Dear Sir / Madam

**Elysian Fuels 7 LLP to Elysian Fuels 12 LLP**  
**Elysian Fuels 15 LLP to Elysian Fuels 22 LLP**  
**Elysian Fuels 25 LLP, Elysian Fuels 26 LLP, Elysian Fuels 31 LLP**  
**Elysian Fuels 33 LLP, Elysian Fuels 36 LLP**  
**- All in Liquidation (the LLPs)**

**1 Introduction**

- 1.1 Following my appointment as joint liquidator of the LLPs with Kevin J Hellard on 14 April 2016, in accordance with Part 18 of the Insolvency (England and Wales) Rules 2016 we now report on the progress of the liquidations for the year ended 13 April 2020 and attach:
- Appendix A, an account of our receipts and payments for the year ended 13 April 2020 and also for the whole liquidation to that date for each of the LLPs
  - Appendix B, Statement of Insolvency Practice 9 disclosure
  - Appendix C, Statutory Information
- 1.2 The LLPs were incorporated between 2010 and 2013 together with another 16 Elysian Fuels LLPs. Kevin Hellard and I were also appointed joint liquidators in relation to 13 of these LLPs (the Other LLPs) on other dates in April and May 2016. However, separate reports are required to be sent to the creditors and members of the Other LLPs due to the appointment dates being different.
- 1.3 Given a significant amount of work will be indistinguishable between the LLPs and to save costs, HMRC, the only creditor, has agreed that the joint liquidators' costs for both the LLPs and Other LLPs can be charged to one client number as opposed to 33 different numbers. As such, there is only one SIP9 disclosure within Appendix B which encompasses the joint liquidators' costs across all of the LLPs and the Other LLPs.
- 1.4 However, please note that it remains a requirement for the joint liquidators to maintain separate receipts and payments accounts for each of the LLPs and the Other LLPs.
- 1.5 Please note that we are both authorised by the Insolvency Practitioners Association to act as insolvency practitioners. We are bound by the Insolvency Code of Ethics when carrying out all professional work relating to an insolvency appointment.

## 2 Statutory information

The LLPs' statutory details are as follows:

Court reference number: Appendix C

Registered number: Appendix C

Registered office: 30 Finsbury Square, London EC2P 2YU

## 3 Progress report

- 3.1 As advised in our previous reports, our investigations have noted that the LLPs and the Other LLPs received a total of approximately £241million of investment funds, and the majority of funds received by the LLPs were paid to a related company (now in liquidation) for the provision of advance services. This company in turn loaned funds to a connected company also now in liquidation.
- 3.2 Our previous report advised that Kevin and I were also appointed joint liquidators over the two above-mentioned connected companies, namely Vireol Limited (Vireol) and Ebury Engineering Services Limited (Ebury) along with Anthony Wright of FRP Advisory LLP. Our investigations into these two companies are continuing and this will in turn assist our investigations into the above-mentioned transactions involving the LLPs and the Other LLPs.
- 3.3 Our investigations as liquidators of Vireol highlighted loans of c£4.6m made to a connected entity which were not repaid. We reviewed a significant volume of books and records relating to Vireol that were received from FRP Advisory LLP and a detailed analysis of Vireol's bank accounts was also undertaken. This highlighted to us based on those records that Vireol was insolvent at the date of the loans.
- 3.4 Our solicitors and Counsel have advised that there is a potential claim against the directors of Vireol for breaching their duties by causing or allowing Vireol to make the loans when it appeared to be insolvent.
- 3.5 During the period and following Counsel's advice, as liquidators of Vireol, we issued a Letter Before Action (LBA) to eight former directors of Vireol.
- 3.6 We have received a response from all eight directors acknowledging receipt of the LBA and requesting a further 3-month extension to provide a detailed response due to the number of defendants, their advisors facing Covid-19 disruption and the complexity of the claim. We approved a six-week extension to their request and further responses have recently been received which we are in the process of reviewing.
- 3.7 The LLPs and Other LLPs are significant creditors of Vireol and Ebury and therefore, if this action is successful then this could result in a dividend flow back to the LLPs and Other LLPs.
- 3.8 Further to this, our previous report also mentioned that we had received requests from various members of the Other LLPs to provide disclosure of documents relating to the Other LLPs. Memery Crystal LLP were instructed to assist, and it was agreed we would provide the information requested if the various members agreed to pay our costs in undertaking this exercise. An estimate for these costs was provided to the members but we have received no response to date and therefore no information has been provided.
- 3.9 It was recently discovered that an incorrect appointment document had been filed at Companies House for one of the Other LLPs, Elysian Fuels 35 LLP. The document stated that the appointment date of the Joint Liquidators was 15 April 2016 when in fact it was 25 April 2016. Unfortunately, Companies House require a Court Order to rectify this issue. The terms of the draft order have been approved by Companies House and the witness statement has recently been signed. The application is being dealt with on paper and we are currently awaiting the outcome of this.

