L1 ENERGY (UK) LLP
MEMBERS' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2017

The Members of L1 Energy (UK) LLP (the "Partnership") present their report (the "Members' Report"), together with the audited financial statements (the 'Financial Statements') of the Partnership for the year ended 31 December 2017.

PRINCIPAL ACTIVITIES

The principal activity of the Partnership during 2017 was the provision of investment advisory and intermediation services to Letterone Corporate Advisor Limited, a company incorporated and registered in Gibraltar. The Partnership forms a part of the Letterone Holdings Group, a privately owned Luxembourg-based international investment business, that is headed by Letterone Holdings S.A.

RESULTS AND REVIEW OF THE FINANCIAL YEAR

The Partnership's profit for the financial year before Members' remuneration and profit share was \$7,349,073 (2016: \$9,294,019). The Partnership's balance sheet as detailed on page 7 shows a satisfactory position, with net assets of \$3,048,582 (2016: \$3,753,776).

The results for the year and the financial position at the year-end were considered satisfactory by the Members. The Partnership has seen good progress in business development in the year and the Members are confident that this will continue in the year ending 31 December 2018.

MEMBERS

The Members of the Partnership during the year under review and up to the date of this report are as stated on page 1.

During the year under review and up to the date of this report the Designated Members of the Partnership were Letterone Corporate Partner S.à r.l. and S Roache.

MEMBERS' PROFIT ALLOCATION

Any profits are shared among the Members as determined by the Management Committee of the Partnership in accordance with the Limited Liability Partnership Deed in respect of the Partnership dated 2 March 2015 (the "Partnership Agreement").

POLICIES FOR MEMBERS' DRAWINGS, PROFIT ALLOCATIONS AND CAPITAL

Policies for Members' drawings, profit allocations, capital contributions and repayment of Members' capital are governed by the Partnership Agreement. In summary, the capital is contributed by each Member upon admission to the Partnership and is repayable upon the death, retirement or expulsion of the Member or in such other cases provided under, and in any event subject to the terms and conditions of, the Partnership Agreement. Each Member receives a monthly drawing in anticipation of future profits and any profit allocations.

FUTURE DEVELOPMENTS

The Members do not anticipate any significant changes to the current business model and are optimistic regarding the future development of the Partnership.

FINANCIAL RISK MANAGEMENT

The principal risk or uncertainty facing the Company is that relating to foreign exchange risk. Foreign exchange risk arises as the value of future transactions, monetary assets and monetary liabilities denominated in other currencies fluctuate due to changes in foreign exchange rates. The Functional and Presentational currency is USD.

The Management Committee monitors the foreign exchange exposure on all foreign currency denominated assets and liabilities.

KEY PERFORMANCE INDICATORS ("KPIs")

Given the straightforward nature of the business, the Members are of the opinion that analysis using KPIs is not necessary for an understanding of the development, performance or position of the business. The directors do however review management information on an ongoing basis to assess performance.

L1 ENERGY (UK) LLP

**MEMBERS' REPORT(continued)
FOR THE YEAR ENDED 31 DECEMBER 2017**

GOING CONCERN

The Partnership has adequate financial resources and as a consequence, the Members believe that the Partnership is well placed to manage its business risks successfully. The Members have a reasonable expectation that the Partnership has adequate resources to continue in operational existence and meet its liabilities as they fall due for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the Members' report and financial statements.

STATEMENT OF MEMBERS' RESPONSIBILITIES IN RESPECT OF THE FINANCIAL STATEMENTS

The Members are responsible for preparing the Members Report and the financial statements in accordance with applicable law and regulation.

Company law, as applied to limited liability partnerships by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 (the "Regulations"), requires the Members to prepare financial statements for each financial year. Under that law the Members have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law). Under company law, as applied to limited liability partnerships, the Members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the limited liability partnership and of the profit or loss of the limited liability partnership for that period. In preparing the financial statements, the Members are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 102, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the limited liability partnership will continue in business.

The Members are responsible for keeping adequate accounting records that are sufficient to show and explain the limited liability partnership's transactions and disclose with reasonable accuracy at any time the financial position of the limited liability partnership and enable them to ensure that the financial statements comply with the Companies Act 2006 as applied to limited liability partnerships by the Regulations.

The Members are also responsible for safeguarding the assets of the limited liability partnership and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the Members are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the Partnership's auditors are unaware, and each Member has taken all the steps that he ought to have taken as a Member in order to make himself aware of any relevant audit information and to establish that the Partnership's auditors are aware of that information.

INDEPENDENT AUDITORS

The auditors, PricewaterhouseCoopers LLP have indicated their willingness to continue in office and a resolution concerning their reappointment will be proposed

ON BEHALF OF THE MEMBERS:

Independent auditors' report to the members of L1 Energy (UK) LLP

Report on the audit of the financial statements

Opinion

In our opinion, L1 Energy (UK) LLP's financial statements:

- give a true and fair view of the state of the limited liability partnership's affairs as at 31 December 2017 and of its profit and cash flows for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006 as applied to limited liability partnerships by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008.

We have audited the financial statements, included within the Report of the Members and Audited Financial Statements (the "Annual Report"), which comprise: the Balance Sheet as at 31 December 2017; the Income Statement, the Cash Flow Statement, the Statement of Changes in Members' Interests for the year then ended; and the notes to the financial statements, which include a description of the significant accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the limited liability partnership in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you when:

- the members' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the members have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the limited liability partnership's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the limited liability partnership's ability to continue as a going concern.

Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The members are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

Independent auditors' report to the members of L1 Energy (UK) LLP

Responsibilities for the financial statements and the audit

Responsibilities of the members for the financial statements

As explained more fully in the Statement of Members' Responsibilities set out on page 3, the members are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The members are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the members are responsible for assessing the limited liability partnership's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the members either intend to liquidate the limited liability partnership or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of this report

This report, including the opinion, has been prepared for and only for the members of the partnership as a body in accordance with the Companies Act 2006 as applied to limited liability partnerships by the Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008 and for no other purpose. We do not, in giving this opinion, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Other required reporting

Companies Act 2006 exception reporting

Under the Companies Act 2006 as applicable to limited liability partnerships we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the limited liability partnership, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

The financial statements are presented in US Dollar (USD), which is the functional currency because the greater value of transactions, are in USD.
