- (F) to claim or prove as a creditor of any Chargor or other person in competition with any Finance Party.

If a Chargor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Finance Parties by the Chargors under or in connection with the Finance Documents to be repaid in full on trust for the Finance Parties and shall promptly pay or transfer the same to the Security Agent or as the Security Agent may direct for application in accordance with Clause 34 (*Payment mechanics*) of the Facility Agreement.

If the Security Agent considers (acting reasonably) that any amount paid or credited to it under a Finance Document is capable of being avoided or otherwise set aside, that amount shall not be considered to have been paid for the purposes of determining whether all the Secured Liabilities have been irrevocably paid.

27. Counterparts

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Deed.
