### Members' report

### Period ended 30 April 2015

The members present their report and the financial statements of the group for the sixteen month period to 30 April 2015.

#### Principal activities and business review

The principal activities of the group were the provision of accounting, business assurance, business recovery, corporate finance and taxation services in the UK. All of the activities of the LLP are classed as discontinued, following the cessation of the general practice trade on 30 April 2015 and the cessation of the business recovery trade on 31 July 2015.

#### Post balance sheet events

Having exchanged contracts on 2 April 2015, Chantrey Vellacott DFK LLP completed the sale of its general practice business to Moore Stephens LLP on 1 May 2015. Accordingly, the general practice business of Chantrey Vellacott DFK LLP ceased to trade with effect from 30 April 2015. The disposal to Moore Stephens LLP excluded the business recovery division of Chantrey Vellacott DFK LLP, which continued to trade until 31 July 2015, when a management buy-out of that division was concluded.

#### Change of name

On 1 May 2015 Chantrey Vellacott DFK LLP changed its name to CVR Global LLP. On 5 August 2015 the name was changed again from CVR Global LLP to RSH Realisations LLP.

#### Going concern

As a result of the disposals disclosed above, the LLP is effectively in run off from the time of those transactions, with limited transactions occurring thereafter. Consequently the members have not prepared these financial statements on a going concern basis. However, the nature of the agreements entered into means that certain costs post year end are covered and therefore the members do not consider there to be any items that could give rise to a concern. Accordingly, these financial statements do not include any adjustments resulting from the application of the non going concern basis.

#### **Designated members**

The designated members during the period ended 30 April 2015 were as follows:

I C Blackman M R Hewitt - Boorman A K Syrocki M J Tovey

M E Lamb ceased to be a designated member on 26 June 2014.

#### Members' drawings and the subscription and repayment of members' capital

The LLP operates a drawings policy on account of current year results, which has regard to estimated budgeted profits and restricts drawings to prudent levels until the results for the year and individual members allocations have been determined. Drawings in respect of prior year allocations are available to members subject to sufficient cash being available to meet the LLP's business needs.

Members' capital requirements are determined from time to time having regard to the requirements of the LLP. Subject to exceptional circumstances, members' capital is only repayable following retirement.

### Statement of members' responsibilities

The members are responsible for preparing the report to the members and the financial statements in accordance with applicable law and regulations.

The Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008 (the 2008 Regulations) require the members to prepare financial statements for each financial year. Under the law the members have elected to prepare financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The financial statements are required by law to give a true and fair view of the state of affairs of the LLP and of the profit or loss of the LLP for that period. In preparing these financial statements, the members are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the LLP will continue in business.

The members are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the LLP and enable them to ensure that the financial statements comply with the 2008 Regulations. They are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The members are responsible for the maintenance and integrity of the corporate and financial information included on the LLP's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

# Members' report (continued)

# Period ended 30 April 2015

### The members confirm that:

- so far as each member is aware, there is no relevant audit information of which the LLP's auditor is unaware; and
- the members have taken all the steps that they ought to have taken as members in order to make themselves aware of any relevant audit information and to establish that the auditors are aware of that information.

## Auditor

The independent auditor of RSH Realisations LLP is Grant Thornton UK LLP.

Signed on behalf of the members

I C Blackman Designated Member

Approved by the members on 30 March 2016

#### Independent auditor's report to the members of RSH Realisations LLP

We have audited the financial statements of RSH Realisations LLP for the period ended 30 April 2015 which comprise the consolidated profit and loss account, the balance sheets, the consolidated cash flow statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, as applied to limited liability partnerships by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008. Our audit work has been undertaken so that we might state to the members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the partnership and members as a body, for our audit work, for this report, or for the opinions we have formed.

#### Respective responsibilities of members and auditor

As explained more fully in the statement of members' responsibilities set out on page 2, the members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

#### Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council's website at www.frc.org.uk/apb/scope/private.cfm.

### Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of affairs of the limited liability partnership and the group as at 30 April 2015 and of the results for the group for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 as applied to limited liability partnerships by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008.

### Emphasis of matter - basis of preparation of the financial statements

In forming our opinion on the financial statements, which is not modified, we have considered the adequacy of the disclosure made in note 1 to the financial statements concerning the basis of preparation of the financial statements.

As a result of the disposals disclosed in note 26, the LLP is effectively in run off from the time of those transactions. Consequently the members have not prepared these financial statements on a going concern basis. However, the nature of the agreements entered into means that certain costs post year end are covered and therefore the members do not consider there to be any items that could give rise to a concern. Accordingly, these financial statements do not include any adjustments resulting from the application of the non going concern basis.

## Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 as applied to limited liability partnerships requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or

\_ UL L

we have not received all the information and explanations we require for our audit.

### Notes to the financial statements

## Period ended 30 April 2015

#### 1 Accounting policies

#### Basis of preparation

The annual report and financial statements for the year ended 30 April 2015 have been prepared in accordance with the Companies Act 2006 (as applied by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008), the Accounting by Limited Liability Partnerships Statement of Recommended Practice (issued 2006) ("SORP"), applicable accounting standards, and under the historical cost convention.

The principal accounting policies have remained unchanged from the previous year and are set out below.

As a result of the disposals disclosed in note 26, the LLP is effectively in run off from the time of those transactions, with limited transactions occurring thereafter. Consequently the members have not prepared these financial statements on a going concern basis. However, the nature of the agreements entered into means that certain costs post year end are covered and therefore the members do not consider there to be any items that could give rise to a concern. Accordingly, these financial statements do not include any adjustments resulting from the application of the non going concern basis.

#### **Basis of consolidation**

The financial statements consolidate the results of RSH Realisations LLP (formerly Chantrey Vellacott DFK LLP) and its subsidiary undertakings, Russell Square House LLP (formerly CV Capital LLP), Russell Square House TV Limited (formerly CV Thames Valley Limited) and Russell Square House No.1 Limited (formerly Chantrey Vellacott Limited).

The financial statements do not consolidate the other dormant subsidiary undertakings, as they are not material.

As permitted by section 408 of the Companies Act 2006, no separate profit and loss account is presented for the limited liability partnership.

### Revenue recognition

Revenue is recognised as contract activity progresses under contractual obligations which are performed gradually over time. Incomplete contracts at the balance sheet date are valued with reference to the value of the work performed and are described in the financial statements as accrued income.

If at the balance sheet date the completion of contractual obligations is dependent on external factors (and thus outside the control of the LLP), then revenue is typically recognised when the contingent events occurs. However, following the sale of the general practice business to Moore Stephens LLP and the business recovery practice to CVR Global LLP, the value of accrued income has been based on amounts recoverable from those entities for the work performed to the balance sheet date.

## Work in progress

Work in progress is valued at the lower of cost and net realisable value. Cost comprises the time cost of staff and members, direct expenses, and an appropriate proportion of overheads.

### Goodwill

Purchased goodwill, including legal and professional fees paid in connection with acquisitions, is stated at cost and is amortised over its useful economic life, not exceeding ten years. The carrying value is reviewed for impairment if events or changes in circumstances indicate that the carrying value may not be recovered in line with FRS 11, Impairment of fixed assets and goodwill.

### **Development costs**

Expenditure on research and development is charged to the profit and loss account in the year in which it is incurred, with the exception of expenditure on the development of major new services and products for the group. Where these are clearly defined projects, the outcome of which are assessed as being commercially viable, such expenditure is capitalised and amortised over a period not exceeding five years, commencing in the year the service becomes fully operational.

### Depreciation of tangible fixed assets

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Leasehold improvements Furniture, fittings and equipment

- over the period of the lease - 10% - 20% of cost per annum

Computer equipment

- 10% - 33<sup>1/3</sup>% of cost per annum

Motor vehicles

- 20% of cost per annum

Assets are reviewed for impairment if events or changes in circumstances indicate that the carrying value may not be recoverable in line with FRS 11, Impairment of fixed assets and goodwill.

### Notes to the financial statements

# Period ended 30 April 2015

### 1 Accounting policies (continued)

#### Investments

Fixed asset investments are valued at cost less any provision for permanent diminution in value.

#### Hire purchase and lease transactions

Assets acquired under hire purchase agreements and finance leases are capitalised in the balance sheet and are depreciated in accordance with the firm's normal policy. The outstanding liabilities under such agreements, less interest not yet due, are included in creditors. Interest on such agreements is charged to the profit and loss account over the term of each agreement and represents a constant proportion of the balance of capital repayments outstanding.

Where assets are sold and leased back, but the substance is that of a financing arrangement, no profit is recognised on entering into the transaction, and no adjustment is made to the carrying value of the assets concerned.

Rentals under operating leases are charged to the profit and loss account as they fall due.

#### Pension costs

The group operates a defined contribution pension scheme. Costs in respect of the scheme are charged to the profit and loss account in the period to which they relate.

#### Foreign currencles

Assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling on the date of the transaction. Exchange differences are dealt with in the profit and loss account.

