Report of the auditors to the directors pursuant to rule 9.35 of the Accounts and Statements Rules

Atreus Insurance Company Limited

Global business

Financial year ended 31 December 2002

We have examined the following documents prepared by the company pursuant to the Accounts and Statements Rules set out in Chapter 9 to the Interim Prudential Sourcebook for Insurers ("the Rules") made by the Financial Services Authority under section 138 of the Financial Services and Markets Act 2000 (the "Act"):

- Forms 11 and 12;
- the statement on page 4;
- the certificate on page 5, and
- the supplementary note on page 6.

This report is made solely to the company's directors, in accordance with rule 9.35 of the Accounts and Statements Rules. Our examination has been undertaken so that we might state to the company's directors those matters we are required by the Rules to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company for our examination, for this report, or for the opinions we have formed.

Respective responsibilities of the company and its auditors

The company is responsible for the preparation of an annual return (including the Forms, statement and certificate) under the provisions of the Rules. The requirements of the Rules have been modified by the written concession referred to in the supplementary note on page 6. Under rule 9.11 the Forms and statement are required to be prepared in the manner set out in the Rules and to state fairly the information provided on the basis required by the Rules.

It is our responsibility to form an independent opinion as to whether the Forms and statement meet these requirements, and in the case of the certificate whether it was or was not unreasonable for the persons giving the certificate to have made the statements therein, and to report our opinions to you. Our responsibilities, as independent auditors, are established in the United Kingdom by Statute, the Auditing Practices Board and by our profession's ethical guidance.

Bases of opinions

We conducted our work in accordance with Practice Note 20 "The audit of insurers in the United Kingdom" issued by the Auditing Practices Board. Our work included examination, on a test basis, of evidence relevant to the amounts and disclosures in the Forms and statement. The evidence included that previously obtained by us relating to the audit of the financial statements of the company for the financial year on which we reported on 17 March 2003. It also included an assessment of the significant estimates and judgments made by the company in the preparation of the Forms and statement.

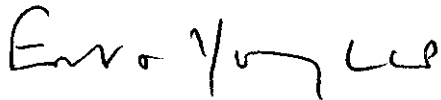

We planned and performed our work so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the Forms and statement are free from material misstatement, whether caused by fraud or other irregularity or error, and comply with rule 9.11.

In the case of the certificate, the work performed involved a review of the procedures undertaken by the signatories to enable them to make the statements therein, and does not extend to an evaluation of the effectiveness of the company's internal control systems.

Opinions

In our opinion:

- (a) the Forms and statement fairly state the information provided on the basis required by the Rules as modified and have been properly prepared in accordance with the provisions of those Rules; and
- (b) according to the information and explanations received by us:
 - (i) the certificate has been properly prepared in accordance with the provisions of the Rules; and
 - (ii) it was not unreasonable for the persons giving the certificate to have made the statements therein.