## 4 Creditors

- 4.1 There are no preferential creditors in this matter.
- 4.2 HMRC is the only unsecured creditor and they have submitted claims in the LLPs totalling £2,867,037.
- 4.3 Unfortunately, there are currently insufficient funds available for a distribution to be made to creditors.

## **5 Investigations into the affairs of the LLPs**

- 5.1 The joint liquidators continue their investigations into the affairs of the LLPs, and we shall be pleased to receive from any creditor any useful information concerning the LLPs, its dealing or conduct which may assist us in our investigations into the LLPs' affairs.

## **6 Remuneration and expenses**

- 6.1 On 7 June 2017 HMRC resolved that the joint liquidators' remuneration be fixed by reference to time costs with an estimate of £465,885 plus an uplift of 25% (plus VAT) for the LLPs and the Other LLPs.
- 6.2 You will note from the SIP9 table within Appendix B that the joint liquidators' time costs for the period from 14 April 2019 to 13 April 2020 are £80,712 representing 268 hours at an average hourly rate of £301. The joint liquidators' total time costs incurred to 13 April 2020 are £695,492 representing 2,342 hours at an average hourly rate of £297. No fees have been drawn to date.
- 6.3 As such, the fees estimate has been exceeded. The reason for the excess is due to the fact that the estimate only related to Phases 1 and 2 of the joint liquidators' investigations. In addition, this estimate was provided in May 2017 and the extent of work that has since been undertaken was not clear at that point.
- 6.4 As stated in previous correspondence, the work involved with Phase 1 of the joint liquidators' investigations related to initial investigations and included:
- Attendance at registered office for the LLPs and gathering information.
  - Dealing with seeking an image of the IT records relating to the LLPs
  - Attendance at the accountants and gathering and reviewing information provided
  - Review of the legal documentation and agreements for the structure of the LLPs
  - Consultation with solicitors
  - Detailed research into connected entities and persons
  - Forensic analysis of the LLPs' bank accounts
- 6.5 The work involved with Phase 2 of the joint liquidators' investigations related to pursuing any identified assets or claims and has included:
- Consultation with solicitors and preparation of instructions to Counsel to formulate case strategy
  - Conferences with Counsel
  - Enquiries with third parties and correspondence with their instructed solicitors
  - Communications with investors
  - Analysis of the LLPs' tax position
  - Comparison exercise of the LLPs' agreements, accounts, bank accounts and transactions with Ebury and Vireol
- 6.6 In this case, in order to investigate the LLPs' affairs further we required information surrounding the LLPs' relationships with Vireol and Ebury. This information was not forthcoming as various third parties did not initially cooperate with our requests. As such solicitors' assistance was required which resulted in additional unexpected time costs.

- 6.7 The full extent of the relationship between Vireol and Ebury with the LLPs was not known at the time of the estimate and the link and correlation was only discovered after our appointment as liquidators of those companies hence leading to additional time costs.
- 6.8 Furthermore, we received a significant number of files and records relating to the LLPs which was not envisaged at the outset. As such the review of these files resulted in further unexpected time costs.
- 6.9 Our investigations into the investment funds referred to above have proven to be more complex than originally anticipated and therefore have required a substantial amount of input from solicitors and Counsel which has resulted in additional time costs.
- 6.10 In addition, the fee estimate has been exceeded due to the additional work required as a result of the requests for disclosure from various members of the Other LLPs.
- 6.11 It was intended that a further estimate for future work would be provided to creditors following the completion of Phase 2. However, the joint liquidators' future work will be governed by the outcome of their investigations into the affairs of Vireol and Ebury which, as mentioned above, are ongoing. As such, an estimate for the joint liquidators' future costs is not being provided at this time.
- 6.12 Memery Crystal LLP are instructed on a CFA basis with an uplift of 100% and will only be paid if realisations are achieved. Legal costs and expenses in the period 14 April 2019 to 13 April 2020 are £37,140. Their total legal costs and expenses up to 13 April 2020 are £172,354 and £500 respectively.
- 6.13 Further details about remuneration and expenses are provided in Appendix B to this report.

## **7 Contact from third parties**

- 7.1 Please be aware fraudsters have been known to masquerade as the legitimate liquidator. The fraudster will contact creditors asking for an upfront fee or tax to release an investment or pay a dividend/ to enable release of money payable to the creditor. A liquidator would never ask for such a payment nor instruct a third party to make such a request.

## **8 Data Protection**

- 8.1 Any personal information held by the LLPs will continue to be processed in accordance with completing the liquidation of the LLPs and in accordance with meeting our requirements under applicable Data Protection Legislation/law in the United Kingdom. Our privacy notice on our website ([www.granthornton.co.uk/en/privacy](http://www.granthornton.co.uk/en/privacy)) contains further details as to how we may use, process and store personal data.

## **9 Covid-19**

- 9.1 This report has been produced during the Covid-19 restrictions. We have taken every reasonable step to ensure that the information is accurate, but if anything is incorrect or incomplete, we will provide an explanation and corrected information in the next progress report.

