Abbeymeads LLP Partners' Report For the year ended 25 March 2010

ACTIVITIES, REVIEW OF BUSINESS AND FUTURE DEVELOPMENTS

Abbeymeads LLP ("the Partnership") was incorporated on 1 June 2005 as a UK limited liability partnership under the Limited Liability Partnerships Act 2000 and in accordance with a Members Agreement dated 27 May 2005 ("the Partnership Agreement")

The Partnership carries on the business of investing and trading in property. It holds a vacant greenfield site in Swindon, which it plans to redevelop and is in the process of negotiating an outline planning application for a mixed use development in order to maximise the value of the investment

PARTNERS AND DESIGNATED MEMBERS

The Partners and Designated Members are

- I State Street Custodial Services (Ireland) Limited ("SSCSIL"), as Trustee of the RREEF UK Property Ventures Fund No 2 ("the Fund") and,
- II Thistle Land (Swindon) Limited ("Thistle Land")

The Partners and Designated Members were appointed on 27 May 2005

RESULTS AND DISTRIBUTIONS

Profits and losses of the Partnership are allocated to the Partners in the proportion to which a Partners' capital contribution bears to the total capital contributions of both Partners, until a priority return has been reached, and thereafter to each Partner on a 50 50 basis. The priority return equates to the aggregate of that Partner's capital contribution and notional interest on such capital contribution from the date it was paid, calculated at an annual rate of 15% compounded annually on 25 March each year

The results of the Partnership for the year ended 25 March 2010 are set out on page 6

There were no distributions nor repayments of capital declared, or paid during the year ended 25 March 2010 (2009 £nil)

Partners' Report

For the year ended 25 March 2010

MANAGEMENT BOARD

The business of the Partnership is managed by a Management Board, which consists of three members Two Members of the Board were appointed by SSCSIL, and one by Thistle Land

The representatives on the Board for the year were

SSCSIL

James William Petit Nigel Alexander Ody Bennett

Thistle Land

Eric Richard Petrie

Nigel Alexander Ody Bennett resigned from the Board on 13 October 2010, and Stephen Wicks was appointed to the Board on 13 October 2010

Each Board Member has one vote and all actions of the Management Board require approval of the majority of Board Members

SIGNIFICANT EVENTS DURING THE YEAR

The recent credit crunch and recession have proved extremely challenging to the capital, credit and real estate markets. However during the second half of the year there has been a marked improvement in the economic prospects of the UK, an improvement in the availability of debt financing and a significant improvement in the volume and pricing of real estate transactions. Nevertheless the nascent economic, credit and real estate recovery remains fragile, and is prone to both future economic shocks and political uncertainty which could in the future increase the Partnership's exposure to the principal risks of valuation and liquidity

The Partnership continues to hold a vacant greenfield site in Swindon, the most recent valuation of which at 25 September 2010 was £6 5 million, and is continuing with its plan to redevelop and is in the process of negotiating an outline planning application for a mixed use development

SIGNIFICANT EVENTS AFTER THE YEAR END

There have been no significant events since the year end

Statement of Partners' Responsibilities in Respect of the Partners' Report and the Financial Statements

For the year ended 25 March 2010

The Partners are responsible for preparing the Partners' Report and the financial statements in accordance with applicable law and regulations

The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 require the Partners to prepare LLP financial statements for each financial year Under that law the Partners have elected to prepare the LLP financial statements in accordance with UK Accounting Standards and UK Generally Accepted Accounting Practice

Under Regulation 8 of the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 the Partners must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the LLP and of the profit or loss of the LLP for that period

In preparing the LLP financial statements, the Partners are required to

- select suitable accounting policies and then apply them consistently,
- make judgments and estimates that are reasonable and prudent,
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the LLP will continue in business

Under Regulation 6 of the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008, the Partners are responsible for keeping adequate accounting records that are sufficient to show and explain the LLP's transactions and disclose with reasonable accuracy at any time the financial position of the LLP and enable them to ensure that its financial statements comply with those regulations. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the LLP and to prevent and detect fraud and other irregularities.

We have audited the financial statements of Abbeymeads LLP ("the LLP") for the year ended 25 March 2010 set out on pages 6 to 13. These financial statements have been prepared under the accounting policies set out therein.

This report is made solely to the Partners of the limited liability partnership (LLP), as a body, in accordance with Section 495 of the Companies Act 2006 as required by Regulation 39 of the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 Our audit work has been undertaken so that we might state to the LLP's Partners those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the LLP and the LLP's Partners, as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of the Partners and auditors

The Partners' responsibilities for preparing the financial statements in accordance with applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice) and for being satisfied that the financial statements give a true and fair view are set out in the Statement of Partners' Responsibilities on page 3

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland)

We report to you our opinion as to whether the financial statements give a true and fair view, have been properly prepared in accordance with UK Generally Accepted Accounting Practice and have been prepared in accordance with the Companies Act 2006

We also report to you if, in our opinion, the LLP has not kept adequate accounting records, if we have not received all the information and explanations we require for our audit, or if certain disclosures of Partners' remuneration specified by law are not made

We read the Partners' Report, and consider whether it is consistent with the audited financial statements. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements.

Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the Partners in the preparation of the financial statements, and of whether the accounting policies are appropriate to the LLP's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Independent Auditor's Report to the Partners of Abbeymeads LLP (continued)

Opinion

In our opinion the financial statements

- give a true and fair view of the state of affairs of the LLP as at 25 March 2010 and of the loss for the year then ended,
- have been properly prepared in accordance with UK Generally Accepted Accounting Practices, and
- have been prepared in accordance with the Companies Act 2006

The notes on pages 10 to 13 form part of the financial statements

1. Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements. The particular accounting policies are described below

(a) Basis of accounting

The financial statements have been prepared under the historical cost convention as modified by the inclusion of properties and land at valuation, and with reference to the Statement of Recommended Practice for the Financial Statements of Authorised Funds issued by the Investment Management Association in the United Kingdom in November 2008

(b) Use of estimates and judgments

The preparation of the financial statements requires the Partners to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of income and expenses during the reporting period. Actual results could differ from those estimates. The key estimates and assumptions relate to the valuation of properties in the Balance Sheet, where an external valuation is obtained on a six monthly basis.

(c) Investment property

The valuation of property has been prepared on an open market value basis as per Statement of Standard Accounting Practice 19 Open market value is defined in Financial Reporting Standard 15 as having the same meaning as that in the Appraisal and Valuation Manual of the Royal Institution of Chartered Surveyors Open market value is defined as an opinion of the best price at which the sale of an interest in property would have completed unconditionally, for cash consideration, on the date of valuation, assuming

- i) a willing seller,
- ii) that, prior to the date of valuation, there had been a reasonable period (having regard to the nature of the property and the state of the market) for the proper marketing of the interest, for the agreement of price and terms, and for the completion of the sale,
- iii) that the state of the market, level of values and other circumstances were, on any earlier assumed date of exchange of contracts, the same as on the date of valuation,
- iv) that no account is taken of any additional bid by a prospective purchaser with a special interest, and
- v) that both parties to the transaction had acted knowledgeably, prudently and without compulsion

(d) Rental income

Rental income is accounted for on an accruals basis

(e) Interest receivable

Interest receivable is accounted for on an effective interest rate basis

(f) Interest payable

Interest payable is accounted for on an effective interest rate basis
