1 Introduction

- 1.1 Pursuant to Paragraph 83 of Schedule B1 of the Act, Daniel Plant and Simon Franklin Plant were appointed Joint Liquidators of the Company on 30 August 2013. Definitions and further details of terms used in this report are provided in **Appendix I** and further statutory information regarding the winding up is provided in **Appendix II**.
- 1.2 This report is prepared pursuant to Section 104A of the Act in relation to the Company. It details the progress of the administration of the Company's estate in the Review Period, i.e. the twelve month period since the date that the Company moved from Administration to CVL. This report should be read in conjunction with the Joint Administrators' Final Report dated 3 September 2013.

2. Action to Date – Asset Realisations

- 2.1 Attached at **Appendix III** is the Joint Liquidators' Abstract of Receipts and Payments for the Review Period. The contents are in the main self explanatory.
- 2.2 The sum of £76,539, which was the balance remaining on the account in the control of the Joint Administrators at the end of the Administration, has been transferred to the Liquidation account. This differed slightly from the balance of £76,686, which was reported in the Joint Administrators' Final Report, as one book debt receipt had been double counted and was incorrectly overstated in the cash at bank figure.
- 2.3 As reported in the Joint Administrators' Final Report, the assets that were handed over to the Joint Liquidators' control were
 - 2.3.1 Outstanding book debts – see section 2.4 for an update
 - 2.3.2 A VAT refund of £26,850 was due. This has now been received from HM Revenue and Customs.

Debtors

- 2.4 SFP Recoveries have been pursuing the remaining pre and post appointment sales ledger. In total £1,439 has been collected from this source. The remaining debts have been written off as uneconomical to pursue or for the fact that the debtor is in liquidation. SFP Recoveries has subsequently closed its files.

3 Administration of the Liquidation

- 3.1 Throughout the Review Period, the Joint Liquidators have responded to the queries of creditors and noted creditors' claims.
- 3.2 The Joint Liquidators have complied with obligations imposed by statute and their regulatory body, which include but are not limited to the submission of returns to Companies House and HMRC and the maintenance of bonding.

4 Investigation

- 4.1** In accordance with my statutory duty, a requisite D Form addressing the directors' conduct has been submitted to the Department for Business, Innovation and Skills. My enquiries into the affairs of the Company are being conducted by a company associated with my firm, SFP Corporate Solutions. These investigations are currently ongoing.
- 4.2** Although creditors were invited to provide any relevant information to the Joint Administrators, they are invited similarly to provide to the Joint Liquidators information on any concerns regarding the way in which the company's business has been conducted and on potential recoveries for the estate.

5. The Joint Liquidators' Remuneration

- 5.1** In accordance with Rule 4.127(5A) of the Rules, the basis of remuneration as agreed in the Administration applies in the Liquidation. As reported in their Final Report, the Joint Administrators' fees had been fixed by reference to the time properly given by the Joint Administrators and their staff. Consequently, this basis applies similarly to the Joint Liquidators' remuneration.
- 5.2** A breakdown of the time costs between the grades of staff allocated to the administration and the investigation of this matter is detailed in **Appendix IV**. The charge out rates of the Joint Liquidators and their staff are detailed in **Appendix V**. During the Review Period, time costs totalling £21,298 have been incurred.
- 5.3** Creditors may access a Guide to Liquidators' Fees at <http://panel.sfpgroup.com> or a hard copy will be provided on request.

6. The Joint Liquidators' Expenses

- 6.1** Creditors may recall that the Joint Administrators' final report provided a breakdown of their time costs up to the date that the Administration moved to Liquidation. As the Joint Administrators were required to issue a final report immediately after the Administration had ended, that breakdown had excluded the time costs incurred in drafting and issuing the final report and in carrying out other minor tasks to close our Administration files. These time costs amounted to £1,168.
- 6.2** It is a statutory requirement that the Joint Liquidators report all expenses incurred in the Review Period, whether or not they have been paid. Creditors will note that details of expenses paid during the Review Period are provided in the Joint Liquidators' Abstract of Receipts and Payments attached at **Appendix III**.
- 6.3** The Joint Administrators had been authorised to draw, from the funds held in the insolvent estate, their firm's disbursements calculated on the bases described in **Appendix V**. During the Administration, creditors also resolved that the fees and costs of the Associated Entities, as described also in **Appendix V**, may be paid from the funds held in the insolvent estate. In accordance with SIP9, these authorisations apply similarly to the Joint Liquidators.

Progress Report to Members and Creditors

- 6.4 The Associated Entities have been established by SFP to perform functions to which either the office holder or outside agencies could undertake. It is considered that by virtue of their specialist nature and close proximity to SFP they will achieve better results than the office holder, his team or any outside agencies would be able to accomplish.
- 6.5 The following appendices contain breakdowns of the time that has been incurred by the Associated Entities during the Review Period, together with the fees paid, and thus the balance of fees outstanding:

<u>Associated Entry</u>	<u>Appendix</u>
SFP Corporate Solutions	VI
SFP Recoveries	VII
SFP Property	VIII
SFP Datastore	IX

- 6.6 In addition, the following expenses were incurred by SFP and the Associated Entities during the Review Period:

<u>Party</u>	<u>Expenses incurred</u>	<u>Amount outstanding</u>
SFP	£134	£8
SFP Datastore	£406	£406

7 Anticipated Outcome for Creditors

- 7.1 No preferential claims have been received.
- 7.2 The non-preferential creditors' claims are summarised below:

Creditor	Claims Received as at 29 August 2014 £
HMRC – VAT/PAYE/NIC	799,088
Employee/RPO claims	-
Trade and Expense	464,309

- 7.3 As reported in the Joint Administrators' proposals, it was anticipated that a prescribed part would not be available for unsecured creditors. This remains the case.
- 7.4 A dividend was declared and paid to all unsecured creditors on 13 February 2014. A provision of £4,387 was made for unsettled claims. The total amount distributed to unsecured creditors was £15,613, at a rate of 2.09 p in the £ in respect of claims totalling £957,568. No further dividend is likely.

8 Conclusion

- 8.1 At present the only issue preventing closure is the continuance of investigations into the affairs of the Company
- 8.2 The Joint Liquidators will issue a further progress report, which will provide an update on all matters described above that are yet to be concluded, shortly after the next anniversary of the appointment, or when they are in a position to conclude the winding up, if that is sooner
- 8.3 Should you have any questions or queries regarding this report, please contact the Manager dealing with this matter, Gemma Pretlove, on 020 7538 2222 or by email on [gemmap@sfpgroup.com](mailto:gemma@sfpgroup.com)
