Members' Responsibilities

Limited Liability Partnership Law (as applied to Limited Liability Partnerships by Regulation 3 of the Limited Liability Partnership Regulations 2001) required members to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Limited Liability Partnership and of the profit or loss of the Limited Liability Partnership for that year.
In preparing those financial statements we are required to:

select suitable accounting policies and apply them consistently.

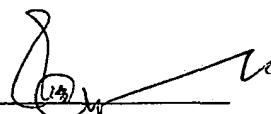

make judgements and estimates that are reasonable and prudent.

state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.

prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Limited Liability Partnership will continue in business.

The members are responsible for keeping proper accounting records which disclose with reasonable accuracy and at any time the financial position of the Limited Liability Partnership and enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company, and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
