- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom generally accepted accounting practises have been followed subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Partnership will continue in business.

The Members are responsible for keeping adequate accounting records that are sufficient to show and explain the Partnership's transactions and disclose with reasonable accuracy at any time the financial position of the Partnership and enable them to ensure that the financial statements comply with the Companies Act 2006 as applied to limited liability partnerships by the Regulations.
