Register Of Members

In addition to the Designated Members there are 287 members of the LLP. A register of members is maintained by the Designated Members. No member holds more than a 5.29% share of the LLP.

Subscription Of Capital

All members have contributed to the capital of the LLP, with the exception of the Designated Members, Globe Films Management (CI) Limited and Scion Films Management (S&L) Limited, who shall not be required to contribute to the capital of the LLP.

Statement Of Members' Responsibilities In Respect Of The Financial Statements

The Designated Members are responsible for preparing the Members' Report and the financial statements in accordance with applicable law and regulations.

Scion Films Sale and Leaseback Sixth Limited Liability Partnership

MEMBERS' REPORT CONTINUED

Year ended 5 April 2022

The Members Agreement requires the members to prepare financial statements for each financial year in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) which give a true and fair view of the state of affairs of the partnership and of its results for that financial year. In accordance with the Members Agreement this responsibility is delegated to the Designated Members.

In preparing the financial statements the Designated Members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the LLP will continue in business.

The Designated Members are responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the LLP and enable them to ensure that the financial statements comply with the Companies Act 2006 as modified by the Companies and Limited Liability Partnerships (Accounts and Audit Exemptions and Change of Accounting Framework) Regulations 2012. The Designated Members are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Audit Exemption Statement

In accordance with the Members Agreement, it is not necessary for the accounts of the LLP to be audited.

In accordance with United Kingdom Accounting Standards and the requirements of the Limited Liability Partnership Act 2000 as modified by the Companies Act 2006, the LLP qualifies as a small limited liability partnership and, as such, would not require an audit. The Designated Members have made the decision not to perform an audit on this basis.

This report was approved by the Designated Members and signed for and on its behalf by:

NOTES TO THE ACCOUNTS

Year ended 5 April 2022

1 Statutory Information

Scion Films Sale and Leaseback Sixth Limited Liability Partnership is a UK Limited Liability Partnership with registration no: OC301429. The registered office is: 3rd Floor, 47 Beak Street, London W1F 9SE.

2 Principal Activities

The principal activity of the LLP is the purchase and lease of films and their exploitation by way of leasing.

3 Compliance With Accounting Standards

The financial statements have been prepared in accordance with the accounting policies of the LLP as adopted by the Designated Members pursuant to the Members Agreement under the historical cost convention as modified for the FRS 102 Section 1A (for smaller entities).

The preparation of financial statements requires the use of certain accounting estimates. It also requires the Designated Members to exercise their judgement in the process of applying the accounting policies. Changes in assumptions may have significant impact upon the financial statements in the period in which the assumptions changed. The Designated Members believe that the underlying assumptions are appropriate and that the financial statements therefore present the financial position and results in a true and fair manner.

4 Accounting Policies

The principal accounting policies adopted in the preparation of the financial statements are set out below and have remained unchanged from the previous year, and also have been consistently applied within the same accounts.

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets.

The presentation currency is £ sterling. Monetary amounts in these financial statements are rounded to the nearest £.

Income

The income has been brought to account on a receivable basis.

Expenses

The expenses have been brought to account on an accruals basis.

NOTES TO THE ACCOUNTS

Year ended 5 April 2022

Fixed Assets

The fixed assets of the LLP constitute long term lease receivables from the purchase and lease of film productions.

The leases are treated as finance leases. The capital elements of the future lease receipts are recorded as assets and the interest elements are recognised as income in the profit and loss account over the period of the leases to provide a constant rate of return on the balance of the capitalised receipts remaining.

Taxation

No taxation charges or benefits are reflected in these financial statements.

Going Concern

FRS 102 requires that the Directors of the Designated Members assess the going concern status of the LLP on a regular basis.

At the time of approving the financial statements the directors of the Designated Members have a reasonable expectation that the LLP has adequate resources to continue in operational existence for the foreseeable future. Thus the Designated Members continue to adopt the going concern basis of accounting in preparing the financial statements.

Financial Instruments

The LLP has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the LLP's balance sheet when the LLP becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic Financial Assets

Basic financial assets, which include trade and other debtors, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

NOTES TO THE ACCOUNTS

Year ended 5 April 2022

Impairment Of Financial Assets

Financial assets, other than those held at fair value through profit and loss, are assessed for indicators of impairment at each reporting end date.

Financial assets are impaired where there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows have been affected. If an asset is impaired, the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in profit or loss.

If there is a decrease in the impairment loss arising from an event occurring after the impairment was recognised, the impairment is reversed. The reversal is such that the current carrying amount does not exceed what the carrying amount would have been, had the impairment not previously been recognised. The impairment reversal is recognised in profit or loss.

Derecognition Of Financial Assets

Financial assets are derecognised only when the contractual rights to the cash flows from the asset expire or are settled, or when the LLP transfers the financial asset and substantially all the risks and rewards of ownership to another entity, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party.

Classification Of Financial Liabilities

Financial liabilities are classified according to the substance of the contractual arrangements entered into.

Basic financial liabilities, including trade and other creditors, bank loans and loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as 'creditors: amounts falling due within one year' if payment is due within one year or less. If not, they are presented as 'creditors: amounts falling due after more than one year'. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

NOTES TO THE ACCOUNTS

Year ended 5 April 2022

Other Financial Liabilities

Other financial liabilities, including debt instruments that do not meet the definition of a basic financial instrument, are measured at fair value through profit or loss.

Derecognition Of Financial Liabilities

Financial liabilities are derecognised when the LLP's contractual obligations expire or are discharged or cancelled.

5 Financial Assets

The Financial Assets of the LLP are Lease Receivables.
