STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and accounting estimates that are reasonable and prudent,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the provisions of the Companies Act 2006 applicable to overseas companies. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF NHP SECURITIES NO.12 LIMITED

We have audited the financial statements of NHP Securities No 12 Limited for the year ended 30 September 2015 which comprise the Profit and Loss Account, the Balance Sheet and the related notes 1 to 12. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditor

As explained more fully in the Statement of Directors' Responsibilities, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the directors, and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements

- give a true and fair view of the state of the company's affairs as at 30 September 2015 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the provisions of the Companies Act 2006 applicable to overseas companies.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF NHP SECURITIES NO.12 LIMITED

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the provisions of the Companies Act 2006 applicable to overseas companies requires us to report to you if, in our opinion

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us, or
- the financial statements are not in agreement with the accounting records and returns, or
- certain disclosures of directors' remuneration specified by law are not made, or
- we have not received all the information and explanations we require for our audit

NOTES TO THE FINANCIAL STATEMENTS
Year ended 30 September 2015

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with Section 396 of the Overseas Companies Regulations 2009. The financial statements have been prepared in accordance with United Kingdom Generally Accepted Accounting Practice (as issued by Accounting Council).

The particular accounting policies adopted are described below. They have been applied consistently throughout the year and the preceding year.

Going concern

The going concern position of the Company is dependent on the overall going concern of the Group headed by FC Skyfall Upper Midco Limited.

The Directors have reviewed the going concern of the Company and the Group carefully in the preparation of the consolidated financial statements.

Management have prepared detailed forecasts for the Group for the period to 30 September 2017. Net debt levels, servicing costs and covenant requirements are closely monitored and managed in accordance to the Group's objectives, policies and processes.

The Group maintains sufficient cash resources to meet its day-to-day working capital requirements.

The Directors believe that the Group and the Company are well placed to manage its risk appropriately.

After making enquiries and based on the Group's forecasts and projections, taking into account reasonable possible changes in trading performance, the Directors have a reasonable expectation that the Group and the Company have adequate resources to continue in operational existence for the foreseeable future. Thus they adopt the going concern basis of accounting in preparing the annual financial statements.

Taxation

Current tax, including UK corporation tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is provided in full on timing differences which have originated at the balance sheet date and which could give rise to an obligation to pay more or less tax in the future. Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is not recognised in respect of gains and losses on revalued assets unless the company has entered into a binding agreement to sell the assets and the gains or losses have been recognised in the profit and loss account. Deferred tax assets are recognised to the extent that it is regarded as more likely than not that they will be recovered. Deferred tax assets and liabilities are not discounted.

Cash flow statement

As the Company is a wholly-owned subsidiary, it has taken exemption under the terms of Financial Reporting Standard 1 (revised 1996) 'Cash flow statements' from preparing cash flow statement, as it is included in the consolidated financial statements of FC Skyfall Upper Midco Limited, which are publicly available.

2. TURNOVER AND GROSS PROFIT

Turnover represents a trustee fee arising from the Company's non-beneficial interest in long leasehold interests which are wholly within the United Kingdom. The Company recognises turnover when the amount can be reliably measured and when there is a right to consideration. Turnover is recorded at the value of consideration due.
