## **TAMAR FILMS LLP**

### **MEMBERS' REPORT YEAR ENDED 5 APRIL 2023**

The members present the annual report on the affairs of Tamar Films LLP ("the Partnership"), together with the financial statements for the year ended 5 April 2023.

#### **Principal activities**

The Partnership commenced its trade in the 2006/07 tax year, at which time the members contributed capital for the purposes of acquiring from, and leasing back to producers (under 15 year finance leases), films certified as "British" in accordance with the Films Act 1985, in exchange for guaranteed rental payments (the "Original Leasing Transactions").

In the 2012/13 tax year, the members contributed additional capital to the Partnership in order to acquire a further film "Life of Pi" (the "Film"), for leasing under an operating lease arrangement (the "Further Leasing Transaction"). Rental payments from the operating lease are not guaranteed and are dependent on the commercial performance of the Film.

The Original Leasing Transactions reached the end of their lease period during the year ending 5 April 2023 and, accordingly, the Partnership no longer receives any guaranteed rental payments. However, as the Partnership undertook the Further Leasing Transaction its leasing activity has continued.

Post year end, the Further Leasing Transaction terminated and proceeds from the transaction were paid to Glasine Limited (a company within the Ingenious corporate group that was the lessor with the US studio involved in the transaction and lessee with the Partnership). Glasine Limited obtained advice that it should not pay the partnership any of the proceeds due to Glasine Limited's insolvent position. Glasine Limited is shortly expected to enter liquidation, or another insolvency process. The Operator of the partnership will then liaise directly with the relevant officeholder with regards to any monies the partnership may be owed. Given the circumstances, the financial accounting for this film transaction is expected to be reflected in the annual report and financial statements for the year ended 5 April 2024. Until this matter is resolved, the partnership is currently unable to proceed with a winding up.

Further details regarding the finance leases and operating leases can be found in Note 1 to the financial statements, whilst the films previously acquired are outlined in Note 5 to the financial statements.

#### **Going concern**

The Partnership is in a net assets position and under the terms of its Original Leasing Transactions the Partnership has no more guaranteed rental payments. The Partnership will monitor the performance of its Further Leasing Transaction and collect future cashflows which may fall due from its exploitation.

The members believe that the Partnership will be able to meet its obligations as they arise and they have a reasonable expectation that the Partnership will continue in operational existence for the foreseeable future.

Further details regarding the adoption of the going concern basis can be found in Note 1 to the financial statements.

#### **Policy regarding members' drawings and capital**

The Designated Members serving during the year were Fleet Film Partners 1 Limited and Fleet Film Partners 2 Limited ("the Designated Members").

The Designated Members are not entitled to drawings in relation to the Original Film investments. In accordance with the Amended and Restated Members' Agreement, no ordinary member shall be entitled to make drawings on account of profits to which they are entitled, unless unanimously agreed by the ordinary members, or unless permitted under that Agreement.

The Designated Members are entitled to drawings in relation to New Film investments and all Reinvestment Films. In accordance with the Amended and Restated Members' Agreement, Designated Members and the ordinary members shall be entitled to make drawings on account of profits to which they are entitled jointly in the Partnership Proportions under that Agreement.

There were no transfers of members' capital to debt during the year. The operating cash requirements of the Partnership shall ordinarily be met out of the members' initial and additional contributions. No member shall be required to make further funding available after their admission as a member.

## TAMAR FILMS LLP

### MEMBERS' REPORT (CONTINUED)

#### Statement of members' responsibilities

Under the Members' Agreement, the Partnership is obliged to produce financial statements on an annual basis. The Designated Members are responsible for preparing the financial statements in accordance with applicable law and regulations.

Legislation applicable to limited liability partnerships ("LLPs") requires the members to prepare financial statements for each financial year. Under that law the members have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under Partnership law, as applied to LLPs, the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Partnership and of the profit or loss of the Partnership for that year. In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis, unless it is inappropriate to presume that the Partnership will continue in business.

The members are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Partnership and enable them to ensure that the financial statements comply with the Companies Act 2006, as applicable to LLPs. They are also responsible for safeguarding the assets of the Partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The operator of the Partnership is Goldwoodshire Limited ("the Operator").

The members are responsible for ensuring the integrity of the corporate and financial information included on the Operator's website and for ensuring that the information is maintained. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

These responsibilities are exercised by the Designated Members on behalf of the Partnership.

#### Small company exemptions

This report has been prepared in accordance with the provisions applicable to entities entitled to the small companies exemption. This is in accordance with Part 15 of the Companies Act 2006, as applicable to LLPs. The Partnership has taken advantage of the exemption for the requirement to disclose an enhanced business review and to prepare a strategic report in accordance with section 414B of the Companies Act 2006.

