- (b) the Secured Obligations have been unconditionally and irrevocably paid and discharged in full or (if earlier) all of the Security hereby created has been unconditionally released and discharged.

## 1.2 Terms defined in other Finance Documents

Unless defined in this Assignment, or the context otherwise requires, a term defined in the Facility Agreement, the Original Assignment or in any other Finance Document has the same meaning in this Assignment, or any notice given under or in connection with this Assignment, as if all references in those defined terms to the Facility Agreement, the Original Assignment or other Finance Document were a reference to this Assignment or that notice.

### 1.3 Construction

Clause 1.2 (*Construction*) of the Facility Agreement will apply as if incorporated in this Assignment, or in any notice given under or in connection with this Assignment, as if all references in that Clause to the Facility Agreement were a reference to this Assignment or that notice.

### 1.4 Disposition of Property

The terms of the Facility Agreement and each other Finance Document and of any side letters between the Parties in relation to the Finance Documents are incorporated into this Assignment and each other Finance Document to the extent required for any purported disposition of any Property contained in any Finance Document to be a valid disposition in accordance with Section 2(1) of the Law of Property (Miscellaneous Provisions) Act 1989.

### 1.5 Clawback

If the Security Trustee considers that any amount paid or credited to any Finance Party is capable of being and is reasonably likely to be avoided or reduced by virtue of any bankruptcy, insolvency, liquidation or similar laws, the liability of the Assignors under this Assignment and the Security constituted by those documents will continue and such amount will not be considered to have been irrevocably paid.

### 1.6 Third Party Rights

A person who is not a Party has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce or to enjoy the benefit of any term of this Assignment.

### 1.7 Deed

It is intended that this Assignment takes effect as a deed notwithstanding the fact that a party may only execute this document under hand.

### 1.8 Supplemental security

It is agreed and acknowledged that the Security created or purported to be created pursuant to this Deed shall be supplemental and without prejudice to the Security created or purported to be created pursuant to the Original Assignment and accordingly such Security created or purported to be created pursuant to the Original Assignment shall remain in full force and effect.

## 2 COVENANT

Each Assignor as primary obligor and not merely as surety, covenants with and undertakes to the Security Trustee (on behalf of the Obligors) that it will pay or discharge the Secured Obligations on the due date therefor in the manner provided in the relevant Finance Documents.

### 3 ASSIGNMENTS

#### 3.1 Assignment

Each Assignor hereby assigns by way of security for the payment and discharge of the Secured Obligations absolutely to the Security Trustee as security trustee for the Finance Parties with full title guarantee in accordance with the Law of Property (Miscellaneous Provisions) Act 1994 all of its rights, title, interests, remedies, powers and privileges in and to the Management Fee Income (the “**Assigned Property**”).

#### 3.2 Re-assignment

Notwithstanding the absolute assignment in Clause 3.1 (*Assignment*), if at any time the whole of the Secured Obligations have been paid or discharged in full and the Secured Parties are under no commitment, obligation or liability under the Facility Agreement to lend money or provide other financial accommodation to the Obligors, the Security Trustee shall, at the request of the Assignors and reasonable cost of the Obligors, promptly re-assign the Assigned Property to the Assignors without any representation, recourse or warranty or otherwise discharge the Security created under this Assignment.

### 4 CONTINUING SECURITY

#### 4.1 Continuing Security

The Security constituted by this Assignment shall be a continuing security which shall extend to all the Secured Obligations, shall not be considered as satisfied or discharged by any intermediate payment or settlement of all or any of such Secured Obligations and is in addition to and independent of and shall not prejudice, affect or merge with any other Security which the Security Trustee may hold at any time for any of the Secured Obligations.

#### 4.2 Breaking of Accounts

If the Security Trustee receives notice of any Security (other than Security created pursuant to this Assignment) created after the date hereof and affecting any of the Assigned Property or if the Security constituted hereby ceases to be continuing Security:

- (a) the Security Trustee may open a new account or accounts in respect of any or all of the Secured Obligations, and if it does not do so it shall be treated as if it had done so at the time it received such notice or at the time such Security ceased to be continuing; and
- (b) all payments made by each Assignor to the Security Trustee after the Security Trustee receives such notice shall be credited, or shall be treated as having been credited, to a new account and not as having been applied in or towards payment of all or any of the Secured Obligations.

