## Designated Members' report

The Designated Members present their report and financial statements for the year ended 31 December 2022.

### Results

The results for the year are shown in the profit and loss account on page 9 and the balance sheet as detailed on page 11 shows a satisfactory position.

### Principal activity and review of the business

The principal activity of Aermont Capital LLP (the "Partnership") is to provide investment management and advisory services.

### Key Performance Indicators

	2022 £	2021 £
Turnover	27,792,389	20,275,552
Profit for the year	13,365,550	7,812,740

The net assets of the Company as at 31 December 2022 were £13,470,550 (2021 - £7,917,740).

### Members' profit allocation

Profits shared among the members during the year ended 31 December 2022 are shared in accordance with the Limited Liability Partnership Agreement dated 26 February 2019. Profits shared among the members subsequent to the year ended 31 December 2022 are shared in accordance with the Limited Liability Partnership Agreement dated 6 March 2023 (the "LLP Agreement"). The profit attributable to the member with the highest entitlement to profit was £7,823,359 (2021 - £3,637,644).

### Future developments

The Partnership will continue and seek to expand the performance of its investment advisory services.

### Principal risks and uncertainties

The primary objectives of the Partnership are to provide investment advisory services, to limit counterparty risks and to ensure that sufficient working and regulatory capital are maintained.

Principal risks are that opportunities to provide income-generating investment advisory services do not arise or are not obtained by the principals in the business.

### Going concern

In the context of the Covid-19 pandemic, the war in Ukraine, current macroeconomic conditions and their impacts on the Partnership's activity, the partners have made an assessment of the Partnership's ability to continue as a going concern for the period until 31 March 2024.

That assessment has taken into account:

- That the Partnership has sufficient financial resources and ongoing investment advisory contracts as at 31 December 2022, so the partners have confidence that the business will continue to operate during the going concern period ending 31 March 2024.
- The Partnership's cash flow forecasts, sensitivities regarding the key assumptions in those forecasts, as well as the principal risks and uncertainties – in particular, the ability of the counterparties to the advisory contracts to continue to meet their obligations under them.

## Designated Members' report (continued)

### Going concern (continued)

The partners have considered the implications of the Covid-19 pandemic, the war in Ukraine and current macroeconomic conditions, as part of their assessment of the Partnership's ability to continue as a going concern. Having performed this assessment, the partners are satisfied that the Covid-19 pandemic, the war in Ukraine and current macroeconomic conditions have no material impact on the Partnership's ability to continue as a going concern, as cash inflows are secured by large institutional investors through capital commitments, from which management fees are payable to the Partnership. The management fees are received quarterly in advance. The Partnership has no debt and the cashflow forecasts show that the Partnership has sufficient resources to meet its financial liabilities as they fall due.

The partners believe that the Partnership is able to manage its business risks and to continue to operate during the going concern period ending 31 March 2024. Therefore, the annual financial statements have been prepared on a going concern basis.

### Policy for members' drawings, subscriptions and repayment of members' capital

Policy for Members' drawings, subscriptions and repayment of members' capital is governed by the Limited Liability Partnership Agreement dated 26 February 2019 and the Amended and Restated Limited Liability Partnership Agreement dated 6 March 2023, from 6 March 2023.

### Designated Members

During the year, the Designated Members were:

Aermont Capital S.à r.l., Principal Partner  
Léon Bressler, Managing Partner

### Individual Partners

During the year, the Individual Partners were:

Paul Golding  
Nathan Shike  
Alison Trewartha

### Disclosure of information to the auditors

So far as each person who was a Designated Member at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow members and the Partnership's auditor, each Designated Member has taken all the steps that he is obliged to take as a member in order to make himself aware of any relevant audit information and to establish that the auditor is aware of that information.

### Auditors

A resolution to re-appoint Ernst & Young LLP as the Partnership's auditor will be put to the Principal Partner and the Managing Partner.

On behalf of the Members

Léon Bressler  
Designated Member / Managing Partner  
29 March 2023

## Statement of Designated Members' responsibilities

The Designated Members are responsible for preparing the Designated Members' Report and the financial statements in accordance with applicable law and regulations.

