- 1.2 Where joint liquidators are appointed any reference to the singular appointment shall be read as joint and in the plural.
- 1.3 This progress report covers the period from 21 October 2021 to 20 October 2022 (**the Period**).

### 2 Receipts and Payments

- 2.1 At Appendix A is my Receipts and Payments Account covering the Period of this report.
- 2.2 In Section 3 below, you will find an update on the progress made during the Period in realising the Company's assets and dealing with its affairs.

### 3 Progress of the Liquidation

- 3.1 This section of the report provides creditors with an update on the progress made in the liquidation during the Period.
- 3.2 Further information about the basis of remuneration agreed in this case and the Liquidators' fees estimate can be found in section 5 of this report, together with any relevant information about revisions to this estimate, where applicable.

#### *Administration (including statutory compliance & reporting)*

- 3.3 An office holder must comply with certain statutory obligations under the Insolvency Act 1986 and other related legislation. Details about the work I anticipated would need to be done in this area was outlined to creditors in my initial fees information which was previously agreed by creditors.
- 3.4 Where the costs of statutory compliance work or reporting to creditors exceeds the initial estimate, it will usually be because the duration of the case has taken longer than anticipated, possibly due to protracted asset realisations, which have in turn placed a further statutory reporting requirement on the Liquidators.
- 3.5 As noted in my initial fees information, this work will not necessarily bring any financial benefit to creditors but is required on every case by statute.
- 3.6 Some of the work undertaken by an insolvency practitioner is required by statute and may not necessarily provide a financial benefit to creditors but is required on every case by statute. Examples of this work include investigations required by Statement of Insolvency Practice 2 and the Company Directors Disqualification Act 1986 or dealing with the claims of the former employees via the National Insurance Fund.

## DIGITAL PRINT & SUPPLIES LTD - IN LIQUIDATION

## DIGITAL PRINT & SUPPLIES LTD - IN LIQUIDATION

### Realisation of Assets

3.9 It is not anticipated that the work the Liquidator has carried out to deal with the Company's assets will provide a financial benefit to creditors. This is because either the value of the assets was insufficient to produce a financial benefit after the associated costs of realisation were taken into consideration, or because there were no assets owned by the Company in accordance with the Company's statement of affairs that could be realised for the benefit of creditors.

3.10 The following realisations were achieved during the Period.

### 3.11 Funds held by the Reporting Accountant

- (i) The Director's Statement of Affairs indicated that the funds held by the reporting accountant were estimated to realise £2,100 and this amount was paid into the liquidation account upon my appointment.

### 3.12 Cash at Bank

- (i) The Director's Statement of Affairs indicated that cash at bank was estimated to realise a sum of £2,572. The bank has indicated that the credit balance has been held and offset against the company bounce bank loan. Therefore, no funds have been received and are not anticipated.

3.13 All funds received within the liquidation are placed in a specifically designated account.

### Creditors (claims and distributions)

3.14 Further information on the anticipated outcome for creditors in this case can be found at section 4 of this report. The Liquidators are not only required to deal with correspondence and claims from unsecured creditors (which may include retention of title claims), but also those of any secured and preferential creditors of the Company. This may involve separate reporting to any secured creditor and dealing with distributions from asset realisations caught under their security, most typically a debenture.

3.15 Since 1 December 2020, claims from preferential creditors now fall into one of two categories, either ordinary (typically involving employee claims and payments made on behalf of the Company by the Redundancy Payments Service following dismissal, which rank equally among themselves), or secondary (which are claims by HMRC for VAT or other relevant tax deductions such as PAYE and employee NIC deductions, together with student loans and CIS deductions, which also rank equally among themselves). Ordinary preferential claims rank ahead of secondary preferential claims and all preferential creditors must be paid in full before any distribution can be made to the unsecured creditors of a company.

3.16 Work undertaken by the Liquidators in dealing with a company's creditors may only therefore bring a financial benefit to certain classes of creditor such as a secured creditor or the preferential creditors, however the Liquidators are required by statute to undertake this work. Similarly, if a distribution is to be paid to any class of creditor, work will be required to agree those claims and process the dividend payments to each relevant class of creditor. The more creditors a company has, the more time and cost will be involved by the Liquidators in dealing with those claims.

3.17 More information on the anticipated outcome for all classes of creditor in this case can be found below.

3.18 At this stage, I consider the following matters worth bringing to the attention of creditors:

- There is no secured creditor
- Claims from preferential creditors were not anticipate; however, 1 claim was received totalling £1,128.42

## DIGITAL PRINT & SUPPLIES LTD - IN LIQUIDATION

- I will be required to deal with the claims of one employee
- There are approximately 2 unsecured creditor claims in this case with a value per the director's statement of affairs of £44,916. I have received both claims.
- No claims have been agreed at this stage

### *Investigations*

- 3.19 Some of the work the Liquidators are required to undertake is to comply with legislation such as the Company Directors' Disqualification Act 1986 (**CDDA 1986**) and Statement of Insolvency Practice 2 – Investigations by Office Holders in Administration and Insolvent Liquidations. This work may not necessarily bring any financial benefit to creditors, unless these investigations reveal potential asset recoveries that the Liquidators can pursue for the benefit of creditors.
- 3.20 I can confirm that I have submitted a report on the conduct of the Directors of the Company to the Department for Business Innovation & Skills under the CDDA 1986. As this is a confidential report, I am unable to disclose the contents.
- 3.21 Shortly after appointment, I made an initial assessment of whether there could be any matters that might lead to recoveries for the estate and what further investigations may be appropriate. This assessment took into account information provided by creditors as a response to my request to complete an investigation questionnaire.
- 3.22 My investigations have not revealed any issues requiring further report or any further potential recoveries which could be pursued for the benefit of creditors.