#### Taxation and deferred tax

Taxation on all the LLP's profits is solely the personal liability of individual members and is not dealt with in these financial statements.

The corporation tax in these financial statements arises from the consolidation of the subsidiary undertaking, Russell Square House TV Limited (formerly CV Thames Valley Limited).

#### **Provisions**

In the normal course of business the LLP may receive claims for alleged professional negligence. The LLP maintains satisfactory professional indemnity insurance and, where appropriate, provision is made for costs arising from such claims, net of the related insurance receivables. The members do not consider it necessary to make any provisions in the financial statements in respect of claims which they believe will not result in a liability.

Provisions are made in respect of dilapidation costs, which arise from the terms of the leases of the LLP's properties, once a decision has been made not to renew a lease.

## Members' remuneration

Members' remuneration charged as an expense in the profit and loss account includes members' remuneration and interest payable to members in accordance with the members' agreement and other contractual entitlements.

### 2 Turnover

Approximately 95% of the turnover for the sixteen month period to 30 April 2015 (12 months to 31 December 2013 - 95%) was generated in the UK.

In 2012, Russell Square House TV Limited (formerly CV Thames Valley Limited) acquired an accountancy practice and an estimate of the cost of goodwill of £1,376,540, based on future anticipated fee levels, was provided for at that time. The final payment for goodwill was paid in February 2015, resulting in total payments for goodwill of £1,207,150. Accordingly, during the period, the cost of goodwill of the group has been reduced by £169,390.

	797,366	1,079,898	786,675	1,062,302	

Following agreement with the landlord of the LLP's principal London office, a rent deposit account was set up with the LLP's bankers. Although the account was held in the joint names of the LLP and the landlord, the balance on the account, which had to be maintained at £746,125, was offset against the LLP's bank overdraft for the purposes of calculating interest payable.

The landlord concerned had a charge over the rent deposit account to ensure the LLP's obligations under the lease were met. The rest deposit and the charge were both released during the period.

#### 22 Pensions

0

The LLP operates a defined contribution pension scheme. Costs in respect of the scheme are charged to the profit and loss account in the period to which they relate.

The LLP's principal pension scheme is a Group Personal Pension Plan provided by Aegon Scottish Equitable. Contributions to the scheme which are charged against profit are based on up to 5% of salaries in respect of eligible employees. The LLP has no other commitment.

The profit and loss charge for pension costs was as follows:

	1 January 2014 to 30 April	1 January 2013 to 31 December		
·	2015		2013	
<u>.</u>	£	.*	£	
ined contribution scheme - employer contributions	793,645		450,088

### 23 Related party transactions

Defir

As permitted by Financial Reporting Standard 8, Related Party Transactions, no disclosure is made of transactions between the LLP and its wholly owned subsidiary undertakings, Russell Square House LLP (formerly CV Capital LLP), Russell Square House TV Limited (formerly CV Thames Valley Limited) and Russell Square House No.1 Limited (formerly Chantrey Vellacott Limited), as those transactions are eliminated in these consolidated accounts.

There are no material transactions between the LLP and its other subsidiary and associated undertakings.

During the period RSH Realisations LLP continued to make available a working capital facility to CV Retail Limited, which is a subsidiary undertaking of Counterbooks Investments LLP (formerly CVR LLP), a number of the members of which are also members of RSH Realisations LLP. Interest is chargeable on the facility at 4% over Bank base rate. At 30 April 2015 RSH Realisations LLP owed CV Retail Limited £4,883 (2013: debtor £92,108), excluding interest.

### 24 Parent undertaking guarantee

RSH Realisations LLP (formerly Chantrey Vellacott DFK LLP) guarantees all the outstanding liabilities to which Russell Square House TV Limited (formerly CV Thames Valley Limited) are subject, as at 30 April 2015, in accordance with section 479C of the Companies Act 2006.

That company has therefore taken advantage of exemption from audit by virtue of section 479A of the Companies Act 2006.

### 25 Contingent liabilities

There were no contingent liabilities as at 30 April 2015 or 31 December 2013.

## 26 Post balance sheet events

Having exchanged contracts on 2 April 2015, Chantrey Vellacott DFK LLP completed the sale of its general practice business to Moore Stephens LLP on 1 May 2015. Accordingly, the general practice business of Chantrey Vellacott DFK LLP ceased to trade with effect from 30 April 2015. The above disposal excluded the business recovery division of Chantrey Vellacott DFK LLP, which continued to trade until 31 July 2015, when a management buy out of that division was concluded.
