Notes to the Abbreviated Accounts for the period ended 28 February 2016**1 Accounting Policies****Basis of measurement and preparation of accounts**

The financial statements have been prepared under the historical cost convention, and in accordance with applicable UK accounting standards.

The financial statements have been prepared under the historical cost convention, and on the going concern basis which assumes that the company will continue in operational existence for the foreseeable future.

The validity of the going concern assumption depends on the continuing support of the company's shareholder and bankers.

The bankers are happy to continue to provide facilities to the company. The company's shareholder has also confirmed his intention to continue to provide financial support to enable it to discharge its liabilities in the foreseeable future and in particular for at least the next twelve months. On this basis, the directors consider it appropriate to prepare the financial statements on a going concern basis.

The financial statements do not contain any adjustments that would result from a withdrawal of facilities by the company's bankers or of the shareholder's financial support.

Tangible assets depreciation policy

Fixed assets

All fixed assets are initially recorded at cost.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Motor Vehicles - 25% reducing balance

Equipment - 25% reducing balance