#### 4.3 Avoided Payments

Where any reassignment or discharge or other arrangement in respect of any of the Secured Obligations or any Security the Security Trustee may hold for any of the Secured Obligations is made in reliance on any payment, security or other disposition which is avoided or must be restored in an insolvency, liquidation or otherwise without limitation, this Assignment shall, whether or not the Security Trustee has conceded or compromised any claim that any payment, security or other disposition will or should be avoided, continue as if such discharge or other arrangement had not been made.

#### 4.4 Appropriations

Until all the Secured Obligations have been unconditionally and irrevocably paid and discharged in full, the Security Trustee (after this Assignment has become enforceable in accordance with Clause 10 (*Enforcement of Security*)) may refrain from applying or enforcing any other moneys, Security or rights held or received by it in respect of such Secured Obligations or apply and enforce the same in such manner and order as it sees fit (but against the Secured Obligations only) subject to Clause 13 (*Application of proceeds*). Any such appropriation shall override any purported appropriation by any Assignor, and such Assignor shall not be entitled to the benefit of the same.

#### 4.5 Suspense Account

Until all the Secured Obligations have been unconditionally and irrevocably paid and discharged in full, after this Assignment has become enforceable in accordance with Clause 10 (*Enforcement of Security*), the Security Trustee may hold in a suspense account any moneys received from any of Assignor or otherwise in respect of any of the Secured Obligations.

### 5 REPRESENTATIONS AND WARRANTIES

Each Assignor makes the following representation and warranty to the Security Trustee (on behalf of the Finance Parties) (i) on the date of this Assignment and (ii) by reference to the facts and circumstances then existing, on the same dates as the representations and warranties contained in the Facility Agreement in accordance with clause 22 (*Representations*) of the Facility Agreement, and acknowledges that the Security Trustee, on behalf of the Finance Parties, has entered into the Finance Documents in reliance on such representations and warranties.

### 6 ASSIGNED PROPERTY

Each Assignor is the sole legal and beneficial owner of the assets over which it purports to grant Security pursuant to this Agreement.

### 7 UNDERTAKINGS

Each Assignor undertakes as follows to the Security Trustee (on behalf of the Finance Parties) throughout the Security Period:

### 7.1 Negative Pledge

It shall not, except pursuant to this Assignment, create or agree or attempt to create or permit to exist (in favour of any person other than the Security Trustee, on behalf of the Finance Parties), any Security (other than a Permitted Security) over the whole or any part of the Assigned Property or agree to do so.

### 7.2 Compliance

Each Assignor shall, at any time after the occurrence of a Declared Default or a Material Event of Default, do or permit to be done each and every act or thing the Security Trustee may from time to time require to be done for the purpose of enforcing the Security Trustee's rights under this Assignment and shall allow that Assignor's name to be used as and when required by the Security Trustee for that purpose.

### 7.3 Notice of Assignment

Each Assignor shall promptly upon execution of this Assignment (or, if later, the date upon which a document is designated a Material Document for the purposes of this Assignment) serve a notice, substantially in the form of Part I of Schedule 1 (*Form of Notice and Acknowledgement for Counterparty*), on each counterparty to each such Material Document to which it is a party and use reasonable endeavours to procure that each such counterparty acknowledges that notice by signing and returning to the Security Trustee an acknowledgement substantially in the form of Part II of Schedule 1 (*Form of Notice and Acknowledgement for Counterparty*) as soon as practicable.

## 8 TACKING

For the purposes of section 94(1) of the Law of Property Act 1925 the Security Trustee confirms on behalf of the Lenders that the Lenders shall make further advances to the Borrower on the terms and subject to the conditions of the Finance Documents.

## 9 FURTHER ASSURANCES

### 9.2 Further action

Each Assignor shall, at the reasonable expense of the Obligors from time to time, execute and give all such assurances and do all acts and things as the Security Trustee may reasonably require under the laws of any jurisdiction governing the Assigned Property:

- (b) following the occurrence of a Declared Default or a Material Event of Default, to facilitate the sale of the Assigned Property or any part thereof or the exercise by the Security Trustee of any of the rights, powers, authorities and discretions vested in it or any Receiver of the Assigned Property or any part thereof or any such delegate or sub-delegate as aforesaid, including to facilitate vesting all or part of such assets in the name of the Security Trustee or in the names of its nominee, agent or any purchaser.

To that intent, without prejudice to the generality of the foregoing and subject to the terms and conditions set out in the other Clauses of this Assignment, each Assignor shall, following the occurrence of a Declared Default or a Material Event of Default, execute all transfers, sales, dispositions and appropriations (whether to the Security Trustee or otherwise) and shall give all notices, orders and directions and make all registrations which the Security Trustee may reasonably consider expedient.
