1 ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008)

Turnover

The turnover shown in the profit and loss account represents amounts invoiced during the year exclusive of Value Added Tax

In respect of long term contracts and contracts for on going services turnover represents the value of work done in the year including estimates of amounts not invoiced Turnover in respect of long term contracts and contracts for on going services is recognised by reference to the stage of completion

Fixed assets

All fixed assets are initially recorded at cost

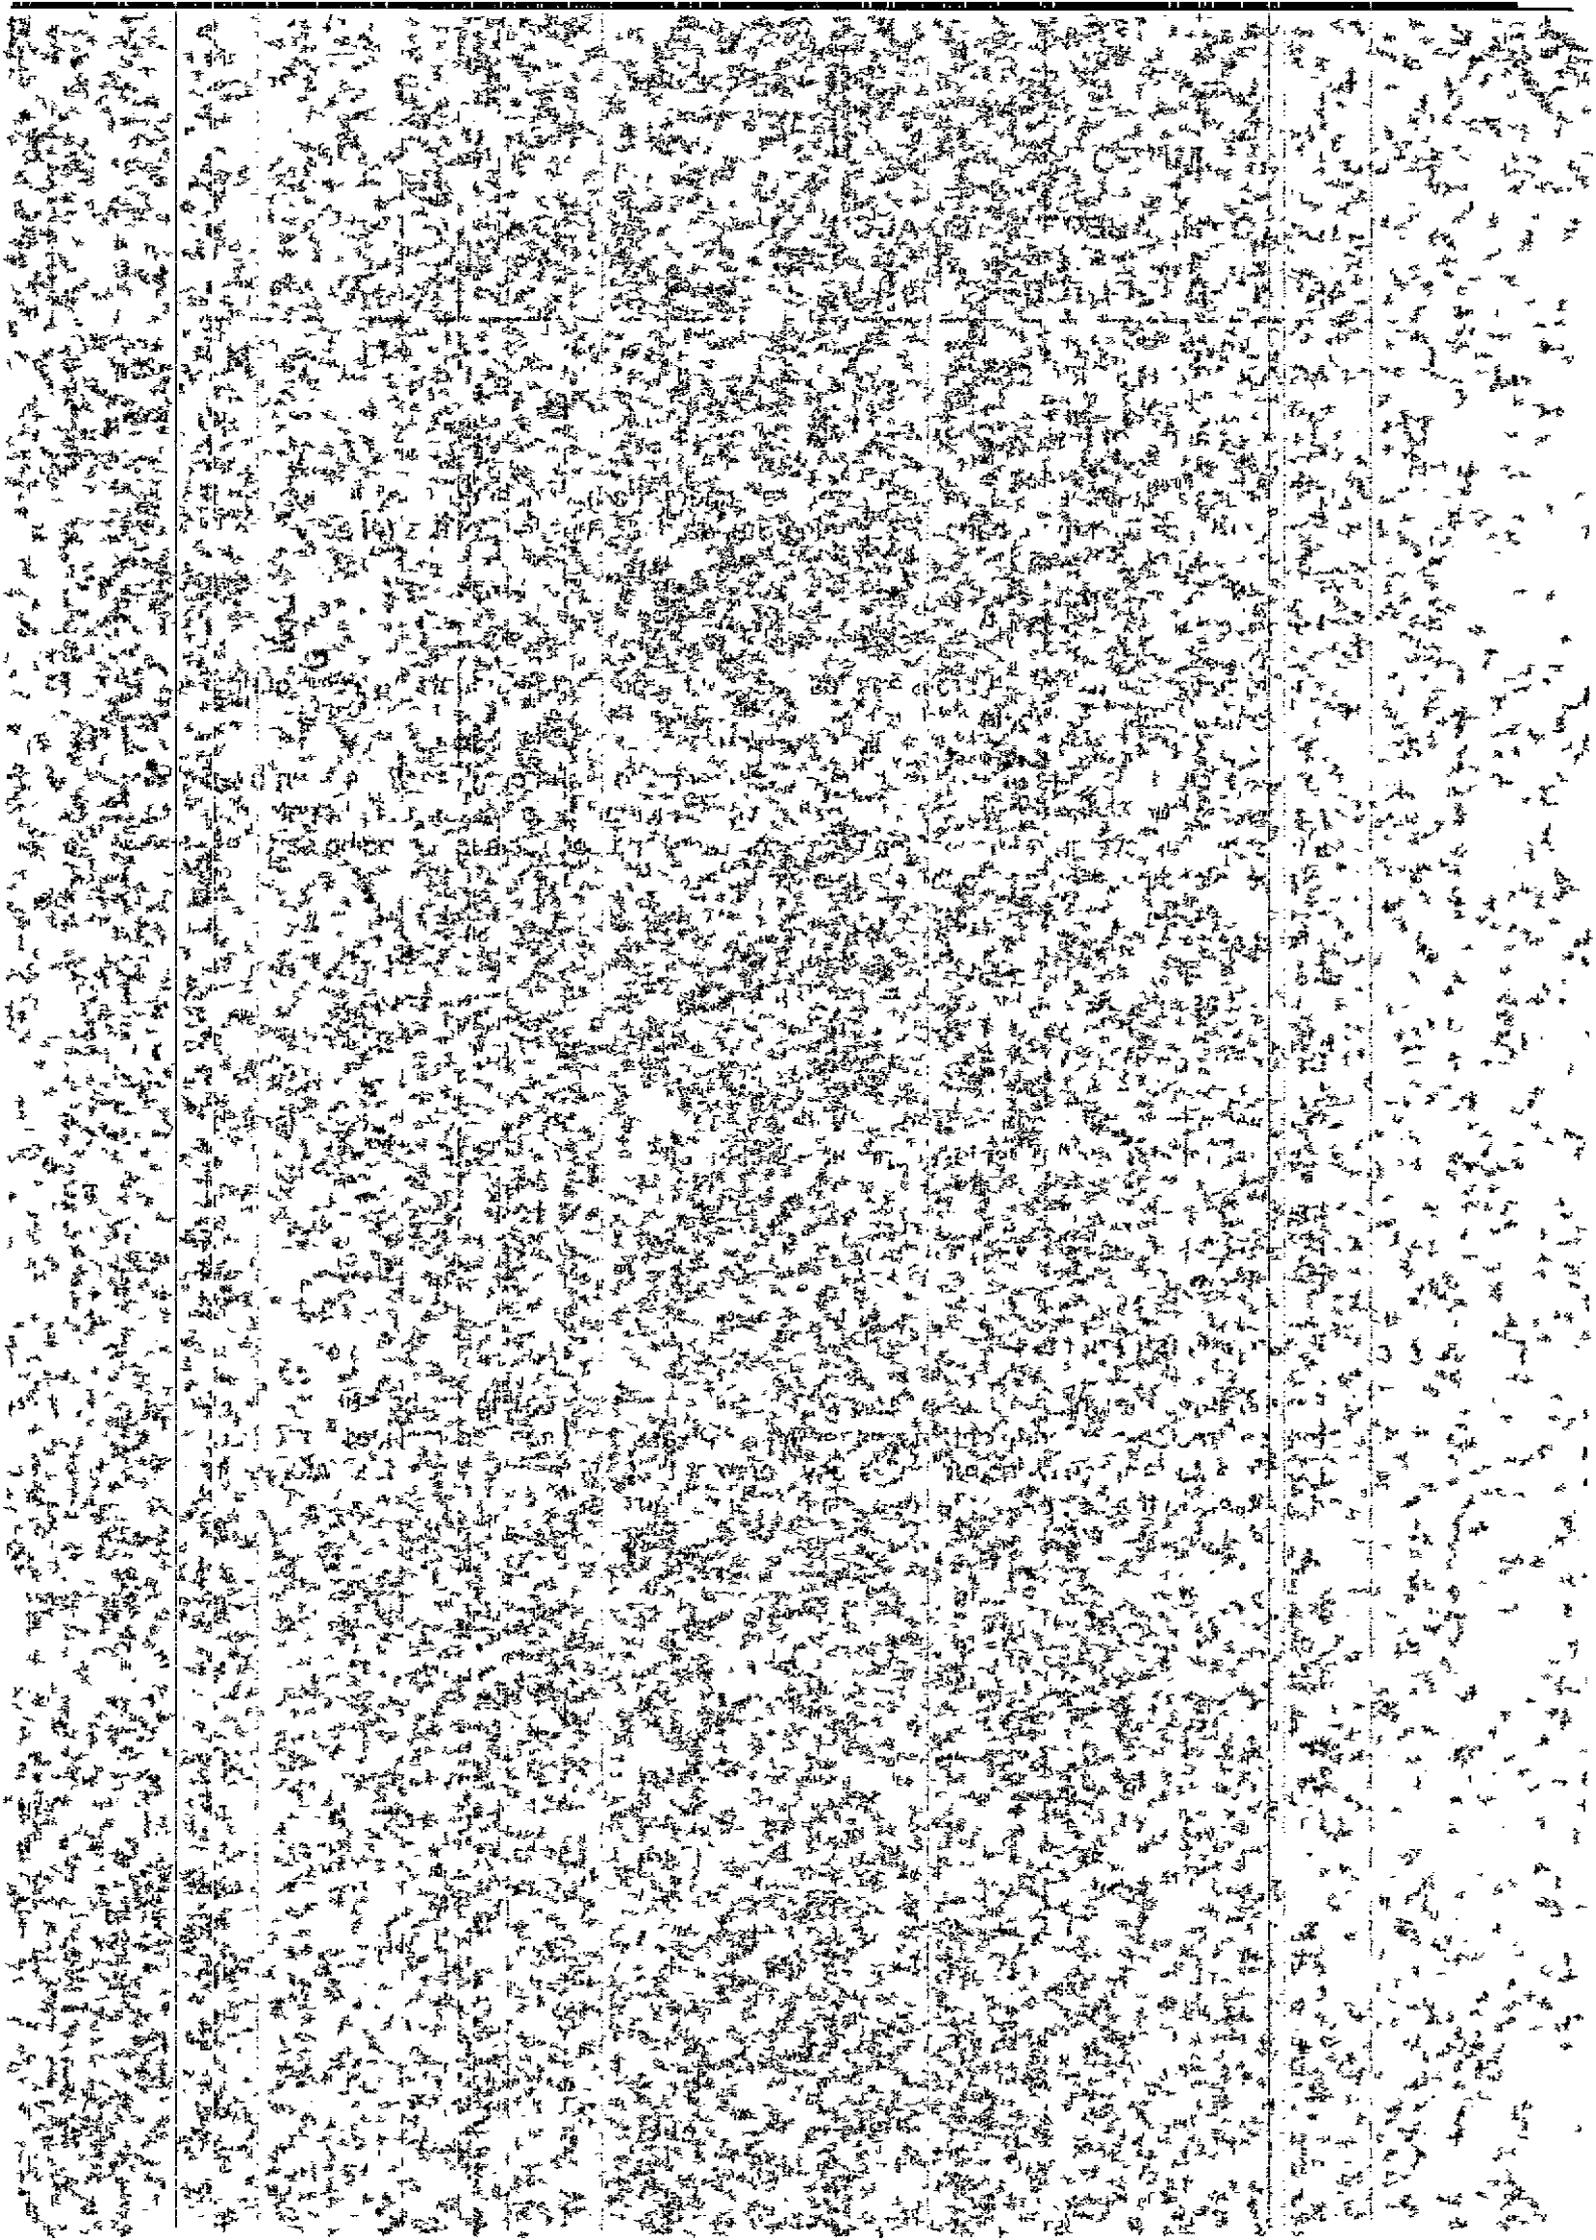

Depreciation

Depreciation is calculated so as to write off the cost of an asset less its estimated residual value over the useful economic life of that asset as follows

Plant & Machinery	five years
Fixtures & Fittings	ten years
Equipment	five years

Financial instruments

Financial instruments are classified and accounted for according to the substance of the contractual arrangement as either financial assets financial liabilities or equity instruments An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities
