INDEPENDENT AUDITORS' REPORT

To the Members of RSA Actuarial Services (India) Private Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of RSA Actuarial Services (India) Private Limited ("the Company"), which comprise the Balance Sheet as at 31 March 2020, the Statement of Profit and Loss, and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, and profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Board of Director's report but does not include the financial statements and our auditors' report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibility for the Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the state of affairs, profit/loss and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting
 a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
 involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal
 control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing our opinion on whether
 the company has adequate internal financial controls with reference to financial statements in place
 and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting
 estimates and related disclosures in the financial statements made by the Management and Board of
 Directors.

- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the
 disclosures, and whether the financial statements represent the underlying transactions and events in
 a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditors' Report) Order, 2016 ("the Order") issued by the Central Government in terms of section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. (A) As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The balance sheet, the statement of profit and loss, and statement of cash flows dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31 March 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2020 from being appointed as a director in terms of Section 164(2) of the Act.

- (B) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company does not have any pending litigations which would impact its financial positions. Refer note 11 to the financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. The disclosures regarding holdings as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made in these financial statements since they do not pertain to the financial year ended 31 March 2020.
- (C) With respect to the matter to be included in the Auditors' Report under section 197(16):

The Company is a private limited company and accordingly the requirements as stipulated by the provisions of section 197(16) of the Act are not applicable to Company.

Annexure A referred to in our Independent Auditors' Report of even date to the members of RSA Actuarial Services (India) Private Limited on the financial statements for the year ended 31 March 2020, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) The Company has a regular program of physical verification of its fixed assets, whereby all the fixed assets are verified once in every year. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature if its assets. As informed to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company does not hold any immovable property. Accordingly, paragraph 3(i)(c) of the order is not applicable.
- (ii) The Company is a service company, primarily rendering technical services and therefore does not hold any physical inventories. Thus, paragraph 3(ii) of the Order is not applicable.
- (iii) According to the information and explanation given to us, the Company has not granted any loans, secured or unsecured, to Companies, limited liability partnerships, firms or other parties covered in the register required under section 189 of the Companies Act, 2013. Accordingly, paragraph 3(iii) of the Order is not applicable.
- (iv) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no loans, investments, guarantees and securities provided by the Company as specified under section 185 and 186 of the Companies Act, 2013. Therefore, paragraph 3(iv) of the Order is not applicable.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits as mentioned in the directives issued by the Reserve Bank of India and the provisions of section 73 to 76 or any other relevant provisions of the Act and the rules framed there under. Accordingly, paragraph 3(v) of the Order is not applicable.
- (vi) According to the information and explanations given to us, the Central Government has not prescribed the maintenance of cost records under sub section (1) of section 148 of the Companies Act, 2013 for any of the activities carried out by the Company. Accordingly, paragraph 3(vi) of the Order is not applicable.
- (vii) (a) According to the information and explanation given to us and on the basis of our examination of the records of the Company, amounts deducted or accrued in the books of account in respect of undisputed statutory dues including provident fund, income-tax, goods and service tax, cess and other statutory dues have been regularly deposited during the year by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account of employees' state insurance, duty of excise, duty of custom, sales tax, service tax and value added tax

According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income-tax, goods and service tax, cess and other statutory dues were in arrears as at 31 March 2020 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us, there are no dues in respect of incometax and goods and service tax which have not been deposited with the appropriate authorities on account of any dispute as at 31 March 2020. As explained above, the Company did not have any dues on account of duty of customs, duty of excise, sales tax, service tax and value added tax.

- (viii) In our opinion, and according to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no loans or borrowings from the banks, financial institutions, government or dues to debenture holders during the year or outstanding as at 31 March 2020. Accordingly, paragraph 3(viii) of the Order is not applicable.
- (ix) According to the information and explanations given to us, the Company has not raised any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3(ix) of the Order is not applicable.
- (x) According to the information and explanations given to us, no fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
- (xi) The Company is a private limited Company and accordingly the requirements as stipulated by the provisions of section 197 read with Schedule V to Act are not applicable to the Company. Accordingly, paragraph 3(xi) of the Order is not applicable.
- (xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) The Company is a private limited company and accordingly, the requirements as stipulated by the provisions of section 177 of the Companies Act, 2013 are not applicable to the Company. According to the information and explanations given to us, transactions with the related parties are in compliance with section 188 of the Companies Act, 2013 where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- (xiv) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment, private placement of shares and fully or partly convertible debentures during the year. Accordingly, paragraph 3(xiv) of the Order is not applicable.
- (xv) According to information and explanations given to us, the Company has not entered into any non-cash transactions with directors or persons connected with them. Accordingly, paragraph 3(xv) of the Order is not applicable.
- (xvi) According to the information and explanations given to us, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

