MEMBERS' REPORT

Year Ended 5th April 2010

The members present the annual report on the affairs of the Partnership, together with the financial statements and auditors' report, for the year ended 5th April 2010

The report has been prepared taking advantage of the small companies exemption in accordance with Section 415A of the Companies Act 2006

Principal activities

The Partnership was formed in order to develop commercial film opportunities through a combination of sale and leaseback transactions and film development projects

Business review and future outlook

There have been no significant changes during the year

During the year to 5th April 2010 the Partnership did not acquire any further films for sale and leaseback purposes. Details of the films previously acquired are outlined in Note 6

The Partnership will continue to consider opportunities to acquire film rights and other lease opportunities. Due to the phasing out of the film reliefs that supported sale and leaseback and the introduction of the new regime under which film production companies will be entitled to claim tax credits, there will be fewer opportunities available

Going concern

After making enquiries, the members have a reasonable expectation that the Partnership has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements

Further details regarding the adoption of the going concern basis can be found in Note 1 to the financial statements

Overseas branches

There are no overseas branches of the Partnership

MEMBERS' REPORT (CONTINUED)

Policy regarding members' drawings and capital

Designated Members are not entitled to drawings. In accordance with the Members' Agreement, no Ordinary Member shall be entitled to make drawings on account of profits to which they are entitled, unless unanimously agreed by the Ordinary Members, or unless permitted under that Agreement. There were no transfers of members' capital to debt during the year. Members' capital is subscribed in accordance with the current Members' Agreement, and retained by the Partnership until such time as the members agree to repay the capital. The operating cash requirements of the Partnership shall be met out of the members' initial contributions. No member shall be required to make further funding available after his admission as a member.

The Designated Members serving during the year were Fleet Film Partners 1 Limited and Fleet Film Partners 2 Limited.

Statement of members' responsibilities

Under the Members' Agreement, the Partnership is obliged to produce financial statements on an annual basis. The Designated Members are responsible for preparing the financial statements in accordance with applicable law and regulations.

The Limited Liability Partnership (Accounts & Audit) (Application of Companies Act 2006) Regulations 2008 require the members to prepare financial statements for each financial year.

Under that law the members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the Partnership and of the profit or loss for that year. In preparing these financial statements, the members are required to

- select suitable accounting policies and then apply them consistently, and
- make judgements and estimates that are reasonable and prudent.

The members are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Partnership and enable them to ensure that the financial statements comply with the Companies Act 2006, as applicable to limited liability partnerships. They are also responsible for safeguarding the assets of the Partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The members are responsible for the maintenance and integrity of the corporate and financial information included on the Partnership operator's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

These responsibilities are exercised by the Designated Members on behalf of the Partnership.

This report is made solely to the Partnership's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006, as applicable to limited liability partnerships. Our audit work has been undertaken so that we might state to the Partnership's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Partnership and the Partnership's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the members and auditors

As explained more fully in the Members' Responsibilities Statement, the members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether the accounting policies are appropriate to the Partnership's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the members, and the overall presentation of the financial statements.

Opinion on the financial statements

In our opinion the financial statements

- give a true and fair view of the state of the Partnership's affairs as at 5th April 2010 and of its profit for the year then ended,
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, and
- have been prepared in accordance with the requirements of the Companies Act 2006, as applicable to limited liability partnerships.

NOTES TO THE FINANCIAL STATEMENTS

Year Ended 5th April 2010

1. ACCOUNTING POLICIES

The Partnership is incorporated in England and Wales as a limited liability partnership under the Limited Liability Partnerships Act 2000

These financial statements are prepared under the historical cost convention, in accordance with applicable United Kingdom Accounting Standards in compliance with the Statement of Recommended Practice on Accounting for Limited Liability Partnerships. The particular accounting policies adopted, which have been applied consistently throughout the current and preceding year, are described below

Turnover

Turnover, excluding VAT, is recognised on the following basis

(i) Finance lease income

The recognition of finance lease income is calculated to reflect a constant periodic rate of return on the net cash investment in the lease

(ii) Participation in film net revenues

The Partnership's participation in film net revenues in excess of net investment in film finance leases, development and production expenditure, is recognised in turnover when notified by the relevant collection agent

The members do not consider any one part of the worldwide market to be significantly different from any other

Film finance leases

In accordance with SSAP 21 'Leases and Hire Purchase Contracts', the amount due from the lessee under finance leases is recorded in the balance sheet of the Partnership as a debtor at the amount of the net investment in the lease, less provision for any items such as bad and doubtful rentals receivable

Going concern

Under the terms of its sale and leaseback agreements the Partnership has contracted revenues and cash flows for the next 13 years. The Partnership is in a net assets position. Accordingly, the members believe that the Partnership will be able to maintain positive cash flows for the foreseeable future. As a result the going concern basis of accounting has been adopted
