Lendlease IQL Investments Limited

Directors' Report for the Year Ended 30 June 2022

The directors of Lendlease IQL Investments Limited presents their report for the financial year ended 30 June 2022.

Directors of the company

The following persons held office as directors of the Company during the financial year and up to the date of this report:

T Mackellar (resigned 22 October 2021)

R J Seeley

J D Clark (appointed 13 June 2022)

Results

The Company's loss after tax for the year was £2k (2021: £nil).

Dividends

The directors do not recommend the payment of a dividend (2021: £nil).

Political donations

The Company made no political donations or incurred any political expenditure during the year (2021: £nil).

Outlook

With the support of Lendlease Europe Holdings Limited (the consolidated group), the Company is monitoring the impacts of the Russia-Ukraine war which began in February 2022, including the potential longer-term impacts on broader financial markets. The consolidated group does not have a business presence in either country.

Heightened geopolitical tensions are impacting the global economy, creating volatility across the global markets, reflected most notably in higher energy prices and rising inflation. The consolidated group will continue to actively monitor the global political and economic risk date to support the business and the Board in understanding the potential landscape, ensuring resilience framework is up to exposures and mitigation strategies.

There has been no indication of likely future developments in the business, nor any event or circumstance since the end of the financial year to the date of this report that would significantly affect the Company.

The company will continue to perform principal activities as described in Note 1.

Disclosure of information to the auditor

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware; and each director has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Reappointment of auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

Lendlease IQL Investments Limited

Directors' Report for the Year Ended 30 June 2022 (continued)

Approved by the Board on 30/06/2023 and signed on its behalf by:

A handwritten signature in black ink, appearing to read 'R J Seeley', written over a dotted line.

R J Seeley
Director

Lendlease IQL Investments Limited

Statement of Directors' Responsibilities in respect of the Directors' Report and the Financial Statements

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including [FRS 101 *Reduced Disclosure Framework*] [FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*].

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

Independent Auditor's Report to the Members of Lendlease IQL Investments Limited

Opinion

We have audited the financial statements of Lendlease IQL Investments Limited ("the Company") for the year ended 30 June 2022 which comprise the Statement of Profit or Loss and Other Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity and related notes, including the accounting policies in note 3.

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 30 June 2022 and of its loss for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 101 *Reduced Disclosure Framework*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the Company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

Going concern

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the Company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

In our evaluation of the directors' conclusions, we considered the inherent risks to the Company's business model and analysed how those risks might affect the Company's financial resources or ability to continue operations over the going concern period.

Our conclusions based on this work:

- we consider that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate;
- we have not identified, and concur with the directors' assessment that there is not, a material uncertainty related to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for the going concern period.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the above conclusions are not a guarantee that the Company will continue in operation.

Independent Auditor's Report to the Members of Lendlease IQL Investments Limited (continued)

Fraud and breaches of laws and regulations – ability to detect

Identifying and responding to risks of material misstatement due to fraud

To identify risks of material misstatement due to fraud (“fraud risks”) we assessed events or conditions that could indicate an incentive or pressure to commit fraud or provide an opportunity to commit fraud. Our risk assessment procedures included:

- Enquiring of directors, internal audit and inspection of policy documentation as to the Company’s high-level policies and procedures to prevent and detect fraud, including the internal audit function, and the Company’s channel for “whistleblowing”, as well as whether they have knowledge of any actual, suspected or alleged fraud.
- Reading Board minutes.
- Using analytical procedures to identify any unusual or unexpected relationships.

We communicated identified fraud risks throughout the audit team and remained alert to any indications of fraud throughout the audit.

As required by auditing standards we perform procedures to address the risk of management override of controls, in particular the risk that management may be in a position to make inappropriate accounting entries. On this audit we do not believe there is a fraud risk related to revenue recognition because no revenue is generated by the company.

We did not identify any additional fraud risks.

We performed procedures including:

- Identifying journal entries to test based on risk criteria and comparing the identified entries to supporting documentation.

Identifying and responding to risks of material misstatement due to non-compliance with laws and regulations

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our general commercial and sector experience and through discussion with the directors and other management (as required by auditing standards), and discussed with the directors and other management the policies and procedures regarding compliance with laws and regulations.

We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit.

The potential effect of these laws and regulations on the financial statements varies considerably.

Independent Auditor's Report to the Members of Lendlease IQL Investments Limited (continued)

Firstly, the Company is subject to laws and regulations that directly affect the financial statements including financial reporting legislation (including related companies legislation), distributable profits legislation and taxation legislation and we assessed the extent of compliance with these laws and regulations as part of our procedures on the related financial statement items.