Significant accounting policies and notes to the accounts

1) Company overview

RSA Actuarial Services (India) Private Limited ('the Company') was incorporated on 9 December 2010 under the Companies Act, 1956. The Company is primarily engaged in providing support services including back office processing support services to its group companies of the nature of treaty completion, financial reporting, accounting, administrative, managerial, maintenance, liaising, marketing, price modelling. consultancy and advice, research, collection, dissemination and provision of data and information, and providing training, in relation to insurance, re-insurance, underwriting and actuarial activities, such services not amounting to undertaking insurance and re-insurance business whether in India or overseas.

2) Significant accounting policies

2.1 Basis of preparation of financial statements

These financial statements have been prepared and presented on the accrual basis of accounting and comply with the Accounting Standards as prescribed under Section 133 of the Companies Act, 2013 ('Act') and the relevant provisions of the Act and other accounting principles generally accepted in India, to the extent applicable. The financial statements are presented in Indian rupees.

The financial statements for the year ended 31 March 2020 have been prepared as per the requirements of Schedule III of the Companies Act 2013.

2.2 Use of estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make judgement, estimates and assumptions that affect the application of accounting policies and reported amounts of assets, liabilities, income and expenses and disclosure of contingent liabilities on the date of the financial statements. Examples of such estimates include provision for doubtful debts, provision for future obligations under employment retirement benefit plan and estimated useful life of property, plant and equipment and intangible assets. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognised prospectively in current and future periods.

2.3 Current and non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- a. it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle;
- b. it is held primarily for the purpose of being traded;
- c. it is expected to be realised within 12 months after the reporting date; or
- d. it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- a. it is expected to be settled in the Company's normal operating cycle;
- b. it is held primarily for the purpose of being traded;
- c. it is due to be settled within 12 months after the reporting date; or
- d. the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents

2.4 Revenue recognition

Revenue from services

Revenue from services are recognised on accrual basis and on the basis of the actual cost incurred plus agreed upon mark-up, per terms specified in the service agreement, provided the consideration is reliably determinable and no significant uncertainty exists regarding the collection.

Interest income on fixed deposits

Interest on the deployment of surplus funds is recognised using the time-proportion method, based on interest rates contracted in the transaction.

Export incentive (SEIS Scripts)

Incentives are recognised in the Statement of Profit and Loss when there is reasonable assurance that the company will comply with the conditions for their receipt and a reasonable expectation that the funds will be received.

2.5 Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition less accumulated depreciation and accumulated impairment loss if any. Cost of an item of property, plant and equipment comprise its purchase price including import duties and non-refundable taxes (after deducting trade discounts and rebates) and any directly attributable cost of bringing the item to its working condition for its intended use. Gains or losses on disposal of an item of property plant and equipment are recognised in the Statement of Profit and Loss.

2.6 Intangible assets

Intangible assets are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses. An intangible asset is recognised if it is probable that the expected future economic benefits that are attributable to the assets will flow to the Company and its cost can be measured reliably.

Subsequent expenditure

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognized in Statement of Profit and Loss as incurred.

2.7 Depreciation and amortisation

Depreciation on property, plant and equipment (except leasehold improvement) has been provided prorata to the period of use, on the straight-line method, using rates determined based on management's assessment of useful economic lives of the asset, which are consistent to the life specified under Schedule II to the Companies Act, 2013. Leasehold Improvements are amortised over the period of lease.

The useful life estimated by the management are equal to the useful lives prescribed under Schedule II of the Companies Act, 2013. Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Following are the estimated useful life of various category of property, plant and equipment used:

Assets	Useful life
Computer	3 years
Computer servers and networks	6 years
Office equipment	5 years
Furniture and fixtures	10 years

Intangible assets currently comprises of computer software which are amortised over a period of three years under straight line method which, as per management, reflects the economic useful life of these computer software. The amortisation method, residual value and the useful lives of intangible assets are reviewed annually and adjusted as necessary.

