## Directors' report for the year ended 31 January 2016

The directors present their Annual report and the audited financial statements of the company for the year ended 31 January 2016. The comparative year is for the year ended 1 February 2015.

### Results for the year

Key financial data for the business is as follows:

	Year ended 31 January 2016 £'000	Year ended 1 February 2015 £'000
Revenue	28,228	23,173
Operating profit	589	464

The profit before tax for the financial year amounted to £564,000 (2015: £466,000) on revenue of £28,228,000 (2015: £23,173,000).

Principal risks and risk management is disclosed in the Strategic report on page 5.

### Dividends

The directors do not recommend the payment of a dividend (2015: £Nil).

### Future developments

An increase in revenue for the year has been the result of a highly successful marketing campaign of the brand and the opening of newer, larger stores along with refits of some of the existing stores. Further new stores have been identified for opening in the coming financial year. Management are also focussing on further areas of cost reduction in the coming year.

### Disabled employees

The company is committed to employment policies, which follow best practice, based on equal opportunities for all employees, irrespective of sex, race, colour, disability or marital status. The company gives full and fair consideration to applications for employment for disabled persons, having regard to their particular aptitudes and abilities. Appropriate arrangements are made for the continued employment and training, career development and promotion of disabled persons employed by the company. If members of staff become disabled the company continues employment, either in the same or an alternative position, with appropriate retraining being given if necessary.

### Employee involvement

The company systematically provides employees with information on matters of concern to them, consulting them regularly, so that their views can be taken into account when making decisions that are likely to affect their interests. Employee involvement in the company is encouraged, as achieving a common awareness on the part of all employees of the financial and economic factors affecting the company plays a major role in maintaining its standards. The company encourages the involvement of employee's by means of seasonal retail conferences enabling employees to meet and discuss the performance of the business, present ideas for improvement and be informed with new product development.

Employees are also provided with annual 'Code of Conduct' training to raise awareness and education of the importance of preserving best practice and professional integrity within the company.

### Directors' indemnities

As permitted by the Articles of Association, the Directors have the benefit of an indemnity which is a qualifying third party indemnity provision as defined by Section 234 of the Companies Act 2006. The indemnity was in force throughout the last financial year and is currently in force. The Company also purchased and maintained throughout the financial year Directors' and Officers' liability insurance in respect of itself and its Directors.

# Calvin Klein Stores UK Limited

## Directors' report for the year ended 31 January 2016 (continued)

### Directors

The directors who held office during the year and up to the date of signing the financial statements were:

D Grieder  
M Hagman  
D Pyne

### Statement of directors' responsibilities

The directors are responsible for preparing the Strategic Report and the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101).

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards, including FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements;
- notify the company's shareholders in writing about the use of disclosure exemptions, if any, of FRS 101 used in the preparation of financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Disclosure of information to auditors

In relation to the disclosure of information to auditors:

- so far as each director is aware, there is no relevant audit information of which the auditors are unaware; and
- having made enquiries of fellow directors and the company's auditors, each director has taken all steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

### Independent auditors

The auditors, PricewaterhouseCoopers LLP, have indicated their willingness to continue in office and a resolution concerning their re-appointment will be proposed at the Annual General Meeting.

On behalf of the board

  
D Pyne

Director

14 August 2016

# Calvin Klein Stores UK Limited

## Strategic report for the year ended 31 January 2016

The directors present their strategic report on the company for the year ended 31 January 2016.

### Review of business

The principal activity of Calvin Klein Stores UK Limited is the retailing of men's and ladies fashion garments and accessories.

The revenue and the profit of the company for the financial year are set out in the statement of comprehensive income on page 7 and the notes on pages 10 to 21. The revenue for the year was £28,228,000 (2015: £23,173,000) generating an operating profit of £589,000 (2015: £463,000).

At the end of the financial year, the company was in a net current assets position of £16,001,000 (2015: £16,646,000).

### Principal risks and uncertainties

As is the case in the industry the possibility of an economic slowdown and the consequential reduction in consumption is a risk, which is addressed as far as possible by controlling the fixed cost base.

The company is guaranteed by its parent undertaking within the group, and hence liquidity, cash flow, credit and financing risks are mitigated sufficiently, together with the company's ability to manage its cash generation from its operations.

### Key performance indicators

The two main key performance indicators monitored by management are revenue and operating profit.

Total revenue increased by 21.8% versus the prior year due to a strong branding campaign and a number of new, larger stores.

