Principal activity

The principal activity of the company is to act as a property development company.

Fair review of the business

The company did not trade during the year.

Given the straightforward nature of the business, the company's directors are of the opinion that analysis using key performance indicators is not necessary for an understanding of the development, performance or position of the business. The development, performance and position of Priory Group UK 1 Limited (formerly Partnerships in Care UK 1 Limited), an intermediate parent of the company, is discussed in the group's financial statements which includes the company and does not form part of this report.

Principal risks and uncertainties

From the perspective of the company, the principal risks and uncertainties are integrated with the principal risks of the group and are not managed separately. Accordingly, the principle risks and uncertainties of Priory Group UK 1 Limited (formerly Partnerships in Care UK 1 Limited), which include those of the company, are discussed in the group's financial statements which do not form part of this report.

Financial instruments

The company's operations mean that it is exposed to a variety of financial risks that include the effects of changes in credit risk, liquidity risk and interest rate risk. The directors monitor the risks in order to limit the adverse effects on the financial performance by reviewing levels of debt finance and the related finance costs, however these are integrated with the risks of the group and not managed separately. Accordingly, the financial risk management policies of Priory Group UK 1 Limited (formerly Partnerships in Care UK 1 Limited), which include those of the company, are discussed in the group's annual report which does not form part of this report.

Future developments

The future developments of the company are aligned to the strategy of the UK Group, headed by Priory Group UK 1 Limited (formerly Partnerships in Care UK 1 Limited). The group's strategy for the future development of the business is included in the group's annual report, which does not form part of this report.

Going concern

The intermediate parent company, Priory Group UK 1 Limited (formerly Partnerships in Care UK 1 Limited), has confirmed that it will continue to provide financial support to the company for the foreseeable future and for at least twelve months from the date of approval of these financial statements. Accordingly the financial statements have been prepared on the going concern basis.

Auditors

The company is incorporated in the Cayman Islands and registered in both the Cayman Islands and the UK. The company is not required to publish audited financial statements. The purpose of these financial statements is to meet the obligations for filing in both the UK and the Cayman Islands. The filing requirements for the Cayman Islands are significantly less in scope than those for the UK.