The report was approved by the Designated Members and signed on their behalf by:

The Designated Members acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 (as applicable to limited liability partnerships) with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime as defined within Part 15 of the Companies Act 2006 and in accordance with the provisions of Financial Reporting Standard 102 Section 1A small entities. The Partnership was entitled to exemption from audit under section 477 of the Companies Act 2006 (as applicable to limited liability partnerships).

The financial statements were approved by the Designated Members and authorised for issue and signed on their behalf by:

**TAMAR FILMS LLP****NOTES TO THE FINANCIAL STATEMENTS  
YEAR ENDED 5 APRIL 2023****1. ACCOUNTING POLICIES**

The principal accounting policies are summarised below. They have been applied consistently throughout the current and preceding year.

**General information and basis of preparation of financial instruments**

The Partnership was incorporated in England and Wales as a limited liability partnership under the Limited Liability Partnerships Act 2000. Its place of business and registered office address is Parcels Building, 14 Bird Street, London, W1U 1BU. The nature of the Partnership's operations and principal activity are set out in the Members' Report on page 1.

The functional currency of the Partnership is considered to be pound sterling which is the currency of the primary economic environment in which the Partnership operates.

The financial statements have been prepared under the historical cost convention in accordance with Financial Reporting Standard 102 Section 1A ('FRS 102 Section 1A'), the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

The preparation of financial statements in compliance with FRS 102 Section 1A requires the use of certain critical accounting estimates (see note 3 to the financial statements). It also requires management to exercise judgement in applying the Partnership's accounting policies.

The financial statements do not include a cash flow statement because the Partnership is a qualifying entity under FRS 102 Section 1A for taking advantage of the exemption from preparing such a statement.

**Turnover**

Turnover, excluding VAT, is recognised on the following basis:

**(i) Finance lease income**

The recognition of finance lease income is calculated to reflect a constant periodic rate of return on the net cash investment in the lease.

**(ii) Operating lease income**

Operating lease income is determined by the commercial success of the film and recognised when received.

**(iii) Participation in film net revenues**

The Partnership's participation in film net revenues in excess of net investment in film finance leases, development and production expenditure, is recognised in turnover when notified by the relevant collection agent.

The members do not consider any one part of the worldwide market to be significantly different from any other.

**Film finance leases**

In accordance with SSAP 21 'Accounting for leases and hire purchase contracts', the amount due from the lessee under finance leases is recorded in the balance sheet of the Partnership as a debtor at the amount of the net investment in the lease, less provision for any items such as bad and doubtful rentals receivable.

**Rentals received in advance**

When lease rentals are received in advance of the period to which they relate, the amounts are recorded as rentals received in advance and included as creditors due within one year.

**Film operating leases**

Assets leased under operating leases have been recorded as fixed assets and depreciated on a straight-line basis at 20% p.a. Rental income is recognised when received.

**Going concern**

Under the terms of its sale and leaseback agreements the Partnership has no more guaranteed rental payments. The Partnership is in a net assets position. Accordingly, the members believe that the Partnership will be able to maintain positive cash flows for the foreseeable future. As a result the going concern basis of accounting has been adopted.

**TAMAR FILMS LLP**

**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)**  
**YEAR ENDED 5 APRIL 2023**

**1. ACCOUNTING POLICIES (CONTINUED)**

**Taxation**

No current or deferred taxation is provided in the financial statements as the liability for taxation falls on the individual members.

**2. TURNOVER**

Turnover represents finance lease income calculated to reflect a consistent periodic rate of return on the net cash investment in the lease plus any participation in net film revenues receivable in excess of the net investment made. Operating lease turnover is derived from operating lease charges on a cash received basis.

**3. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY**

In the application of the Partnership's accounting policies, which are described in Note 1, the members are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

**Critical accounting judgements in applying the accounting policies**

The following are the critical judgements that the members have made in the process of applying the Partnership's accounting policies and that have the most significant effect on the amounts recognised in the financial statements:

**Impairment of investments**

Assets, other than those measured at fair value, are assessed for indicators of impairment at each balance sheet date. If there is objective evidence of impairment, an impairment loss is recognised in profit or loss as described below.

**Financial assets**

For financial assets carried at cost less impairment, the impairment loss is the difference between the asset's carrying amount and the best estimate of the amount that would be received for the asset if it were to be sold at the reporting date.

Where indicators exist for a decrease in impairment loss, and the decrease can be related objectively to an event occurring after the impairment was recognised, the prior impairment loss is tested to determine reversal. An impairment loss is reversed on an individual impaired financial asset to the extent that the revised recoverable value does not lead to a revised carrying amount higher than the carrying value had no impairment been recognised.

**Income**

For films acquired under operating leases the Partnership is entitled to receive rental payments which accrue to it and which are subject always to the performance of that film. Although the members periodically estimate the amount of rental income that would be received for the asset this revenue is recognised only when it is probable that the income will be received, which is normally when the event has occurred.