The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 made under the Limited Liability Partnerships Act 2000 require the members to prepare financial statements each year. Under that regulation the Designated Members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including Financial Reporting Standard 102 'The Financial Reporting Standard Applicable in the UK and Republic of Ireland'. Under the regulation the Designated Members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Partnership and of its profit or loss for that year. In preparing these financial statements, the Designated Members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Partnership will continue in business.

The Designated Members are responsible for keeping adequate accounting records that are sufficient to show and explain the Partnership's transactions and disclose with reasonable accuracy at any time the financial position of the Partnership to enable them to ensure that the financial statements comply with The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008. The Designated Members are also responsible for safeguarding the assets of the Partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **Independent auditors' report**

**to the members of Aermont Capital LLP**

### **Opinion**

We have audited the financial statements of Aermont Capital LLP (the "Limited Liability Partnership") for the year ended 31 December 2022 which comprise the Profit and loss account, the Statement of comprehensive income, the Balance sheet, the Statement of changes in equity, the Statement of cash flows and the related notes 1 to 13, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 'The Financial Reporting Standard applicable to the UK and Republic of Ireland.'

In our opinion the financial statements:

- give a true and fair view of the state of the Limited Liability Partnership's affairs as at 31 December 2022 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including FRS 102 'The Financial Reporting Standard applicable to the UK and Republic of Ireland'; and
- have been prepared in accordance with the requirements of the Companies Act 2006 as applied to limited liability partnerships.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the Limited Liability Partnership in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the members' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Limited Liability Partnership's ability to continue as a going concern for the period to 31 March 2024.

Our responsibilities and the responsibilities of the members with respect to going concern are described in the relevant sections of this report. However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the Limited Liability Partnership's ability to continue as a going concern.

### **Other information**

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The members are responsible for the other information contained within the annual report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

## **Independent auditors' report**

**to the members of Aermont Capital LLP (continued)**

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

We have nothing to report in this regard.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 as applied to limited liability partnerships requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of members**

As explained more fully in the Statement of Designated Members' responsibilities set out on page 4, the members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the members are responsible for assessing the Limited Liability Partnership's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the members either intend to liquidate the Limited Liability Partnership or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

### ***Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud***

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

## **Independent auditors' report**

**to the members of Aermont Capital LLP (continued)**

Our approach was as follows:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the Limited Liability Partnership and determined that the most significant are the Companies Act 2006 as applied to limited liability partnerships, the Statement of Recommended Practice 'Accounting by Limited Liability Partnerships' (SORP) issued in December 2021, FRS 102 'The Financial Reporting Standard applicable to the UK and Republic of Ireland', The Financial Services and Markets Act 2000 and the relevant direct and indirect tax regulation in the UK.
- We understood how Aermont Capital LLP is complying with those frameworks by making enquiries of management to understand how the Limited Liability Partnership maintains its policies and procedures in these areas and corroborated this by reviewing supporting documentation, including review of Members' meeting minutes. We also obtained and read correspondence with relevant authorities, where applicable.
- We assessed the susceptibility of the Limited Liability Partnership's financial statements to material misstatement, including how fraud might occur by considering the risk of management override and by: meeting with management to understand where they considered there was susceptibility to fraud; determining which account balances are subjective in nature; and considering the processes and controls that the Limited Liability Partnership has established to prevent and detect fraud, and how those controls are monitored.
- Based on this understanding we designed our audit procedures to identify non-compliance with such laws and regulations. Our procedures involved: inquiries of senior management, and where applicable, those charged with governance; review of Members' meeting minutes; testing journals identified by specific risk criteria; and obtaining written representations from the designated members of the Limited Liability Partnership.
- The Limited Liability Partnership is regulated by the Financial Conduct Authority ('FCA') and provides investment advisory and management services. As such, the Senior Statutory Auditor has ensured that the team had the appropriate competence and capabilities.

