### NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 AUGUST 2012

---

#### 1. ACCOUNTING POLICIES

##### 1.1 Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008) and the requirements of the Statement of Recommended Practice "Accounting by Limited Liability Partnerships".

The LLP is the parent undertaking of a small group and as such is not required by the Companies Act 2006 to prepare group accounts. These financial statements therefore present information about the LLP as an individual undertaking and not about its group.

##### 1.2 Turnover

Turnover comprises revenue recognised by the LLP in respect of goods and services supplied during the year, exclusive of Value Added Tax and trade discounts.

##### 1.3 Revaluation of tangible fixed assets

Individual freehold and leasehold properties are carried at current year value at the balance sheet date. A full valuation is obtained from a qualified valuer for each property every five years, with an interim valuation three years after the previous full valuation, and in any year where it is likely that there has been a material change in value.

Revaluation gains and losses are recognised in the statement of total recognised gains and losses unless losses exceed the previously recognised gains or reflect a clear consumption of economic benefits, in which case the losses are recognised in the Profit and loss account.

##### 1.4 Investments

Investments held as fixed assets are shown at cost less provision for impairment.
