## **Report of the members for the year to 31 December 2017**

---

The members present their report together with the financial statements for the year ended 31 December 2017.

### **Results**

The statement of comprehensive income is set out on page 7 and shows the profit for the year.

### **Principal activities**

The principal activity of York Capital Management Europe (UK) Advisors, LLP (YCM UK or the Partnership) during the year was the provision of advisory services. There have been no changes in the Partnership's activities during the year under review. The Partnership is majority owned by its managing member York Capital Management UK Advisors Limited (YCM UK Ltd), which in turn is wholly-owned by YCM Master Holdings II, LP (YCMMLII).

During 2017 YCM UK provided certain investment advisory, trade execution and administrative services to York Capital Management (US) Advisors, L.P. (YCM US Advisors). YCM UK is authorised and regulated by the Financial Conduct Authority (FCA). YCM US Advisors is a U.S. subsidiary of YCMMLII.

Assets under management for the underlying funds which the partnership provides advisory services, increased from approximately £4.3 billion at 31 December 2016 to £4.7 billion at 31 December 2017.

There have been no events since the balance sheet date that materially affect the financial position of the Partnership.

### **Designated members**

The designated members during the year were:

York Capital Management UK Advisors Limited  
C Aurand (resigned 4 April 2018)  
C Reyntjens

### **Pillar 3 disclosures**

Details of the pillar 3 disclosures of the limited liability partnership, required under Chapter 11 of the Financial Conduct Authority's Prudential Sourcebook for Banks, Building Societies and Investment Firms ("BIPRU") will be published at <http://www.yorkcapital.com/RegulatoryDisclosures/Pillar3.html>.

## **Report of the members for the year ended 31 December 2017 (continued)**

---

### **Policy on members' drawings and the subscription and repayment of members' capital**

The members' drawing policy allows each member to draw a proportion of their profit share subject to the cash requirements of the business. The profit apportioned to each member is determined by the managing member and may not be proportionate to the relevant members capital share in the partnership.

Members are permitted to make drawings in advance of the financial year end in anticipation of their profit entitlement for such financial year. If these advance drawings exceed the relevant members' distribution in respect of a financial year then such member shall have a debit distribution account and this shall reduce any net income (loss) allocation in subsequent financial years. The managing member may in their discretion service a written demand of repayment to the relevant member in which they have to make a cash repayment within ten business days of service of such written demand.

The members shall contribute such sum of capital to the limited liability partnership (if any) as shall be agreed between the members.

No member shall be required to make additional capital contributions to the limited liability partnership other than when the corporate member increases their capital contribution in accordance with the business contribution terms. Each member other than the Corporate member shall, at the written request of the managing member, make an additional capital contribution to the partnership in an amount equal to their original contribution divided by the corporate members contribution prior to the increase multiplied by the amount of the increase corporate members.

No member shall have the right, directly or indirectly, to withdraw or receive back any credit amounts outstanding on their loan account, except under the following circumstances:

1. The member has ceased to be a member and an equal amount of capital has been contributed by the remaining member; or
2. The partnership has terminated and dissolved; or
3. The partnership has ceased to be authorised to carry on regulated activities, or if they have not ceased to be so authorised, the partnership notwithstanding such payment, remain in compliance with applicable accounting and regulations requirements and if required, the FCA has consented to such repayment.

## Report of the members for the year ended 31 December 2017 (continued)

### Members' responsibilities

The members are responsible for preparing the members' report and financial statements in accordance with applicable law and regulation.

The Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008 require the members to prepare financial statements for each financial year. Under these regulations the members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under these regulations the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Limited Liability Partnership and of the profit or loss of the Limited Liability Partnership for that period.

In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Limited Liability Partnership will continue in business.

The members are responsible for keeping adequate accounting records that are sufficient to show and explain the Limited Liability Partnership's transactions, disclose with reasonable accuracy at any time the financial position of the Limited Liability Partnership, and enable them to ensure that the financial statements comply with the Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008. They are also responsible for safeguarding the assets of the Limited Liability Partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Auditors

All the current members have taken all the steps that they ought to have taken to make themselves aware of any information needed by the Limited Liability Partnership auditors for the purposes of their audit and to establish that the auditors are aware of that information. The members are not aware of any relevant audit information of which the auditors are unaware.

BDO LLP have expressed their willingness to continue in office and a resolution to re-appoint them will be proposed at the annual general meeting.

### Signed on behalf of the members

## Independent auditor's report

---

### TO MEMBERS OF YORK CAPITAL MANAGEMENT EUROPE (UK) ADVISORS, LLP

#### Opinion

We have audited the financial statements of York Capital Management Europe (UK) Advisors, LLP ("the Limited Liability Partnership") for the year ended 31 December 2017 which comprise the statement of comprehensive income, the statement of financial position, the statement of changes in members' interests and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland* (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Limited Liability Partnership's affairs as at 31 December 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 applied to limited liability partnerships by the Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008.

#### Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Limited Liability Partnership in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Members' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Members have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Limited Liability Partnership's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

# York Capital Management Europe (UK) Advisors, LLP

## Independent auditor's report *(continued)*

---

### **Other information**

The Members are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 as applied to limited liability partnerships requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of Members**

As explained more fully in the Report of the members, the Members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Members determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Members are responsible for assessing the Limited Liability Partnership's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Members either intend to liquidate the Limited Liability Partnership or to cease operations, or have no realistic alternative but to do so.

# York Capital Management Europe (UK) Advisors, LLP

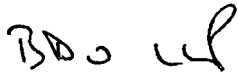

## Independent auditor's report (*continued*)

### Auditor's responsibilities for the audit of the financial statements

This report is made solely to the Limited Liability Partnership's members, as a body, in accordance with the Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008. Our audit work has been undertaken so that we might state to the Limited Liability Partnership's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Partnership and the Limited Liability Partnership's members as a body, for our audit work, for this report, or for the opinions we have formed.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located at the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

## Notes forming part of the financial statements for the year ended 31 December 2017

---

### 1 Accounting policies

#### 1.1 General information

York Capital Management Europe (UK) Advisors, LLP is a Limited Liability Partnership ('LLP') incorporated in England and Wales under the Companies Act. The address of the registered office is given on the contents page and the nature of the LLP's operations and its principal activities are set out in the members report.

#### 1.2 Basis of preparation of financial statements

The financial statements have been prepared in accordance with FRS 102 the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland, including the Statement of Recommended Practice (2017), 'Accounting by Limited Liability Partnerships'.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires LLP management to exercise judgement in applying the LLP's accounting policies (see note 2).

The following principal accounting policies have been applied:

#### 1.3 Financial reporting standard 102 - reduced disclosure exemptions

The company has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by the FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland":

- the requirements of Section 7 Statement of Cash Flows;
- the requirements of Section 3 Financial Statement Presentation paragraph 3.17(d);
- the requirements of Section 11 Financial Instruments paragraphs 11.39 to 11.48A;
- the requirements of Section 12 Other Financial Instruments paragraphs 12.26 to 12.29;
- the requirements of Section 33 Related Party Disclosures paragraph 33.7.

This information is included in the consolidated financial statements of York Capital Management UK Advisors Limited as at 31 December 2017 and these financial statements may be obtained from Companies House, Crown Way, Cardiff, CF14 3UZ.

#### 1.4 Turnover

Turnover represents service fee income, which is accrued on a monthly basis under the terms of the advisory agreements for the provision of management, administrative and research functions. Under the terms of the advisory service contract, a discretionary service fee bonus is also due to the Partnership at the end of each year based on the quality of the services provided.

Turnover is recognised on an accruals basis.

# York Capital Management Europe (UK) Advisors, LLP

## Notes forming part of the financial statements for the year ended 31 December 2017 (continued)

### 1 Accounting policies (continued)

#### 1.5 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

The LLP adds to the carrying amount of an item of fixed assets the cost of replacing part of such an item when that cost is incurred, if the replacement part is expected to provide incremental future benefits to the LLP. The carrying amount of the replaced part is derecognised. Repairs and maintenance are charged to profit or loss during the period in which they are incurred.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight line method. The estimated useful lives range as follows:

Leasehold improvements	- Over the term of the lease
Fixtures and fittings	- Five years
Office and computer equipment	- Three to five years

#### 1.6 Impairment of fixed assets

Assets that are subject to depreciation are assessed at each reporting date to determine whether there is any indication that the assets are impaired. Where there is any indication that an asset may be impaired, the carrying value of the asset is tested for impairment. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (CGUs).

#### 1.7 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

#### 1.8 Financial assets

Financial assets are initially measured at transaction price (including transaction costs) and subsequently held at cost, less any impairment.

#### 1.9 Financial liabilities and equity

Financial liabilities and equity are classified according to the substance of the financial instrument's contractual obligations, rather than the financial instrument's legal form. Financial liabilities are initially measured at transaction price (including transaction costs) and subsequently held at amortised cost. Debt instruments that are payable or receivable within one year, typically trade payables or receivables, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration, expected to be paid or received. However if the arrangements of a short-term instrument constitute a financing transaction, like the payment of a trade debt deferred beyond normal business terms or financed at a rate of interest that is not a market rate or in case of an out-right short-term loan not at market rate, the financial asset or liability is measured, initially, at the present value of the future cash flow discounted at a market rate of interest for a similar debt instrument and subsequently at amortised cost.

