbursements. Disbursements are payments which are first met by the office holder, and then reimbursed to the office holder from the estate. Expenses are divided into those that do not need approval before they are charged to the estate (category 1) and those that do (category 2).

Category 1 expenses

These are payments to persons providing the service to which the expense relates who are not an associate of the office holder. These expenses can be paid without prior approval. Examples of these are advertising, insurance, legal fees etc.

Category 2 expenses

These are payments to associates or payment which have an element of shared costs. Examples of a category 2 expenses that officeholders may seek creditor approval for would be for mileage costs or for hire of external rooms for physical meetings where the room is used for more than one insolvency, Any such approval will be outlined with documentation for the relevant decision procedure.

Category 2 expenses are charged in accordance with the liquidator's prevailing recovery policy at the time the expense is incurred. However, any Category 2 expenses incurred prior to the 1 April 2021 but for which payment has not been drawn, will not be charged after this date. The rates applicable from 1 April 2021 are detailed below:
