Notes to the Unaudited Abridged Financial Statements for the Year Ended 31 January 2022

1 General information

The company is a private company limited by share capital, incorporated in England & Wales.

The address of its registered office is:

3 Poundbury Business Centre
Middle Farm Way
Poundbury
Dorchester
DT1 3WA
United Kingdom

These financial statements were authorised for issue by the Board on 25 October 2022.

2 Accounting policies

Statement of compliance

These abridged financial statements were prepared in accordance with Financial Reporting Standard 102 Section 1A 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006.

Basis of preparation

These abridged financial statements have been prepared using the historical cost convention except that as disclosed in the accounting policies certain items are shown at fair value.

Going concern

The financial statements have been prepared on a going concern basis. Of the company's current liabilities at 31 January 2022, an amount of £723,363 is owed to the directors, who have agreed to continue to support the company, and not to demand repayment of this amount to the extent that any such repayment would jeopardise the future of the company.

Revenue recognition

Turnover represents the amounts, excluding value added tax, derived from the provision of goods and services to customers during the year.

Tax

The tax expense for the period comprises current and deferred tax. Tax is recognised in profit or loss, except that a change attributable to an item of income or expense recognised as other comprehensive income is also recognised directly in other comprehensive income.

The current tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the company operates and generates taxable income.

Deferred tax is recognised on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements and on unused tax losses or tax credits in the company. Deferred income tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.

The carrying amount of deferred tax assets are reviewed at each reporting date and a valuation allowance is set up against deferred tax assets so that the net carrying amount equals the highest amount that is more likely than not to be recovered based on current or future taxable profit.

Tangible assets

Tangible assets are stated in the statement of financial position at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation

Depreciation is charged so as to write off the cost of assets, other than land and properties under construction over their estimated useful lives, as follows:

Castle Veterinary Clinic Limited

Notes to the Unaudited Abridged Financial Statements for the Year Ended 31 January 2022

Asset class	Depreciation method and rate
Leasehold improvements	10% straight line
Plant and machinery	15% reducing balance

Amortisation

Amortisation is provided on intangible assets so as to write off the cost, less any estimated residual value, over their useful life as follows:

Asset class	Amortisation method and rate
Goodwill	5% straight line

Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to sell.