Should you have queries please contact Christopher Lisle on 020 7728 2157 or email [Christopher.D.Lisle@uk.gt.com](mailto:Christopher.D.Lisle@uk.gt.com).

Yours faithfully  
for and on behalf of the LLPs

## Payments, remuneration and expenses to the joint liquidators or their associates

Elysian Fuels 7 LLP to Elysian Fuels 12 LLP, Elysian Fuels 15 LLP to Elysian Fuels 22 LLP

Elysian Fuels 25 LLP, Elysian Fuels 26 LLP, Elysian Fuels 31 LLP, Elysian Fuels 33 LLP, Elysian Fuels 36 LLP

- All in Liquidation (the LLPs)

### Statement of Insolvency Practice 9 disclosure

This appendix has been prepared in conjunction with the requirements of the Insolvency Act 1986, the Insolvency (England and Wales) Rules 2016 (the Rules) and Statement of Insolvency Practice 9 (SIP9). In summary, it covers:

- fee basis
- work done by the joint liquidators and their team during the period
- hourly charge out rates
- disbursements and expenses
- sub-contracted out work
- payments to associates
- relationships requiring disclosure
- information for creditors (rights, fees, committees)

## Fee basis of the joint liquidators

On 7 June 2017 HMRC resolved that the joint liquidators' remuneration be fixed by reference to time costs with an estimate of £465,885 plus an uplift of 25% (plus VAT) and an expenses estimate of £2,500 for the LLPs and the Other LLPs. Also, as a significant amount of work will be indistinguishable between the LLPs and to save costs, HMRC have agreed that joint liquidators' costs for both the LLPs and the Other LLPs to be charged to one client account number, as opposed to 33 different numbers.

During the period from 14 April 2019 to 13 April 2020 (the Period) time costs were incurred totalling £80,712 represented by 268 hours at an average charge out rate of £301 per hour. This brings cumulative time costs at the Period end to £695,492 of which we have not drawn any fees. Description of the work done in the Period is provided in the respective section below.

As at the Period end, as shown in the 'Work done' section below, cumulative recorded time costs have exceeded the time costs in the fees estimate and expenses have exceeded the expense estimate, both of which were provided to the creditors prior to the determination of our fee basis.

The reasons for the excess have been set out in previous correspondence issued to creditors and are explained in the progress report, in section 6 'Remuneration and expenses'. In summary:

- The fees estimate related to Phase 1 and Phase 2 of the joint liquidators' investigations and did not provide an estimate for further Phases of work
- Additional time costs were incurred to investigate the LLPs' relationship with Vireol and Ebury which resulted in the joint liquidators being appointed over both of these companies
- The requests for disclosure from various members of the Other LLPs resulted in additional unexpected time costs
- Correcting the appointment document filed at Companies House resulted in additional unexpected time costs

Under r18.30 of the Rules, we are not permitted to draw remuneration in excess of the total amount set out in the fees estimate, £465,885, without approval. At present we are not seeking approval to draw remuneration in excess of our fees estimate, however we reserve our right to do so in the future.

## Work done by the joint liquidators and their team during the Period

We are required to detail costs of actual work done in the Period, including any expenses incurred in connection with it, as against any fees estimate provided. Our fees estimate was included within our letter to creditors dated 16 May 2017. We are also required to provide narrative explanation of the work done. The following tables (narrative followed by numerical) set out this information for the joint liquidators' fees incurred together with a numerical fees estimate variance analysis. Reasons for any excess of the fees estimate are included in the 'Fee basis' section above. Details of expenses incurred in connection with work done are provided in the 'Disbursements and expenses' section below.

Please note, the uplift included in our agreed fee basis is in addition to the fees included in the table below however, as stated above, we are not permitted to draw remuneration in excess of the total amount set out in the fees estimate, £465,885, without approval.

Disbursements are expenses met by and reimbursed to an office holder in connection with an insolvency appointment and fall into two categories:

### Category 1 disbursements

These are also known as 'out of pocket expenses' and are payments to independent third parties where there is specific expenditure directly referable to the insolvent estate; they can be drawn without prior approval and consist of the following categories:

- Travel and subsistence – these costs, which exclude mileage, are incurred by staff in attending trading premises or meetings, for example
- Office costs – these are costs such as postage or courier charges which are incurred in managing the case
- Statutory costs – these are costs such as bonding and advertising relating specifically to the case, which are required by statute

They also include expenses which have been paid using a Grant Thornton Loan, the balance of which (if any) can be seen on the joint liquidators' receipts and payment account at Appendix A (Elysian Fuels 1 LLP & Elysian Fuels 36 LLP).

Confidential

**Category 2 disbursements**

These are expenses that are directly referable to the insolvent estate but not a payment to an independent third party. They may include shared or allocated costs that may be incurred by an office holder or their firm, and that can be allocated to the appointment on a proper and reasonable basis. Category 2 disbursements require approval in the same manner as an office holder's remuneration. To the extent that recovery of category 2 disbursements is sought, this will be for mileage only. Mileage is charged at 45p a mile. VAT is added as appropriate. Details of these costs are also provided in the table above.