Secondly, the Company is subject to many other laws and regulations where the consequences of non-compliance could have a material effect on amounts or disclosures in the financial statements, for instance through the imposition of fines or litigation. We identified the following areas as those most likely to have such an effect: health and safety, anti-bribery, employment law and certain aspects of company legislation recognising the nature of the Company's activities. Auditing standards limit the required audit procedures to identify non-compliance with these laws and regulations to enquiry of the directors and other management and inspection of regulatory and legal correspondence, if any. Therefore if a breach of operational regulations is not disclosed to us or evident from relevant correspondence, an audit will not detect that breach.

Context of the ability of the audit to detect fraud or breaches of law or regulation

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it.

In addition, as with any audit, there remained a higher risk of non-detection of fraud, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. Our audit procedures are designed to detect material misstatement. We are not responsible for preventing non-compliance or fraud and cannot be expected to detect non-compliance with all laws and regulations.

Independent Auditor's Report to the Members of Lendlease IQL Investments Limited (continued)

Directors' report

The directors are responsible for the directors' report. Our opinion on the financial statements does not cover that report and we do not express an audit opinion thereon.

Our responsibility is to read the directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

- we have not identified material misstatements in the directors' report;
- in our opinion the information given in that report for the financial year is consistent with the financial statements; and
- in our opinion that report has been prepared in accordance with the Companies Act 2006.

Matters on which we are required to report by exception

Under the Companies Act 2006, we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.
- the directors were not entitled to take advantage of the small companies exemption from the requirement to prepare a strategic report.

We have nothing to report in these respects.

Other matter - prior period financial statements

We note that the prior period financial statements were not audited. Consequently, ISAs (UK) require the auditor to state that the corresponding figures contained within these financial statements are unaudited. Our opinion is not modified in respect of this matter.

Directors' responsibilities

As explained more fully in their statement set out on page 3, the directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Independent Auditor's Report to the Members of Lendlease IQL Investments Limited (continued)

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Lendlease IQL Investments Limited

Notes to the Financial Statements for the year ended 30 June 2022

1 General information

Lendlease IQL Investments Limited (the "Company") is a private company limited by share capital incorporated and domiciled in United Kingdom. The company registration number is 12545079.

The address of its registered office is:

5 Merchant Square
Level 9
London
W2 1BQ
United Kingdom

The principal activity is to hold an investment in IQL Investment LLP

2 Basis of preparation

Basis of preparation

These financial statements were prepared in accordance with Financial Reporting Standard 101 *Reduced Disclosure Framework* ("FRS 101").

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of UK-adopted international accounting standards ("UK-Adopted IFRSs"), but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken."

In the financial statements, the Company has taken advantage of the following disclosure exemptions available under FRS 101:

- IAS 7: Preparing a cash flow statement and related notes;
- IAS 8: The listing of new or revised standards that have not been adopted (and information about the likely impact);
- IFRS 7: Financial instruments and financial risk disclosures;
- IAS 1: Disclosures in respect of capital management;
- IFRS 13: Fair value measurement disclosures;
- IAS 24: Disclosure of related party transactions entered into between members of the group, providing that any subsidiaries party to the transaction are wholly owned;
- IAS 24: Disclosure of compensation for key management personnel and amounts incurred by an entity for the provision of key management personnel services that are provided by a separate management entity.

Lendlease IQL Investments Limited

Notes to the Financial Statements for the year ended 30 June 2022 (continued)

2 Basis of preparation (continued)

As the consolidated financial statements of Lendlease Europe Holdings Limited include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosures:

IFRS 2 Share Based Payments in respect of group settled share based payments;

Certain disclosures required by IAS 36 Impairment of assets in respect of the impairment of goodwill and indefinite life intangible assets;

Disclosures required by IFRS 5 Non-current Assets Held for Sale and Discontinued Operations in respect of the cash flows of discontinued operations;

Certain disclosures required by IFRS 3 Business Combinations in respect of business combinations undertaken by the Company; and

Certain disclosures required by IFRS 13 Fair Value Measurement and the disclosures required by IFRS 7 Financial Instrument Disclosures.

Amounts are presented in pounds sterling, with all values rounded to the nearest thousand pounds unless otherwise indicated.