We have obtained an understanding of the FCA regulations and the potential impact on the Limited Liability Partnership. In assessing the effectiveness of the control environment, we have considered the compliance of the Limited Liability Partnership to these regulations as part of our audit procedures.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

## **Independent auditors' report**

**to the members of Aermont Capital LLP (continued)**

### **Use of our report**

This report is made solely to the members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 as applied to Limited Liability Partnerships. Our audit work has been undertaken so that we might state to the members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Limited Liability Partnership and the Limited Liability Partnership's members as a body, for our audit work, for this report, or for the opinions we have formed.

Bianca Gill (Senior statutory auditor)  
For and on behalf of Ernst & Young LLP, Statutory Auditor

## Notes to the financial statements

for the year ended 31 December 2022

### 1. The Organisation

Aermont Capital LLP (the “Partnership”) is a limited liability partnership established under the Limited Liability Partnership Act 1907 in England, regulated by the Financial Conduct Authority (the “FCA”).

On 5 July 2016, the name of the Partnership was changed from PW Real Assets LLP to Aermont Capital LLP.

The registered office of the Partnership is 55 St James’s Street, London, SW1A 1LA, as from 1 March 2016.

Perella Weinberg Real Estate Fund II LP (‘Fund II’) and PW Real Estate Fund III LP (‘Fund III’) were incorporated respectively on 21 May 2012 and 4 June 2015 and commenced operations respectively on 23 July 2012 and 25 November 2015. Fund II and Fund III have been established for the purpose of making opportunistic investments in real estate, as well as real estate related assets and businesses, primarily targeting investment opportunities within European markets. The Partnership has been appointed Investment Advisor for Fund II and Fund III. The general partners of Fund II and Fund III have entered into an Investment Advisory Agreement under which the Partnership provides investment advisory services to the general partners of Fund II and Fund III. As from 1 January 2019, Aermont Capital Management S.à r.l. (the ‘Manager’ or ‘ACM’) has been appointed as the alternative investment fund manager in relation to portfolio and risk management in relation to Fund II and Fund III. The Manager has entered into Investment Advisory Agreements under which the Partnership provides investment advisory services to the Manager of Fund II and Fund III.

Aermont Capital Real Estate Fund IV SCSp (‘Fund IV’) and Aermont Capital Real Estate Fund V SCSp (‘Fund V’) were incorporated on 22 March 2018 and 14 October 2021 respectively and commenced operations on 10 August 2018 and 31 March 2022 respectively. Fund IV and Fund V have been established for the purpose of making opportunistic investments in real estate as well as real estate related assets and businesses, focusing on investment opportunities within European markets. The Partnership has been appointed Investment Advisor for Fund IV and Fund V. The general partner of Fund IV and Fund V have appointed the Manager as Fund IV and Fund V’s alternative investment fund manager. The Manager has entered into an Investment Advisory Agreement under which the Partnership provides investment advisory services to the Manager of Fund IV and Fund V.

PGV SCSp (‘PGV’) has been formed as at 6 July 2022 and commenced operations on 27 August 2022. PGV has been established for the purpose of the acquisition and the growth of Pinewood Group. The Partnership has been appointed Investment Advisor for PGV. The general partner of PGV has appointed the Manager as PGV’s alternative investment fund manager. The Manager has entered into an Investment Advisory Agreement under which the Partnership provides investment advisory services to the Manager.

Fund II, Fund III, Fund IV, Fund V and PGV have no ownership interest in the Partnership.

### 2. Accounting policies

#### *Basis of accounting*

These financial statements have been prepared in accordance with applicable United Kingdom accounting standards, including Financial Reporting Standard 102 (‘FRS 102’).

The financial statements have also been prepared in accordance with applicable accounting standards, under the historical cost basis and in accordance with the Statement of Recommended Practice ‘Accounting by Limited Liability Partnerships’ (SORP) issued in December 2021.

The financial statements are presented in Sterling (£) and are rounded to the nearest pound. The functional currency of the Partnership is in Sterling (£).