The operating profit increased by 27.2% from a combination of the increase in top line revenue (as above) and also a focus on cost control throughout the stores.

### People

The company is committed to employment policies, which follow best practice, based on equal opportunities for all employees, irrespective of sex, race, colour, disability or marital status.

On behalf of the board

D Pyne

## ***Independent auditors' report to the members of Calvin Klein Stores UK Limited***

### **Report on the financial statements**

---

#### **Our opinion**

In our opinion, Calvin Klein Stores UK Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the company's affairs as at 31 January 2016 and of its profit for the year then ended;
  - have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
  - have been prepared in accordance with the requirements of the Companies Act 2006.
- 

#### **What we have audited**

The financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), comprise:

- the statement of financial position as at 31 January 2016;
- the statement of comprehensive income for the year then ended;
- the statement of changes in equity for the year then ended; and
- the notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in the preparation of the financial statements is United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law (United Kingdom Generally Accepted Accounting Practice).

In applying the financial reporting framework, the directors have made a number of subjective judgements, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

---

### **Opinion on other matter prescribed by the Companies Act 2006**

---

In our opinion, the information given in the Strategic Report and the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

---

### **Other matters on which we are required to report by exception**

---

#### **Adequacy of accounting records and information and explanations received**

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

---

#### **Directors' remuneration**

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

***Independent auditors' report to the members of Calvin Klein Stores UK Limited (continued)***

---

**Responsibilities for the financial statements and the audit**

---

**Our responsibilities and those of the directors**

As explained more fully in the Statement of the Directors' responsibilities set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK & Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the parent company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

---

**What an audit of financial statements involves**

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of:

- whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

We primarily focus our work in these areas by assessing the directors' judgements against available evidence, forming our own judgements, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the Annual Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

<sup>1</sup> The capital contribution reserve arose on an injection of capital by the immediate parent company, for which no shares were issued.

<sup>2</sup> Retained earnings represents accumulated comprehensive income for the year and prior periods, less dividends paid.

# Calvin Klein Stores UK Limited

## Notes to the financial statements for the year ended 31 January 2016

### 1. Accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

The company is a limited company, incorporated and domiciled in the United Kingdom.

#### Basis of preparation

For the first time this year, the financial statements of Calvin Klein Stores UK Limited have been prepared in accordance with Financial Reporting Standard 101, 'Reduced Disclosure Framework' (FRS 101). The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2006.

The preparation of financial statements in conformity with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise its judgment in the process of applying the company's accounting policies. The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed below.

The following exemptions from the requirements of IFRS have been applied in the preparation of these financial statements, in accordance with FRS 101:

- Paragraphs 91 to 99 of IFRS 13, 'Fair value measurement' (disclosure of valuation techniques and inputs used for fair value measurement of assets and liabilities)

- Paragraph 38 of IAS 1, 'Presentation of financial statements' comparative information requirements in respect of:

- (i) paragraph 79(a)(iv) of IAS 1; and

- (ii) paragraph 73(e) of IAS 16 Property, plant and equipment.

- The following paragraphs of IAS 1, 'Presentation of financial statements':

- 10(d), (statement of cash flows);

- 10(f) (a statement of financial position as at the beginning of the preceding period when an entity applies an accounting policy retrospectively or makes a retrospective restatement of items in its financial statements, or when it reclassifies items in its financial statements);

- 16 (statement of compliance with all IFRS);

- 38A (requirement for minimum of two primary statements, including cash flow statements);

- 38B-D (additional comparative information);

- 40A-D (requirements for a third statement of financial position;

- 111 (cash flow statement information); and

- 134-136 (capital management disclosures)

- IAS 7, 'Statement of cash flows'

- Paragraph 30 and 31 of IAS 8 'Accounting policies, changes in accounting estimates and errors' (requirement for the disclosure of information when an entity has not applied a new IFRS that has been issued but is not yet effective)

- Paragraph 17 of IAS 24, 'Related party disclosures' (key management compensation)

- The requirements in IAS 24, 'Related party disclosures' to disclose related party transactions entered into between two or more members of a group.

# Calvin Klein Stores UK Limited

## Notes to the financial statements for the year ended 31 January 2016 (continued)

### 1. Accounting policies (continued)

#### Related party transactions

As a subsidiary undertaking of Calvin Klein Europe BV, the company has taken advantage of the exemption under FRS 101 not to disclose transactions with other wholly owned members of the group headed by Calvin Klein Europe BV.

#### Critical accounting estimates and judgments

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are addressed below.

