**ABC Steel Supplies LLP****Accounting Policies - Year Ended 31 March 2015**

1. **Basis of Accounting:** The accounts have been prepared under the historical cost convention. The limited liability partnership has taken advantage of the exemption in financial Reporting Standard No 1 from the requirement to produce a cash-flow statement on the grounds that this is a small limited liability partnership.
2. **Turnover:** This represents net invoiced sales, excluding Vat and trade discounts.
3. **Tangible Fixed Assets:** Tangible fixed assets are stated at cost less depreciation. Depreciation is provided, at the following annual rates, in order to write off each asset over its estimated useful life.
 

Plant and Machinery	25% Reducing Balance
Motor Vehicles	25% Reducing Balance
Fixtures and Fittings	25% Reducing Balance
4. **Stocks and W.I.P:** Stock on hand is valued at the lower of cost and net realisable value after making due allowance for obsolete and slow moving stocks.
5. **Leasing and Hire Purchase:** Assets obtained under hire purchase contracts and finance leases are capitalised as tangible fixed assets. Assets acquired by finance lease are depreciated over the shorter of the lease term and their useful lives. Assets acquired by hire purchase are depreciated over their useful lives. Finance leases are those where substantially all of the benefits and risks of ownership are assumed by the company. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. The finance element of the rental payment is charged to the profit and loss account so as to produce a constant periodic rate of charge on the net obligation outstanding in each period.
6. **Foreign Currencies:** Assets and Liabilities in foreign currencies are translated into sterling at the average exchange ruling throughout the accounting period. Exchange differences are taken into account in arriving at the operating profit. Monetary assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date.
7. **The limited liability partnership has prepared accounts in accordance with the Financial Reporting Standards for Smaller Entities.**
