Independent auditors' report to the Members of IC Investment Management LLP

We have audited the financial statements of IC Investment Management LLP for the period ended 31 December 2007 which are set out on pages 5 to 10. These financial statements have been prepared under the historical cost convention and the accounting policies set out therein.

This report is made solely to the LLP's members as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the LLP's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the LLP and the LLP's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of members and auditors

The members' responsibilities for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards are set out in the Statement of Members' Responsibilities.

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and United Kingdom Auditing Standards.

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the members' report is not consistent with the financial statements, if the LLP has not kept proper accounting records, if we have not received all of the information and explanations we require for our audit, or if information specified by law regarding members' remuneration and transactions with the LLP is not disclosed.

We read the members' report and consider whether it is consistent with the audited financial statements. We consider the implications for our report if we become aware of any apparent misstatements or material inconsistencies with the financial statements. Our responsibilities do not extend to any other information.

Basis of opinion

We conducted our audit in accordance with United Kingdom Auditing Standards issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.