These financial statements are the separate financial statements of Lendlease IQL Investments Limited. The Company is exempt by virtue of s400 of the Companies Act 2006 from the requirement to prepare group financial statements as it and its subsidiary undertakings are included by full consolidation in the IFRS compliance consolidated financial statements of the parent, Lendlease Europe Holdings Limited. Refer to note 9 to obtain Lendlease Europe Holdings Limited's financial statements. These financial statements present information about the Company as an individual undertaking and not about its group.

Summary of significant accounting policies and key accounting estimates

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

Lendlease IQL Investments Limited

Notes to the Financial Statements for the year ended 30 June 2022 (continued)

2 Basis of preparation (continued)

Impact of New and Revised Accounting

New and Revised Accounting Standards Adopted 1 July 2021

The following accounting standards, interpretations and amendments have been adopted by the Company in the year ended 30 June 22:

Amendments to the following standards:

- Amendments to IFRS 9: Interest Rate Benchmark Reform
- IFRS 16: Leases Covid-19 Related Rent Concessions

These amended standards did not have a material effect on the Company.

Going concern

Notwithstanding net current liabilities of £7k as at 30 June 2022 and a loss for the year then ended of £3k the financial statements have been prepared on a going concern basis which the directors consider to be appropriate.

The directors have considered the cash requirements of the Company for a period of at least 12 months from the date of approval of these financial statements which indicate that, taking account of reasonably possible downsides, that the Company is dependent for its working capital on funds provided to it by Lendlease Europe Holdings Limited "LLEH" the Company's ultimate UK parent entity.

LLEH has indicated its intention to continue to make available financial support for at least twelve months from the signing date of these financial statements, or earlier, to such period when either LLEH or the Company ceases to be part of the group headed by LLEH, to enable the Company to trade, and not to call for settlement of amounts owing to LLEH where to do so would place the Company in an insolvent position. LLEH itself has been provided with a letter of support from Lendlease International Pty Limited which accepts responsibility of providing and undertakes to provide, sufficient financial assistance to LLEH, as and when it is required, to enable LLEH to continue its operations and fulfil all of its financial obligations. This support covers a period of at least 12 months from the date of approval of these financial statements. As with any company placing reliance on other group entities for financial support, the directors of the Company acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

The Directors have considered the liquidity of the Company going forward, in particular adverse effects due to the ongoing Russian-Ukraine War, higher energy prices and rising inflation and have deemed that due to the support available from Group undertakings, they believe that the Company is well placed to manage its financing and future commitments over a period of at least 12 months from the date of the financial statements.

Consequently, the directors are confident that the company will have sufficient funds to continue to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements and therefore have prepared the financial statements on a going concern basis.

Lendlease IQL Investments Limited

Notes to the Financial Statements for the year ended 30 June 2022 (continued)

2 Basis of preparation (continued)

Critical accounting judgements and key sources of estimation uncertainty

The preparation of financial statements that comply with IFRS requires management to make judgements, estimates and assumptions which can affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. These estimates and underlying assumptions are reviewed on an ongoing basis and revisions are recognised prospectively. Accounting judgements that have the most significant effects on reported amounts and further information about estimated uncertainties are highlighted in the relevant accounting policy in note 3.

3 Accounting policies

Taxation

Income tax on the profit or loss for the period comprises current and deferred tax. Income tax is recognised in the Statement of Profit or Loss, except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity.

Current tax is the expected tax payable or receivable on the taxable income for the financial year, using applicable tax rates (and tax laws) at the Statement of Financial Position date, and any adjustment to tax payable in respect of previous financial years. The current tax payable or receivable includes amounts awaiting settlement of group relief with other Lendlease Europe Holdings Limited subsidiary entities.

Deferred tax is the expected tax payable or receivable in future periods as a result of past transactions or events and is calculated by comparing the accounting balance sheet to the tax balance sheet. Temporary differences are provided for any differences in the carrying amounts of assets and liabilities between the accounting and tax balance sheets. Temporary differences are not provided for on the initial recognition of assets or liabilities that affect neither accounting nor taxable profit and differences relating to investments in subsidiaries to the extent that they are not likely to reverse in the foreseeable future.

Measurement of deferred tax is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities using applicable tax rates and laws at the reporting date.

Recognition of deferred tax assets is only to the extent it is probable that future taxable profits will be available so as the related tax asset will be realised. Deferred tax assets may include deductible temporary differences, unused tax losses and unused tax credits.

Management considers the estimation of future taxable profits to be an area of estimation uncertainty as a change in any of the assumptions used in budgeting and forecasting would have an impact on the future profitability of the Company. Forecasts and budgets form the basis of future profitability to support the carrying value of deferred tax assets.

