Report of the Members for the year ended 31 December 2013

The members present their report together with the financial statements for the year ended 31 December 2013.

Results

The profit and loss account is set out on page 3 and shows the profit for the year.

Principal activities, review of the business and future developments

The entity's principal activity is to provide advisory and administrative services to Virgin Green Fund I, L.P. "Virgin Green Fund".

Results for the year and allocation to members

Profit for the year attributable to members was £132,814 (2012 – profit of £190,332).

Principal risks and uncertainties

It is the member's opinion that there are no significant risks or uncertainties facing the LLP other than the systematic risk that exists in the financial sector.

Designated members

The designated members during the year were:

Managing Member - VGF I Limited Class A Member - Virgin Management Limited Class B Member - Shai Weiss

Policy with respect to members' drawings and the subscription and repayment of members' capital

Allocations

Net losses are allocated between members in accordance with their LLP percentages at the end of the accounting period.

Net income is allocated firstly to Class B Members and Residual Members in order to clear any Fixed Drawings Profit Shortfall from previous accounting periods and the current accounting period. Any excess net income will be allocated to the members, including Class B Members, pro rata to their LLP percentages at the end of the accounting period.

Distributions

Class B members are entitled to fixed drawings paid monthly, based on an amount determined annually by the Managing Member. No other member may be given an entitlement to fixed drawings. If the cumulative net income is less than the payments to Class B members, then in accordance with the LLP Agreement, the payments are treated as a non-interest bearing and non-recourse loan, not recoverable other than through the allocation of future net income. Any excess net income after such allocation shall be allocated between the members, including Class B members pro rata to their LLP percentages.

Distributions, other than fixed drawings and allocations of net income are agreed by the Managing Member and in proportion to the members LLP percentages.

Report of the Members for the year ended 31 December 2013

Policy with respect to members' drawings and the subscription and repayment of members' capital (Continued)

Capital

Each member contributed to the capital of the LLP on their admission to the LLP. Additional capital was contributed during the period ended 31 December 2008. Each member's interest in the LLP is subject to a right of repurchase by the LLP. Upon cessation of membership of the LLP the repayment of capital contributions is at the discretion of the LLP.

In the event of the LLP being wound up, no member has agreed with other members that he shall contribute in any way to the assets of the LLP in accordance with section 74 of the insolvency act.

Members' responsibilities

The members are responsible for preparing the members' report and financial statements in accordance with applicable law and regulation.

The Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008 require the members to prepare financial statements for each financial year. Under these regulations the members have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under these regulations the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Limited Liability Partnership and of the profit or loss of the Limited Liability Partnership for that period.

In preparing these financial statements, the members are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Limited Liability Partnership will continue in business.

The members are responsible for keeping adequate accounting records that are sufficient to show and explain the Limited Liability Partnership's transactions, disclose with reasonable accuracy at any time the financial position of the Limited Liability Partnership, and enable them to ensure that the financial statements comply with the Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008. They are also responsible for safeguarding the assets of the Limited Liability Partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the members of the Limited Liability Partnership on 25 April 2014.

Notes Forming Part of the Financial Statements for the year ended 31 December 2013

1 Accounting policies

The financial statements have been prepared under the historical cost convention and in accordance with applicable accounting standards and the Statement of Recommended Practice on Accounting by Limited Liability Partnerships.

The following principal accounting policies have been applied:

Turnover

The turnover shown in the profit and loss account represents amounts due for investment advisory services recognised on an accruals basis during the year.

Members interest

All amounts due to members are classified as equity or liabilities in accordance with FRS 25 and UITF 39.

Depreciation

Depreciation is provided to write off the cost, less estimated residual values, of all tangible fixed assets, evenly over their estimated useful lives. It is calculated at the following rates:

Leasehold improvements

20% straight line

Computer equipment

331/3% straight line

Foreign currency

Foreign currency transactions are translated into sterling at the rates ruling when they occurred. Foreign currency monetary assets and liabilities are translated at the rates ruling at the balance sheet date. Any differences are taken to the profit and loss account.

Leased assets

All leases are operating leases. Their annual rentals are charged to the profit and loss account on a straight-line basis over the term of the lease.

Pension costs

Contributions to the partnership's defined contribution pension scheme are charged to the profit and loss account in the year in which they become payable.

Taxation

Income tax payable on the LLP's profits is solely the personal liability of the individual Members and consequently is not dealt with in these financial statements.

Financial Instruments

The partnership uses forward foreign currency contracts to fix its exposure to fluctuations in foreign exchange rates. Any gains or losses from the forward foreign exchange contracts are taken to the profit and loss account on exercise. There were no financial commitments outstanding at year end.

2 Turnover

Turnover is wholly attributable to the principal activity of the partnership and arises solely within the United Kingdom.
