MEMBERS' REPORT YEAR ENDED 5 APRIL 2016

The members present the annual report on the affairs of Clyde Films LLP ("the Partnership"), together with the financial statements for the year ended 5 April 2016.

Principal activities

The Partnership was formed in order to develop commercial film opportunities through a combination of sale and leaseback transactions and film development projects.

Business review and future outlook

The Partnership will continue to consider opportunities to acquire film rights and other lease opportunities. Due to the phasing out of the film reliefs that supported sale and leaseback and the introduction of a new regime under which film production companies are entitled to claim tax credits, there will be fewer opportunities available.

Going concern

After making enquiries, the members have a reasonable expectation that the Partnership has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

Further details regarding the adoption of the going concern basis can be found in Note 1 to the financial statements.

Overseas branches

There are no overseas branches of the Partnership.

Policy regarding members' drawings and capital

The Designated Members serving during the year were Fleet Film Partners 1 Limited and Fleet Film Partners 2 Limited ("the Designated Members").

The Designated Members are not entitled to drawings in relation to the Original Film investments. In accordance with the Amended and Restated Members' Agreement, no ordinary member shall be entitled to make drawings on account of profits to which they are entitled, unless unanimously agreed by the ordinary members, or unless permitted under that Agreement.

The Designated Members are entitled to drawings in relation to New Film investments and all Reinvestment Films. In accordance with the Amended and Restated Members' Agreement, Designated Members and the ordinary members shall be entitled to make drawings on account of profits to which they are entitled jointly in the Partnership Proportions under that Agreement.

There were no transfers of members' capital to debt during the year. The operating cash requirements of the Partnership shall ordinarily be met out of the members' initial and additional contributions. No member shall be required to make further funding available after their admission as a member.

MEMBERS' REPORT (CONTINUED)
YEAR ENDED 5 APRIL 2016

Statement of members' responsibilities

Under the Members' Agreement, the Partnership is obliged to produce financial statements on an annual basis. The Designated Members are responsible for preparing the financial statements in accordance with applicable law and regulations.

The Companies Act 2006 as applied to Limited Liability Partnerships by the Limited Liability Partnerships (Accounts & Audit) (Application of Companies Act 2006) Regulations 2008 require the members to prepare financial statements for each financial year.

Under that law the members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the Partnership and of the profit or loss for that year. In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the Partnership will continue in business.

The members are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Partnership and enable them to ensure that the financial statements comply with the Companies Act 2006, as applicable to limited liability partnerships. They are also responsible for safeguarding the assets of the Partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The operator of the Partnership is Ingenious Media Investments Limited ("the Operator").

The members are responsible for ensuring the integrity of the corporate and financial information included on the Operator's website and for ensuring that the information is maintained. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

These responsibilities are exercised by the Designated Members on behalf of the Partnership.

Small companies provisions

This report has been prepared in accordance with the provisions applicable to entities entitled to the small companies exemption. This is in accordance with Part 15 of the Companies Act 2006, as applicable to limited liability partnerships. The Partnership has taken advantage of the exemption for the requirement to disclose an enhanced business review and to prepare a strategic report in accordance with section 414B of the Companies Act 2006.

**NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 5 APRIL 2016**

1. ACCOUNTING POLICIES

The Partnership was incorporated in England and Wales as a limited liability partnership under the Limited Liability Partnerships Act 2000.

These financial statements are prepared under the historical cost convention, in accordance with applicable United Kingdom Accounting Standards in compliance with the Statement of Recommended Practice on Accounting for Limited Liability Partnerships. The particular accounting policies adopted, which have been applied consistently throughout the current and preceding year, are described below:

Turnover

Turnover, excluding VAT, is recognised on the following basis:

(i) Finance lease income

The recognition of finance lease income is calculated to reflect a constant periodic rate of return on the net cash investment in the lease.

(ii) Operating lease income

Operating lease income is determined by the commercial success of the film and recognised when received.

(iii) Participation in film net revenues

The Partnership's participation in film net revenues in excess of net investment in film finance leases, development and production expenditure, is recognised in turnover when notified by the relevant collection agent.

The members do not consider any one part of the worldwide market to be significantly different from any other.

Film finance leases

In accordance with SSAP 21 'Accounting for leases and hire purchase contracts', the amount due from the lessee under finance leases is recorded in the balance sheet of the Partnership as a debtor at the amount of the net investment in the lease, less provision for any items such as bad and doubtful rentals receivable.

Rentals received in advance

When lease rentals are received in advance of the period to which they relate, the amounts are recorded as rentals received in advance and included as creditors due within one year.

Film operating leases

Assets leased under operating leases have been recorded as fixed assets and depreciated on a straight-line basis at 20% p.a. Rental income is recognised when received.

Going concern

Under the terms of its sale and leaseback agreements the Partnership has contracted revenues and cash flows for the next 6 years. The Partnership is in a net assets position. Accordingly, the members believe that the Partnership will be able to maintain positive cash flows for the foreseeable future. As a result the going concern basis of accounting has been adopted.

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)
YEAR ENDED 5 APRIL 2016

1. ACCOUNTING POLICIES (CONTINUED)

Cash flow statement

The financial statements do not include a cash flow statement as the Partnership is exempt from the requirement to prepare such a statement under Paragraph 5(g) Financial Reporting Standard 1 (Revised) 'Cash Flow Statements'.

Taxation

No current or deferred taxation is provided in the financial statements as the liability for taxation falls on the individual members.

2. TURNOVER

Finance lease turnover represents finance lease income calculated to reflect a consistent periodic rate of return on the net cash investment in the lease plus any participation in net film revenues receivable in excess of the net investment made. Operating lease turnover is derived from operating lease charges on a cash received basis.
