NOTES TO THE ABBREVIATED ACCOUNTS

FOR THE YEAR ENDED 30 JUNE 2015

1 Accounting policies

1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP); "Accounting by Limited Liability Partnerships", revised in 2010 and the Companies Act 2006.

1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and the Limited Liability Partnership Statement of Recommended Practice, which have been applied consistently (except as otherwise stated).

1.3 Turnover

Turnover represents the value of services provided under contract to the extent that there is a right to consideration and is recorded at the value of the consideration due. Where a contract has only been partially completed at the balance sheet date turnover represents the value of the service provided to date on a proportion of the total expected consideration at completion. Where payments are received from customers in advance of services provided, the amounts are recorded as deferred income and included as part of creditors due within one year.

1.4 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Equipment

25% straight line

The company has a fixed asset capitalisation policy such that fixed asset purchases that are replacing an existing fixed asset are charged to the income and expenditure account as a repair rather than being capitalised in the year of purchase.

1.5 Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term
