Legislation applicable to limited liability partnerships requires the members to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the LLP and of the profit and loss of the LLP for that period. In preparing those financial statements, the members are required to:

- \* make judgements and estimates that are reasonable and prudent;
- \* state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts.

The members are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