#### *(a) Useful economic lives of property, plant and equipment*

The annual depreciation charge for property, plant and equipment is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are re-assessed annually. They are amended when necessary to reflect current estimates, based on technological advancement, future investments, economic utilisation and the physical condition of the assets. See note 8 for the carrying amount of the property plant and equipment, and below policy for the useful economic lives for each class of assets.

#### *(b) Inventory provisioning*

The company retails clothes and underwear and is subject to changing consumer demands and fashion trends. As a result it is necessary to consider the recoverability of the cost of inventory and the associated provisioning required. When calculating the inventory provision, management considers the nature and condition of the inventory, as well as applying assumptions around anticipated saleability of the finished goods. See note 10 for the net carrying amount of the inventory and associated provision.

#### Going concern

The company meets its day-to-day working capital requirements through its cash reserves. Excess cash reserves at any point in time are repatriated to the company's immediate parent. The company's forecasts and projections, taking account of reasonably possible changes in trading performance, show that the company should be able to operate within the level of its current and projected future cash reserves. After making enquiries, the directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. The company therefore continues to adopt the going concern basis in preparing its financial statements.

#### Changes in accounting policy and disclosures

This is the first year that the company has adopted FRS 101 for the preparation of its financial statements. The adoption does not have a material impact on the company or its financial statements.

#### Foreign currency translation

##### *(a) Functional and presentation currency*

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the company operates ('the functional currency'). The financial statements are presented in 'Pounds Sterling' (£), which is also the company's functional currency.

##### *(b) Transactions and balances*

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions or valuation where items are re-measured. Foreign exchange gains and losses

# Calvin Klein Stores UK Limited

## Notes to the financial statements for the year ended 31 January 2016 (continued)

### 1. Accounting policies (continued)

#### Foreign currency translation (continued)

resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the statement of comprehensive income.

#### Revenue

Revenue is measured at the fair value of the consideration received or receivable, and represents amounts receivable for goods supplied, stated net of discounts, returns and value added taxes. The company recognises revenue when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met for each of the company's activities, as described below. The company bases its estimate of return on historical results, taking into consideration the type of customer, the type of transaction and the specifics of each arrangement.

The company operates full price, retail outlets and concessions in the UK for selling clothing and underwear. Sales of goods are recognised when the company sells a product to the customer. Retail sales are usually in cash or by credit card. It is the company's policy to sell its products to the retail customer with a right to return within 28 days. Accumulated experience is used to estimate and provide for such returns at the time of sale. The company does not operate any loyalty programs.

Management has determined there to be one operating segment based on information reviewed by directors and the senior management team in both the UK and the immediate parent company, Calvin Klein Europe BV in Amsterdam, for the purposes of allocating resources and assessing performance.

#### Property, plant and equipment and depreciation

Property, plant and equipment are stated at historic cost less accumulated depreciation. Historic cost includes the original purchase price of the assets and the cost attributable to bringing the assets to their working condition for their intended use.

Depreciation is calculated to write off the cost of property plant and equipment by annual instalments over their estimated economic lives at the following rates:

Leasehold improvements	6 - 33% per annum straight line
Equipment, fixtures and fittings	6 - 33% per annum straight line

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised within the statement of comprehensive income.

The carrying values of tangible fixed assets are reviewed for impairment if events or changes in circumstances indicate that the carrying value may not be recoverable. Any impairment in the value of fixed assets below depreciated historical cost is charged to the statement of comprehensive income.

#### Inventory

Inventory is valued at the lower of cost and net realisable value. A provision has also been made for slow moving inventory as in the prior year.

#### Deferred lease incentive

Deferred lease incentive relates to capital contributions recorded from landlords. The contributions are being released over the duration of the applicable lease period.

# Calvin Klein Stores UK Limited

## Notes to the financial statements for the year ended 31 January 2016 (continued)

### 1. Accounting policies (continued)

#### Pensions

The company operates a defined contribution scheme; the pension costs charged in the financial statements represent the contribution payable by the company during the year.

The company's former employees are members of the Warners (UK) Limited defined benefit pension scheme.

The pension liability recognised in the Statement of financial position in respect of the scheme is the present value of the defined benefit obligation at the Statement of financial position date less the fair value of the scheme assets. The company has not complied in full with the disclosure requirements of FRS 17 on the grounds of materiality.