## Notes to the financial statements

for the year ended 31 December 2022

### 2. Accounting policies (continued)

#### *Going concern*

In the context of the Covid-19 pandemic, the war in Ukraine, current macroeconomic conditions and their impacts on the Partnership's activity, the partners have made an assessment of the Partnership's ability to continue as a going concern for the period until 31 March 2024.

That assessment has taken into account:

- That the Partnership has sufficient financial resources and ongoing investment advisory contracts as at 31 December 2022, so the partners have confidence that the business will continue to operate during the going concern period ending 31 March 2024.
- The Partnership's cash flow forecasts, sensitivities regarding the key assumptions in those forecasts, as well as the principal risks and uncertainties – in particular, the ability of the counterparties to the advisory contracts to continue to meet their obligations under them.

The partners have considered the implications of the Covid-19 pandemic, the war in Ukraine and current macroeconomic conditions, as part of their assessment of the Partnership's ability to continue as a going concern. Having performed this assessment, the partners are satisfied that the Covid-19 pandemic, the war in Ukraine and current macroeconomic conditions have no material impact on the Partnership's ability to continue as a going concern, as cash inflows are secured by large institutional investors through capital commitments, from which management fees are payable to the Partnership. The management fees are received quarterly in advance. The Partnership has no debt and the cashflow forecasts show that the Partnership has sufficient resources to meet its financial liabilities as they fall due.

The partners believe that the Partnership is able to manage its business risks and to continue to operate during the going concern period ending 31 March 2024. Therefore, the annual financial statements have been prepared on a going concern basis.

#### *Turnover*

Turnover represents fees receivable for investment management and investment advisory services provided during the year and arising from continuing activities in the UK. Fees are recognised as services are provided.

#### *Other income*

Other income represents fees receivable for due diligence and other ancillary costs in relation to management services which are recharged to the Manager or related parties at nil margin. Other income is recognised when the services are provided.

#### *Foreign currencies*

Monetary assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of the transactions. Exchange differences are taken to the profit and loss account.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the date of the initial transactions. Exchange differences are taken to the profit and loss account.

#### *Pensions*

Contributions to defined contribution schemes are recognised in the profit and loss account in the year in which they become payable.

## Notes to the financial statements

for the year ended 31 December 2022

### 2. Accounting policies (continued)

#### *Operating leases*

Rentals payable under operating leases are charged to profit or loss on a straight-line basis over the lease term. The aggregate benefit of lease incentives is recognised as a reduction to the expense recognised over the lease term on a straight-line basis.

#### *Tangible fixed assets*

Tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses.

Depreciation is provided on all tangible fixed assets at rates calculated to write off the cost of each asset evenly over its expected useful life, as follows:

Furniture and fittings	– 5 years
Office equipment, software	– 3 years
Leasehold improvements	– 10 years

At each reporting date fixed assets are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset is estimated and compared with its carrying amount. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in the income statement.

#### *Debtors*

Debtors are initially recognised at transaction price and are subsequently measured at amortised cost using the effective interest rate method, less impairment. Any losses arising from impairment are recognised in the profit and loss account.

#### *Creditors*

Creditors are initially recognised at the transaction price and subsequently measured at amortized cost using the effective interest method.

#### *Cash*

Cash comprises cash at banks and on hand.

For the purpose of the cash flow statement, cash consists of cash at banks and on hand as defined above, net of outstanding bank overdrafts.

#### *Expenses*

All expenses are recognised on an accruals basis.

#### *Critical accounting judgements and key sources of estimation uncertainty*

The preparation of financial statements requires the use of critical judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses.

The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised if the revision affects only that year or in the year of the revision and future years if the revision affects both current and future years.

The partners consider that there are no critical judgements, estimates and assumptions that affect the application of accounting policies during the 2022 year.