Presentation of deferred tax assets and liabilities can be offset if there is a legally enforceable right to offset current tax liabilities and assets, they relate to income taxes levied by the same tax authority, and they are intended to be settled on a net basis or realised simultaneously.

Lendlease IQL Investments Limited

Notes to the Financial Statements for the year ended 30 June 2022 (continued)

3 Accounting policies (continued)

Trade and other receivables

Trade and other receivables are non derivative financial assets with fixed or determinable payments that are not equity securities. They arise when the Company provides money, goods or services directly to a debtor with no intention of trading the receivable.

Trade and other receivables are carried at amortised cost using the effective interest method, which applies the interest rate that discounts estimated future cash receipts over the term of the receivables. Cash flows relating to short term trade and other receivables are not discounted if the effect of discounting is immaterial. The discount, if material, is then recognised as finance income over the remaining term.

The Company assesses provision for impairment of the receivables based on irrecoverable amounts and expected credit losses, if material. The Company considers reasonable and supportable information that is relevant and reliable. This includes both quantitative and qualitative information and analysis, based on the Company's historical impairment experience, credit assessment of customers and any relevant forward-looking information. The amount of provision is recognised in the Statement of Profit or Loss.

Share capital

Ordinary shares are classified as equity. Equity instruments are measured at the fair value of the cash or other resources received or receivable, net of the direct costs of issuing the equity instruments. If payment is deferred and the time value of money is material, the initial measurement is on a present value basis.

4 Directors' remuneration

The directors of the Company are employees of the following entities:

R J Seeley: Lendlease Development (Europe) Limited¹

T L Mackellar: Lendlease Europe Limited¹

¹These directors were all directly employed by Lendlease Construction (Europe) Limited during the financial year.

5 Auditor's remuneration

	2022	2021
	£ 000	£ 000
		(Unaudited)
Audit of financial statements	<u>5</u>	<u>-</u>

The auditor's remuneration has been borne by a fellow group undertaking.

Lendlease IQL Investments Limited

Notes to the Financial Statements for the year ended 30 June 2022 (continued)

6 Taxation

Tax (expensed)/credited in the Statement of Profit or Loss

	2022 £ 000	2021 £ 000 (Unaudited)
Current tax		
Current tax on profits for the year	(21)	-
Adjustments in respect of prior years	14	-
Total current tax	(7)	-
Deferred tax		
Current year	4	-
Effect of changes in tax rates	1	-
Total deferred tax	5	-
Total income tax expense	(2)	-

Lendlease IQL Investments Limited

Notes to the Financial Statements for the year ended 30 June 2022 (continued)

6 Taxation (continued)

The (expense)/credit for the year can be reconciled to the result per the statement of profit or loss as follows:

	2022 £ 000	2021 £ 000 (Unaudited)
Profit/(loss) before tax	-	-
Tax on profit/loss at standard UK tax rate of 19% (2021: 19%)	-	-
Adjustments in respect of prior years	14	-
Effects of group relief/ other reliefs	(21)	-
Impact of current year rate differential	1	-
Attribution of partnership losses	4	-
Total income tax expense	(2)	-

Budget 2021 announced an increase to the main rate of UK corporation tax from 19% to 25%. This was substantively enacted on 24 May 2021 and will be effective from 1 April 2023.

Residential Property Developer Tax (RPDT)

The new Residential Property Developer Tax (RPDT), introduced by Finance Act 2022, applies from 1 April 2022 at a rate of 4% to profits arising from residential property developer activities, in excess of an annual £25 million group allowance. The company, as a member of a Group participating in residential property developer activities, anticipates no charge in relation to RPDT for the period ending 30 June 2022.

Deferred tax

Deferred tax assets and (liabilities) are attributable to the following:

2022	Asset £ 000
Tax losses carry-forwards	5

2022

Deferred tax movement during the year:

	At 1 July 2021 £ 000	Recognised in income £ 000	At 30 June 2022 £ 000
Tax losses carry-forwards	-	5	5

Lendlease IQL Investments Limited

Notes to the Financial Statements for the year ended 30 June 2022 (continued)

6 Taxation (continued)

Budget 2021 announced an increase to the main rate of UK corporation tax from 19% to 25%. This was substantively enacted on 24 May 2021 and will be effective from 1 April 2023. This future change to the rate of UK corporation tax has been incorporated into the valuation of deferred tax balances recognised in the statement of financial position.
