Belfast Cardiac CT Training Fund

Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 28 February 2021.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with The Charities Act (Northern Ireland) 2008.

Structure, Governance and Management

The management Committee who served during the year and up to the date of this report are set out on page 1.

The management committee are appointed at the annual general meeting.

The management committee have assessed the major risks to which the Charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Public Benefit

The Charity's objectives are to provide Cardiac CT training courses. Any profit from these courses will go directly into training for staff within the departments of Radiology and Cardiology within the South Eastern Trust.

The trustees confirm that they have complied with the requirements of the Charities Act (Northern Ireland) 2008 and the Charities (Accounts and Reports) Regulations (Northern Ireland) 2015.

Achievement and performance

Financial Review

The management Committee are satisfied with the financial results of the year.

The annual report was approved by the trustees of the charity on 30 November 2021 and signed on its behalf by:

Trustees' Report

Statement of Trustees' Responsibilities

The trustees (who are also the directors of Belfast Cardiac CT Training Fund for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the Financial Reporting Standard applicable to the UK and Republic of Ireland (FRS102) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP (2015, FRS102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The annual report was approved by the trustees of the charity on 30 November 2021 and signed on its behalf by:

Independent Examiner's Report to the trustees of Belfast Cardiac CT Training Fund

I report to the charity trustees on my examination of the accounts of the Company for the year ended 28 February 2021 are set out on pages 6 to 12.

Responsibilities and basis of report

As the charity's trustees of Belfast Cardiac CT Training Fund (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of Belfast Cardiac CT Training Fund are not subject to audit under company law, and are eligible for independent examination, it is my responsibility to:

- examine the accounts under section 65 of the Charities Act
- follow the procedures laid down in the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act
- state whether particular matters have come to my attention

Basis of independent examiners report

I have examined your charity accounts as required under section 65 of the Charities Act and my examination was carried out in accordance with the general Directions given by the Charity Commission for Northern Ireland under section 65(9)(b) of the Charities Act. The examination included a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as charity trustees concerning any such matters.

My role is to state whether any material matters have come to my attention giving me cause to believe:

1. That accounting records were not kept in accordance with section 386 of the Companies Act 2006
2. That the accounts do not accord with those accounting records.
3. That the accounts do not comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Charities Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland
4. That there is further information needed for a proper understanding of the accounts to be reached

Belfast Cardiac CT Training Fund

Independent Examiner's Report to the trustees of Belfast Cardiac CT Training Fund

Independent examiners statement

I have completed my examination and have no concerns in respect of the matters (1) to (4) listed above and, in connection with following the Directions of the Charity Commission for Northern Ireland, I have found no matters that require drawing to your attention.

For the financial year ending 28 February 2021 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

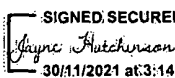

Directors' responsibilities:

- The members have not required the charity to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

The financial statements on pages 6 to 12 were approved by the trustees, and authorised for issue on 30 November 2021 and signed on their behalf by:

Belfast Cardiac CT Training Fund

Notes to the Financial Statements for the Year Ended 28 February 2021

1 Charity status

The charity is a charity limited by guarantee and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

The address of its registered office is:

Dept of Radiology

Ulster Hospital

Upper Newtownards Road

Donnald

BT16 1RH

These financial statements were authorised for issue by the trustees on 30 November 2021.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006 and Charities Act 2011.

Basis of preparation

Belfast Cardiac CT Training Fund meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Belfast Cardiac CT Training Fund

Notes to the Financial Statements for the Year Ended 28 February 2021

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Belfast Cardiac CT Training Fund

Notes to the Financial Statements for the Year Ended 28 February 2021

Foreign exchange

Transactions in foreign currencies are recorded at the rate of exchange at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are reported at the rates of exchange prevailing at that date.

The results of overseas operations are translated at the average rates of exchange during the period and their balance sheets at the rates ruling at the balance sheet date. Exchange differences arising on translation of the opening net assets and results of overseas operations are reported in other comprehensive income and accumulated in equity (attributed to non-controlling interests as appropriate).

Other exchange differences are recognised in the Statement of Financial Activities in the period in which they arise except for:

- 1) exchange differences on transactions entered into to hedge certain foreign currency risks (see above);
- 2) exchange differences arising on gains or losses on non-monetary items which are recognised in other comprehensive income; and
- 3) in the case of the consolidated financial statements, exchange differences on monetary items receivable from or payable to a foreign operation for which settlement is neither planned nor likely to occur (therefore forming part of the net investment in the foreign operation), which are recognised in other comprehensive income and reported under equity.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.
