The financial statements have been prepared under the historical cost convention.

|-----------------------|------------------------------|
| Short leasehold | - the period of the lease |
| Fixtures and fittings | - 20% on cost |
| Computer equipment | - Straight line over 3 years |

Taxation

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.