## Notes to the financial statements

for the year ended 31 December 2022

### 2. Accounting policies (continued)

#### *Members' drawings and the subscription and repayment of members' capital*

In accordance with the LLP Agreement, from time to time the Partnership determines the amount of profit to be treated as distribution to members. Profits are treated as allocated. Profit is allocated on a discretionary basis per the LLP Agreement and therefore is shown as 'Profit for the financial year available for discretionary division among members' in the profit and loss account and therefore is within an equity reserve, 'members' other reserves', on the balance sheet.

Drawings are treated as payments on account of profit allocation and are only repayable to the Partnership so far as there are insufficient profits to allocate against such drawings. Any drawings in excess of total profits allocated would be included within 'amounts due from members' within debtors.

The capital requirements of the Partnership are determined by the members/Board and are reviewed regularly. Each member is required to subscribe a proportion of this capital. The amount of capital subscribed by each member is usually linked to the earnings allocated to that member.

### 3. Turnover and other income

Turnover arises in the United Kingdom and relates to management services rendered. Other income represents fees receivable for due diligence and other ancillary costs in relation to management services which are recharged to the Manager or related parties at nil margin.

Included in ancillary costs that have been recharged and included in other income is £56,022 (2021: £nil) of non audit services – tax advisory.

### 4. Operating profit

This is stated after charging:

	2022	2021
	£	£
Auditors' remuneration – audit services	57,928	74,000
Non audit services – tax advisory	62,885	65,325
Other tax services	(7,460)	126,500
Lease charge	519,924	519,924
Depreciation	101,568	115,637
Foreign exchange loss	111,963	426,535
	<b>846,808</b>	<b>1,327,921</b>

### 5. Staff costs

Included in cost of sales and administrative expenses are staff costs as shown below:

	2022	2021
	£	£
Wages and salaries	8,484,975	7,112,414
Social security costs	1,166,775	950,577
Pension costs	219,528	183,443
	<b>9,871,278</b>	<b>8,246,434</b>

## Notes to the financial statements

for the year ended 31 December 2022

### 5. Staff costs (continued)

The average number of employees during the year was 23 out of which 19 are investment deal professionals and 4 are support staff (2021 - 20 out of which 16 are investment deal professionals and 4 are support staff).

Except for allocation of profit under the LLP Agreement, no member received remuneration for the year ended 31 December 2022 (2021 - £nil).

	2022 £	2021 £
Profit for the financial year before profit share	13,365,550	7,812,740
Profit for the financial year available for discretionary division among members	13,365,550	7,812,740
Profit allocation in the year in respect of the member with the largest share of profits	7,823,359	3,637,644

The average number of members during the year was 4 (2021 - 4).

### 6. Tangible fixed assets

	Leasehold improvements £	Furniture & fittings £	Other equipment £	TOTAL £
<b>Cost</b>				
As at 1 January 2021	830,838	80,500	84,839	996,177
Additions	-	-	1,857	1,857
As at 31 December 2021	830,838	80,500	86,696	998,034
Additions	-	-	11,275	11,275
As at 31 December 2022	830,838	80,500	97,971	1,009,309
<b>Depreciation</b>				
As at 1 January 2021	(411,754)	(77,903)	(43,148)	(532,805)
Depreciation	(85,237)	(2,597)	(27,803)	(115,637)

<b>Net book value</b>				
At 31 December 2022	248,610	-	10,689	259,299
At 31 December 2021	333,847	-	15,745	349,592

## Notes to the financial statements

for the year ended 31 December 2022

### 7. Debtors

	2022	2021
	£	£
Amounts due from related entities	7,151,796	5,816,260
Prepayments	547,082	436,452
Amounts due from members	1,200,000	1,200,000
Other debtors and accrued income	255,076	573,973
	<u>9,153,954</u>	<u>8,026,685</u>

### 8. Creditors: amounts falling due within one year

	2022	2021
	£	£
Trade creditors	555,609	663,038
Accruals	1,019,404	660,866
Taxation and social security	3,274,813	2,645,197
Other creditors	147,327	189,483
	<u>4,997,153</u>	<u>4,158,584</u>

Management assessed that the fair values of cash, trade and other receivables, trade payables and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

### 9. Related party transactions

#### *ACM in relation to Fund II*
