## Strategic report for the year ended 31 December 2013

The directors present their strategic report on Priory Eastwood Grange (Property) Limited for the year ended 31 December 2013

### Principal activities

The principal activity of the company is to act as a property development company

### Business review

The results for the year are set out in the profit and loss account on page 4 and the position of the company as at the year end is set out in the balance sheet on page 5

Given the straightforward nature of the business, the company's directors are of the opinion that analysis using key performance indicators is not necessary for an understanding of the development, performance or position of the business. The development, performance and position of Priory Group No 1 Limited, which includes the company, are discussed in the group's annual report which does not form part of this report

The company's operations mean that it is exposed to a variety of financial risks that include the effects of changes in credit risk, liquidity risk and interest rate risk. The directors monitor the risks in order to limit the adverse effects on the financial performance by reviewing levels of debt finance and the related finance costs, however these are integrated with the risks of group and not managed separately. Accordingly, the financial risk management policies of Priory Group No 1 Limited, which include those of the company, are discussed in the group's annual report which does not form part of this report

### Principal risks and uncertainties

From the perspective of the company, the principal risks and uncertainties are integrated with the principal risks of the group and are not managed separately. Accordingly, the principal risks and uncertainties of Priory Group No 1 Limited, which include those of the company, are discussed in the group's annual report which does not form part of this report

### Future developments

The future developments of the company are aligned to the strategy of the Priory Group, headed by Priory Group No 1 Limited. The group's strategy for the future development of the business is included in the group's annual report, which does not form part of this report

## Directors' report for the year ended 31 December 2013

The directors present their report and the financial statements for the year ended 31 December 2013

### Going concern

The ultimate parent company, Prory Group No 1 Limited, has confirmed that it will continue to provide financial support to the company for the foreseeable future and for at least 12 months from the date of approval of these financial statements. Accordingly the financial statements have been prepared on the going concern basis.

### Dividends

The directors do not recommend the payment of a dividend (2012 £nil)

### Directors

The directors who held office during the year were as follows

Professor C Thompson (resigned 20 June 2013)  
J Lock

In accordance with the articles of association, no directors retire by rotation

### Statement of directors' responsibilities

The directors are responsible for preparing the strategic report, the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- make judgements and accounting estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

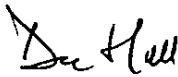

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## Directors' report for the year ended 31 December 2013 *(continued)*

### Auditors

The company is incorporated in the Cayman Islands and registered in both the Cayman Islands and the UK. The company is not required to publish audited financial statements. The purpose of these financial statements is to meet the obligations for filing in both the UK and the Cayman Islands. The filing requirements for the Cayman Islands are significantly less in scope than those for the UK. These financial statements have been prepared in accordance with applicable UK accounting standards and UK companies' legislation as applied to overseas companies and under the historical cost convention. References in these financial statements to the Companies Act and other legislation are therefore references to UK legislation. These financial statements comply with the Companies Act 2006 as applied to overseas companies.

## Notes to the financial statements for the year ended 31 December 2013

### 1 Accounting policies

The following accounting policies have been applied consistently in the company's financial statements

#### ***Basis of preparation***

The company is incorporated in the Cayman Islands and registered in both the Cayman Islands and the UK. The company is not required to publish audited financial statements. The purpose of these financial statements is to meet the obligations for filing in both the UK and the Cayman Islands. The filing requirements for the Cayman Islands are significantly less in scope than those for the UK. These financial statements have been prepared in accordance with applicable UK accounting standards and UK companies' legislation as applied to overseas companies and under the historical cost convention. References in these financial statements to the Companies Act and other legislation are therefore references to UK legislation. These financial statements comply with the Companies Act 2006 as applied to overseas companies.

The ultimate parent company, Prory Group No 1 Limited, has confirmed that it will continue to provide financial support to the company for the foreseeable future and for at least 12 months from the date of approval of these financial statements. Accordingly the financial statements have been prepared on the going concern basis.

Under Financial Reporting Standard 1 (revised) the company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the company in its own published consolidated financial statements.

As the company is a wholly owned subsidiary of Prory Group No 1 Limited, the company has taken advantage of the exemption contained in Financial Reporting Standard 8 and has therefore not disclosed transactions or balances with entities which form part of the group.

#### ***Tangible fixed assets and depreciation***

Tangible fixed assets are stated at cost, net of depreciation and any provision for impairment.

Land is not depreciated on the basis that land has an unlimited life.

#### ***Deferred taxation***

The charge for taxation is based on the profit for the period and takes into account taxation deferred.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date, where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date.

A deferred tax asset is recognised as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits against which to recover carried forward tax losses and from which the future reversal of underlying timing differences can be deducted.

Deferred tax is measured at the average tax rates that are expected to apply in the periods in which the timing differences are expected to reverse, based on tax rates and laws that have been enacted or substantively enacted by the balance sheet date. Deferred tax is measured in a non-discounted basis.

#### ***Group relief***

Payment is generally made for group relief at the current tax rate at the time of first estimating the tax provision. To the extent that amendments are subsequently made to the group relief plan, there is generally no payment or receipt in respect of the change.

## Notes to the financial statements for the year ended 31 December 2013 (continued)

### 2 Loss on ordinary activities before taxation

The directors received no emoluments for services to the company during the year (2012 nil)
