The financial statements have been prepared in accordance with the provisions applicable to entities subject to the small LLPs regime.

The entity was entitled to exemption from audit under section 477 of the Companies Act 2006, as applied by The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008.

# ABODE ARCHITECTS LLP Registered number: OC307236

# STATEMENT OF FINANCIAL POSITION (CONTINUED) As at 31 March 2018

The members acknowledge their responsibilities for complying with the requirements of the Companies Act 2006, as applied by The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008, with respect to accounting records and the preparation of financial statements.

The financial statements have been delivered in accordance with the provisions applicable to LLPs subject to the small LLPs regime.

The entity has opted not to file the statement of comprehensive income in accordance with the provisions applicable to entities subject to the small LLPs regime.

The financial statements were approved and authorised for issue by the members and were signed on their behalf by:

Mrs R A Tomkins

Designated member

Date: 18/09/2018

The notes on pages 3 to 8 form part of these financial statements.

# NOTES TO THE FINANCIAL STATEMENTS For the Year Ended 31 March 2018

#### 1. General information

Abode Architects LLP, OC307236, is a Limited Liability Partnership. It is incorporated in England & Wales. The registered office address is The Forge, 5 Upper Church Lane, Farnham, Surrey, GU9 7PW.

#### 2. Accounting policies

#### 2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006 and the requirements of the Statement of Recommended Practice "Accounting by Limited Liability Partnerships".

The following principal accounting policies have been applied:

#### 2.2 Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the LLP and the revenue can be reliably measured. Revenue is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes. The following criteria must also be met before revenue is recognised:

## Rendering of services

Revenue from a contract to provide services is recognised in the period in which the services are provided in accordance with the stage of completion of the contract when all of the following conditions are satisfied:

- the amount of revenue can be measured reliably;
- it is probable that the LLP will receive the consideration due under the contract;
- the stage of completion of the contract at the end of the reporting period can be measured reliably; and
- the costs incurred and the costs to complete the contract can be measured reliably.

#### 2.3 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

# NOTES TO THE FINANCIAL STATEMENTS For the Year Ended 31 March 2018

#### 2. Accounting policies (continued)

#### 2.3 Tangible fixed assets (continued)

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

L/Term Leasehold Property - 10% straight line
Plant and machinery - 33% straight line
Fixtures and fittings - 33% straight line
Office equipment - 33% straight line

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Statement of comprehensive income.

#### 2.4 Work in progress

Work in progress is valued at the lower of cost and net realisable value, being the estimated selling price less costs to complete and sell. Work in progress includes all direct costs and an appropriate proportion of fixed and variable overheads.

#### 2.5 Debtors

Short term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

#### 2.6 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

#### 2.7 Financial instruments

The LLP only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in non-puttable ordinary shares.

#### 2.8 Creditors

Short term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

### NOTES TO THE FINANCIAL STATEMENTS For the Year Ended 31 March 2018

## 2. Accounting policies (continued)

#### 2.9 Finance costs

Finance costs are charged to the Statement of comprehensive income over the term of the debt using the effective interest method so that the amount charged is at a constant rate on the carrying amount. Issue costs are initially recognised as a reduction in the proceeds of the associated capital instrument.

### 2.10 Interest income

Interest income is recognised in the Statement of comprehensive income using the effective interest method.

#### 2.11 Borrowing costs

All borrowing costs are recognised in the Statement of comprehensive income in the year in which they are incurred.

#### 3. Employees

Staff costs were as follows:

The average monthly number of employees, including directors, during the year was 3 (2017 - 3).