#### Current and deferred income tax

The tax expense for the period comprises current and deferred tax. Tax is recognised in the statement of comprehensive income, except to the extent that it relates to items recognised in other comprehensive income or directly in shareholders' funds. In this case, the tax is also recognised in other comprehensive income or directly in shareholders' funds, respectively.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the Statement of financial position date in the countries where the company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred income tax is recognised on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill; or arise from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting nor taxable profit or loss. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantively enacted by the Statement of financial position date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled. Deferred income tax assets are recognised only to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

Deferred income tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets against current tax liabilities and when the deferred income taxes assets and liabilities relate to income taxes levied by the same taxation authority on either the same taxable entity or different taxable entities where there is an intention to settle the balances on a net basis.

#### Operating leases

Costs in respect of operating leases are charged to the statement of comprehensive income on a straight line basis over the lease term. The benefits arising from rent free periods are spread across the term of the lease.

#### Cash and cash equivalents

Cash and cash equivalents includes cash in hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts.

#### Trade and other receivables

Trade and other receivables are amounts due from customers for merchandise sold in the ordinary course of business. If collection is expected in one year or less (or in the normal operating cycle of the business if longer), they are classified as current assets. If not, they are presented as non-current assets. Trade and other receivables are recognised at cost less provision for impairment.

#### Trade and other payables

Trade and other payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Trade and other payables are recognised at cost.

# Calvin Klein Stores UK Limited

## Notes to the financial statements for the year ended 31 January 2016 (continued)

### 2. Revenue

Revenue represents the amounts derived from the provision of goods and services during the year which falls within the company's principal activities after deduction of trade discounts and value added tax.

Revenue is recognised upon receipt of goods and services by the customer.

	Year ended 31 January 2016 £'000	Year ended 1 February 2015 £'000
Retailing	28,228	23,173
	<b>28,228</b>	<b>23,173</b>

The company's activities and generation of revenue consist solely of the retail of clothing and accessories in the United Kingdom.

### 3. Information regarding directors and employees

#### Employees

The average monthly number of persons employed by the company during the year was:

	Year ended 31 January 2016 Number	Year ended 1 February 2015 Number
By activity		
Sales	294	325

# Calvin Klein Stores UK Limited

## Notes to the financial statements for the year ended 31 January 2016 (continued)

### 3. Information regarding directors and employees (continued)

#### Highest paid director

The highest paid director received total emoluments of £Nil (2015: £33,000, as per above – only one director was paid by Calvin Klein Stores UK Limited).

Except for one out-going director in the prior year, the directors are directors of other group companies and have their remuneration paid and disclosed in those companies. It is not practicable to allocate their remuneration between services to Calvin Klein Stores UK Limited and other group companies during the year.

### 4. Operating profit

Operating profit is stated after charging:

	Year ended 31 January 2016 £'000	Year ended 1 February 2015 £'000
<b>Operating profit is stated after charging:</b>		
Wages and salaries	3,504	3,597
Social security costs	174	161
Other pension costs	31	28
<b>Staff costs</b>	<b>3,709</b>	<b>3,786</b>
Depreciation of property plant and equipment	738	451
Loss on disposal of property plant and equipment (note 7)	9	222
Impairment of assets	-	-
Impairment of goodwill	-	-
Operating lease charges	3,902	4,363
Foreign exchange gains	(45)	(43)
<b>Services provided by the company's auditors</b>		
Fees payable for the audit*	-	-

\*Audit fees for the company of £30,000 in the current year (2015: £34,000) have been borne by PVH UK Limited, a related entity.

For the year ended 31 January 2016, operating expenses include £1,455,000 in management fees (2015: £520,000).

<b>Tax on profit on ordinary activities</b>	<b>(919)</b>	<b>(225)</b>

# Calvin Klein Stores UK Limited

## Notes to the financial statements for the year ended 31 January 2016 (continued)

### 6. Tax on profit on ordinary activities (continued)

The tax expense for the year is lower (2015: lower) than the standard rate of corporation tax in the UK for the year ended 31 January 2016 of 20.16% (2015: 21.32%). The differences are explained below:

	Year ended 31 January 2016	Year ended 1 February 2015
	£'000	£'000
<b>Profit on ordinary activities before taxation</b>	<b>564</b>	<b>466</b>
Profit on ordinary activities multiplied by standard rate of tax in the UK of 20.16% (2015: 21.32%)	<b>114</b>	<b>99</b>
Effects of:		
Adjustments in respect of prior years	<b>1</b>	<b>(17)</b>
Expenses not deductible for tax purposes	<b>16</b>	<b>185</b>
Income not subject to tax	<b>(27)</b>	<b>-</b>
Tax rate changes	<b>134</b>	<b>-</b>
Amounts not previously recognised in relation to capital allowances and tax losses	<b>(1,157)</b>	<b>(492)</b>
<b>Tax credit for the year</b>	<b>(919)</b>	<b>(225)</b>

The corporation tax rate was been reduced from 21% for the year ended 31 March 2015 to 20% for the year ended 31 March 2016. A hybrid rate of current tax of 20.16% applies during the year ended 31 January 2016.