2.8 Impairment

Property, plant and equipment and intangible assets are reviewed at each reporting date to determine if there is any indication of any impairment. If any indication exists, the asset's recoverable amount is estimated. An impairment loss is recognised whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortisation, if no impairment loss had been recognised.

2.9 Foreign exchange transactions

Foreign currency transactions are accounted for at the exchange rate prevailing on the date of the transaction. Exchange differences arising due to the differences in the exchange rate between the transaction date and the date of settlement of any monetary items is recognised in the Statement of Profit and Loss.

Monetary assets and monetary liabilities denominated in foreign currency are translated at the exchange rate prevalent at the date of the Balance Sheet and resultant gain/ loss, if any, is recorded as an income or any expense in the period in which they arise.

2.10 Employee benefits

Short term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, compensated absences, bonus etc. are recognised in the Statement of Profit and Loss in the period in which the employee renders the related service.

Post-employment benefits

Defined contribution plan

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contribution to a separate entity and has no obligation to pay any further amounts. The Company makes specified monthly contributions towards employee provident fund to Government administrative fund scheme which is a defined contribution plan. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the year in which the employee renders the specifies services

Defined-benefit plan

The Company's gratuity scheme is a defined benefit plan. The Company's liability towards gratuity is calculated on the basis of actuarial valuation carried out by an independent actuary on the Balance Sheet date. The gratuity liability is calculated using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up the final obligation. The obligation is measured at the present value of estimated future cash flows. The discount rates used for determining the present value of obligation, is based on the market yields on Government securities as at the Balance Sheet date, having maturity periods approximating to the terms of related obligations. Actuarial gains and losses are recognised immediately in the Statement of Profit and Loss. Gains or losses on the curtailment or settlement of any defined benefit plan or long term employee benefit are recognised when the curtailment or settlement occurs.

The Company has taken a group policy with Life Insurance Corporation of India (LIC) to meet its obligation towards gratuity.

2.11 Earnings per share

The basic earnings per share is computed by dividing the net profit attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the year.

2.12 Operating leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets are classified as operating leases. The total lease rentals (including schedule rental increase) in respect of an asset taken on operating lease are charged to the Statement of Profit and Loss account on a straight line basis over the lease term unless another systematic basis is more representative of the time pattern of the benefit.

2.13 Taxation

Income-tax expense comprises current tax (i.e. amount of tax for the year determined in accordance with the income-tax laws) and deferred tax charge or credit (reflecting the tax effect of timing differences between accounting income and taxable income for the year).

Current tax is measured at the amount expected to be paid to/ recovered from the taxation authorities, using the applicable tax rates and tax laws. Deferred tax is recognised in respect of timing differences between taxable income and accounting income i.e. differences that originate in one period and are capable of reversal in one or more subsequent periods. The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised only if there is a virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax assets can be realised. Deferred tax assets are reviewed as at each Balance Sheet date and written down or written-up to reflect the amount that is reasonably/virtually certain (as the case maybe) to be realised.

2.14 Provisions, contingent liabilities and contingent assets

A provision is recognised if, as a result of a past event, the Company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognised at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date. The provisions are measured on an undiscounted basis.

Provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of resources would be required to settle the obligation, the provision is reversed.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions, but are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognised nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognised in the period in which the change occurs.

2.15 Cash and cash equivalents

Cash and cash equivalents comprises cash balance in hand and with bank and highly liquid investments with maturity period of three months or less from the date of investment.

Statutory bonus for the financial year 2014-2015	390,500	390,500

12. The Company has established a comprehensive system of maintenance of information and documents as required by the transfer pricing legislation under sections 92-92F of the Income-tax Act, 1961. Since the law requires existence of such information and documentation to be contemporaneous in nature, the Company is in the process of updating the documentation for international transactions entered into with the holding company and other associated enterprises during the financial year and expects such records to be in existence latest by the due date as required under that law. The management is of the opinion that its international transactions are at arm's length so that the aforesaid legislation will not have any impact on the financial statements, particularly on the amount of tax expense and that of provision for taxation.

13. The Company is a Small and Medium Sized Company (SMC) as defined in the general instructions in respect of accounting standards notified under section 133 of the Companies Act, 2013. Accordingly, the Company has complied with the accounting standards applicable to a SMC read together other requirements of the Companies Act, 2013.