# York Capital Management Europe (UK) Advisors, LLP

## Notes forming part of the financial statements for the year ended 31 December 2017 (*continued*)

### 1 Accounting policies (*continued*)

#### 1.10 Foreign currency translation

##### (a) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the LLP operates ('the functional currency'). The financial statements are presented in 'sterling', which is the LLP's functional and presentational currency.

##### (b) Transactions and balances

Foreign currency transactions are translated into the LLP's functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss.

#### 1.11 Exceptional items

Exceptional items are transactions that fall within the ordinary activities of the Partnership but are presented separately due to their size or incidence.

#### 1.12 Leased assets

Where assets are financed by leasing agreements that give rights approximating to ownership ('finance leases'), the assets are treated as if they had been purchased outright. The amount capitalised is the present value of the minimum lease payments payable during the lease term. The corresponding leasing commitments are shown as amounts payable to the lessor. Depreciation on the relevant assets is charged to the profit and loss account.

Lease payments are analysed between capital and interest components so that the interest element of the payment is charged to the profit and loss account over the period of the lease and represents a constant proportion of the balance of capital repayments outstanding. The capital part reduces the amounts payable to the lessor.

All other leases are treated as operating leases. Their annual rentals are charged to the profit and loss account on a straight-line basis over the term of the lease.

Reverse premiums and similar incentives received to enter into operating lease agreements are released to the statement of comprehensive income over the term of the lease.

#### 1.13 Pensions

The LLP operates a defined contribution pension plan for its employees. A defined contribution plan is a pension plan under which the LLP pays fixed contributions into a separate entity. Once the contributions have been paid the LLP has no further payment obligations.

The contributions are recognised as an expense in the Statement of Comprehensive Income when they fall due. Amounts not paid are shown in accruals as a liability in the Statement of Financial Position. The assets of the plan are held separately from the LLP in independently administered funds.

#### 1.14 Holiday pay accrual

A liability is recognised to the extent of any unused holiday pay entitlement which has accrued at the Statement of Financial Position date and carried forward to future periods. This is measured at the undiscounted salary cost of the future holiday entitlement so accrued at the Statement of Financial Position date. The LLP holiday entitlement runs in conjunction with the financial statement year and the LLP has a policy which prevents employees carrying leave forward to future periods, accordingly no accrual is recognised within these financial statements.

# York Capital Management Europe (UK) Advisors, LLP

Notes forming part of the financial statements  
for the year ended 31 December 2017 (*continued*)

## 2 Judgements in applying accounting policies and key sources of estimation uncertainty

In preparing these financial statements, the members have made the following judgements:

- Determine whether leases entered into by the LLP are operating or finance leases. These decisions depend on an assessment of whether the risks and rewards of ownership have been transferred from the lessor to the lessee on a lease by lease basis.
- Determine whether there have been indicators of impairment of the LLP's tangible assets. Factors taken into consideration in reaching such a decision include the economic viability and expected future financial performance of the asset and where it is a component of a larger cash-generating unit, the viability and expected future performance of that unit.

### *Other key sources of estimation uncertainty*

Tangible fixed assets (see note 7)

Tangible fixed assets are depreciated over their useful lives taking into account residual values, where appropriate. The actual lives of the assets and residual values are assessed annually and may vary depending on a number of factors. In re-assessing asset lives, factors such as technological innovation, product life cycles and maintenance programmes are taken into account. Residual value assessments consider issues such as future market conditions, the remaining life of the asset and projected disposal values.

## 3 Turnover

Turnover is wholly attributable to the principal activity of the Limited Liability Partnership and arises solely from markets in the Americas.

## 4 Operating profit

	2017 £	2016 £
This has been arrived at after charging:		
Depreciation	104,351	145,209
Hire of other assets - operating leases	870,447	830,474
Auditors' remuneration:		
- Audit of the limited liability partnership accounts	20,961	20,350
- Non audit services - accountancy and FCA compliance	14,771	14,500
- Non audit services - partnership tax returns	7,468	7,250
Exchange differences	74,046	46,076

# York Capital Management Europe (UK) Advisors, LLP

Notes forming part of the financial statements  
for the year ended 31 December 2017 (*continued*)

## 5 Employees and members

	2017 £	2016 £
Staff costs were as follows:		
Wages and salaries	16,825,952	11,464,231
Social security costs	2,327,149	1,532,118
Pension costs	33,547	15,843
	<u>19,186,648</u>	<u>13,012,192</u>

There were 23 employees during the period excluding members (2016 - 22).

## 6 Members' share of profits

Profits for discretionary division shall be allocated between the members in such proportions as determined by the managing member.

The average number of members during the year was 5 (2016 - 5). The highest paid member of the Partnership received £17,175,814 (2016 - £23,472,105) of discretionary profit share in relation to the year ended 31 December 2017.

## 7 Tangible fixed assets