Deferred tax assets and liabilities are measured at tax rates that are enacted or substantively enacted at the Statement of financial position date. Accordingly, the reduction to 20% has been reflected in these financial statements when measuring deferred tax assets (note 8).

A change to the UK corporation tax rate was announced in the Chancellors Budget on 16 March 2016. The change announced it is to reduce the main rate to 17% from 1 April 2020. Changes to reduce the UK corporation tax rate to 19% from 1 April 2017 and to 18% from 1 April 2020 had already been substantially enacted on 26 October 2015.

As the change to 17% had not been substantially enacted at the Statement of financial position date, its effects are not included in these financial statements.

<b>Year ended 1 February 2015</b>			
At 3 February 2014	-	-	-
Credit to the income statement	-	208	208
At 1 February 2015	-	208	208
<b>Year ended 31 January 2016</b>			
At 2 February 2015	-	208	208
Credit to the income statement	653	267	920
<b>At 31 January 2016</b>	<b>653</b>	<b>475</b>	<b>1,128</b>

#### Unrecognised deferred tax assets

The company recognised all deferred tax assets in the current year. In prior years, deferred tax assets had not been recognised on the basis that the company had been historically loss-making and hence did not deem that there would be future profits on which to recognise any deferred taxes. However, the company has made profit in the last three financial periods since being acquired by PVH (refer to details in note 16). Since the acquisition the company is now under PVH Europe's transfer pricing arrangement, which will ensure future profits. As such, deferred tax assets have been fully recognised for the first time this year.

# Calvin Klein Stores UK Limited

## Notes to the financial statements for the year ended 31 January 2016 (continued)

### 14. Capital and other commitments

At 31 January 2016, the company had no capital commitments (2015: nil).

The company had the following future minimum lease payments under non-cancellable operating leases for each of the following periods:

	31 January 2016	1 February 2015
	Land and buildings	Land and buildings
	£'000	£'000 (restated)
No later than one year	4,225	3,469
Later than one year and not later than five years	9,878	10,273
Later than five years	1,080	1,777
	15,183	15,519

One property was sub-let during the year. At the Statement of financial position date the net commitment on this property is £17,000 no later than one year (2015: £nil), £53,000 later than one year and not later than five years (2015: £nil), and £nil later than five years (2015: £nil).

### 15. Provisions for liabilities

A number of the company's former employees are members of the Warners (UK) Limited Pension Scheme. The Scheme is a defined benefit plan providing benefits that are linked to salary near retirement or earlier date of leaving service. The Scheme was closed to new entrants and to future accrual of benefits as at 31 December 2010. An actuarial valuation of the Scheme was carried out by a qualified independent actuary as at 31 January 2016 for the purposes of IAS 19R.

Contributions to the defined benefit pension scheme are made to a pension trust whose assets are held in a separate trustee administered fund. The contributions to the scheme are determined by a qualified actuary using the projected unit method.

The pension charge in the year in respect of defined contribution pension scheme was £31,000 (2015: £28,000).

The scheme does not invest in the sponsor's own financial instruments, including property or other assets owned by the sponsor.

The company has not complied in full with the disclosure requirements of IAS 19R on the grounds of materiality.

### 16. Controlling parties

The directors regard PVH Corp, a company incorporated in the United States of America, as the ultimate parent undertaking and the ultimate controlling party.

Calvin Klein Europe BV is the immediate parent undertaking and parent undertaking of the smallest group of which the company is a member and for which group financial statements are drawn up. Copies of the financial statements are available from Stadhouderskade 6, 1054 ES, Amsterdam, The Netherlands.

PVH Corp, a company incorporated in the United States of America, is the parent undertaking of the largest group of which the company is a member and for which group financial statements are drawn up. Copies of the financial statements are available from 200 Madison Avenue, New York, NY 10016-3903, USA.

There were a number of inter-company trading transactions during the year in connection with purchase of trading inventories by Calvin Klein Stores UK Limited from Calvin Klein Europe BV.