### *Matters still to be dealt with*

- 3.23 Based on the current position of the case, the matters yet to be dealt with are as follows:-
- (i) Statutory steps to close the liquidation.

## 4 Creditors

### *Secured Creditors*

- 4.1 There are no secured creditors registered at Companies House.

### *Preferential Creditors*

- 4.2 A summary of the preferential claims in the liquidation and details of any distributions paid to date can be found below:

Ordinary preferential claims	Received Claim £	Statement of Affairs Claim £	Dividend paid p in the £1	Date dividend paid
Employee claims (Total number of claims = 2)	1,128.42	NIL	NIL	N/A
Department for Business, Energy & Industrial Strategy (BEIS)	Not yet received	NIL	NIL	N/A

- 4.3 The above claims have not been agreed and will only be adjudicated should a dividend become payable.
- 4.4 No claims were anticipated, and none have been received.

## DIGITAL PRINT & SUPPLIES LTD - IN LIQUIDATION

### *Unsecured Creditors*

- 4.5 The Company's statement of affairs indicated there were 2 creditors whose debts totalled £44,916.
- 4.6 To date, I have received claims totalling £42,456.86 from 2 creditors.
- 4.7 The above claims have not been agreed and will only be adjudicated should a dividend become payable.

### *Qualifying Floating Charge Holder (QFC)*

- 4.8 The Company did not grant any floating charges to a secured creditor. Accordingly, there is no requirement to create a fund out of the Company's net floating charge property for unsecured creditors (known as the **Prescribed Part**), which only applies to charges created after 15 September 2003.

## 5 Joint Liquidators' Remuneration

### **Pre-appointment costs**

- 5.1 At the Virtual Meeting confirming my appointment, creditors authorised £1,260 plus disbursements and VAT to be paid as an expense of the Liquidation to RG Insolvency Limited, in respect of the preparation of the Statement of Affairs, together with £840 plus disbursements and VAT for their assistance in seeking a decision of creditors on the nomination of a liquidator. I have yet to draw these fees.

### **Post appointment remuneration**

- 5.2 Creditors approved that the basis of the Liquidators' remuneration be fixed as a set amount and as a percentage of the value of the assets he has to deal with. My fees information was originally provided to creditors when the basis of my remuneration was approved and was based on information available to me at that time.
- 5.3 The Liquidators' remuneration basis was agreed as a set amount by creditors. No remuneration has been drawn against the total set fee agreed of £15,000. Prior to the closure of the liquidation, no funds will be available to draw any remuneration against the agreed set fee.
- 5.4 The basis of the Liquidators' remuneration was agreed by creditors as a percentage of realisations made into the estate. Details of the realisations to date and associated remuneration drawn on account of those realisations is set out below. Any fees not yet drawn will be dealt with prior to closure and the final amount paid to my firm in this regard will be confirmed in my final progress report in due course.

<b>Asset category</b>	<b>Value of assets realised in the Period</b>	<b>Remuneration % agreed</b>	<b>Total fees due on realisations to date</b>	<b>Drawn to date</b>
Funds held by the reporting accountant	£2,100	20%	£420.00	NIL

- 5.5 A copy of 'A Creditors' Guide to Liquidators' Fees' is available on request or can be downloaded from [www.rginsolvency.com/technical-resource/creditors-guides-to-fees/](http://www.rginsolvency.com/technical-resource/creditors-guides-to-fees/).
- 5.6 Attached as Appendix B is additional information in relation to the Liquidators' fees and expenses, including where relevant, information on the use of subcontractors and professional advisers.

**DIGITAL PRINT & SUPPLIES LTD - IN LIQUIDATION****6 Creditors' Rights**

- 6.1 Within 21 days of the receipt of this report, a secured creditor, or an unsecured creditor (with the concurrence of at least 5% in value of the unsecured creditors) may request in writing that the Liquidators provide further information about their remuneration or expenses which have been itemised in this progress report.
- 6.2 Any secured creditor, or an unsecured creditor (with the concurrence of at least 10% in value of the unsecured creditors) may within 8 weeks of receipt of this progress report make an application to court on the grounds that, in all the circumstances, the basis fixed for the Liquidators' remuneration is inappropriate and/or the remuneration charged or the expenses incurred by the Liquidators, as set out in this progress report, are excessive.

**7 Next Report**

- 7.1 I am required to provide a further report on the progress of the liquidation within two months of the next anniversary of the liquidation, unless I have concluded matters prior to this, in which case I will make my final account available to all creditors.
- 7.2 If you have any queries in relation to the contents of this report, I can be contacted by telephone on 020 3603 7871 or by email at [info@rginsolvency.com](mailto:info@rginsolvency.com).

Yours faithfully

###### Category 1 expenses

- 3.2 These expenses do not require prior approval by creditors. The type of expenses that may be charged to a case as a Category 1 expense generally comprise of external supplies of incidental services specifically identifiable to the case, such as postage, case advertising, invoiced travel and external printing, external room hire and external storage costs. Also chargeable, will be any properly reimbursed expenses incurred by personnel in connection with the case. These expenses may include disbursements which are payments first met by an office holder and then reimbursed from the estate.

<b>Expense</b>	<b>Estimated overall cost £</b>	<b>Paid in the period covered by this report £</b>	<b>Incurred but not paid to date £</b>

Details of Category 2 expenses charged by this firm (where appropriate) were provided at the time the Liquidators' fees were approved by creditors.
