2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the requirements of the Statement of Recommended Practice, Accounting by Limited Liability Partnerships. The financial statements have been prepared under the historical cost convention.

In preparing the financial statements, the members are required to make an assessment of the ability of the LLP to continue as a going concern. The members have considered all available evidence for the LLP which covers the 12 month period from the date of signing these financial statements. Against the backdrop of the COVID-19 Pandemic the members have paid particular attention to likely cashflow requirements and the future availability of adequate cashflow to the LLP.

On the basis of this consideration, the members are satisfied that the LLP has adequate resources to continue in operational existence and to meet its liabilities as they fall due for the foreseeable future. In reaching this conclusion they consider that no material uncertainty exists. As a result, the members have concluded that it remains appropriate to adopt a going concern basis of preparation in these financial statements.
