BLUE WHALE CAPITAL LLP

MEMBERS' REPORT FOR THE PERIOD ENDED 31 MARCH 2019

The members present their annual report together with the audited financial statements of Blue Whale Capital LLP ("the LLP") for the ended 31 March 2019. The comparative period covers the period from 20 October 2016 (date of incorporation) to 31 March 2018.

Principal activities

The principal activity of the LLP is the provision of investment management services, for which it is authorised and regulated by the Financial Conduct Authority ("the FCA").

Designated Members

L H Yiu and PK Hargreavers were designated members of the LLP throughout the year.

Members' capital and interests

Each member's subscription to the capital of the LLP is determined by their share of the profit and is repayable following retirement from the LLP.

Details of changes in members' capital in the ended 31 March 2019 are set out in the Reconciliation of Members' Interests.

Members are remunerated from the profits of the LLP and are required to make their own provision for pensions and other benefits. Profits are allocated and divided between members in accordance with the provisions of the LLP Agreement dated 20 October 2016 subject to the cash requirements of the business.

Unaudited Pillar III

Details of the LLP's Pillar 3 disclosures, required under Chapter 11 of the Financial Conduct Authority's Prudential Sourcebook for Banks, Building Societies and Investment Firms, are maintained on our website at: www.bluewhale.co.uk.

Unaudited Remuneration Code

Details of the LLP's commitment to the Remuneration Code, required under rule 11.5.18R of the Financial Conduct Authority's Prudential Sourcebook for Banks, Building Societies and Investment Firms ("BIPRU") can be found on our website at: www.bluewhale.co.uk.

Unaudited UK Stewardship Code

Details of the LLP's commitment to the UK Stewardship Code, required under rule 2.2.3R of the Financial Conduct Authority's Conduct of Business Sourcebook, can be found on our website at: www.bluewhale.co.uk.

Going Concern

During the year the LLP reported a loss of £279,918 (2018 as restated: £488,096). Notwithstanding this, the LLP has net assets of £481,985 (2018: £261,903) and cash balances of £281,110 (2018: £261,876). Accordingly, the members are satisfied that the LLP has sufficient available resources to meet its liabilities as and when they fall due and consequently adopt the going concern basis of preparation.

**MEMBERS' REPORT (continued)
FOR THE PERIOD ENDED 31 MARCH 2019**

Disclosure of information to auditor

Each of the persons who are members at the time when this Members' Report is approved has confirmed that:

- so far as that member is aware, there is no relevant audit information of which the LLP's auditor is unaware, and
- that member has taken all the steps that ought to have been taken as a member in order to be aware of any relevant audit information and to establish that the LLP's auditor is aware of that information.

BLUE WHALE CAPITAL LLP

MEMBERS' RESPONSIBILITIES STATEMENT FOR THE PERIOD ENDED 31 MARCH 2019

The members are responsible for preparing the annual report and the financial statements in accordance with applicable law and regulations.

Company law, (as applied by The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008), requires the members to prepare financial statements for each financial year. Under that law the members have elected to prepare the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'. Under company law, as applied to LLPs, the members must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the LLP and of the profit or loss of the LLP for that period.

In preparing these financial statements, the members are required to:

- select suitable accounting policies for the LLP's financial statements and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the entity will continue in business.

The members are responsible for keeping adequate accounting records that are sufficient to show and explain the LLP's transactions and disclose with reasonable accuracy at any time the financial position of the LLP and to enable them to ensure that the financial statements comply with the Limited Liability Partnerships (Accounts and Audit) (Application of the Companies Act 2006) Regulations 2008. They are also responsible for safeguarding the assets of the LLP and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

BLUE WHALE CAPITAL LLP

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BLUE WHALE CAPITAL LLP

Opinion

We have audited the financial statements of Blue Whale Capital LLP ("the LLP") for the year ended 31 March 2019, which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of Cash Flows, the Reconciliation of Members' Interests and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the LLP's affairs as at 31 March 2019 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, as applied to limited liability partnerships by The Limited Liability Partnerships (Accounts and Audit) (Application of Companies Act 2006) Regulations 2008.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the LLP in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the members' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the members have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the LLP's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The members are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

BLUE WHALE CAPITAL LLP

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BLUE WHALE CAPITAL LLP (CONTINUED)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006, as applied to limited liability partnerships, requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of members

As explained more fully in the Members' Responsibilities Statement on page 3, the members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the members are responsible for assessing the LLP's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the members either intend to liquidate the LLP or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's Report.

BLUE WHALE CAPITAL LLP

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF BLUE WHALE CAPITAL LLP (CONTINUED)

Use of our report

This report is made solely to the LLP's members in accordance with Chapter 3 of Part 16 of the Companies Act 2006, as applied by Part 12 of The Limited Liability Partnerships (Accounts and Audit) (Applications of Companies Act 2006) Regulations 2008. Our audit work has been undertaken so that we might state to the LLP's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the LLP and the LLP's members for our audit work, for this report, or for the opinions we have formed.

BLUE WHALE CAPITAL LLP

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 MARCH 2019

1. General information

Blue Whale Capital LLP is a partnership, limited by members, registered in England and Wales, registration number OC414255. The registered office and trading address is 22 - 23 Old Burlington Street, London, United Kingdom, W1S 2JJ.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006 and the requirements of the Statement of Recommended Practice "Accounting by Limited Liability Partnerships".

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the LLP's accounting policies (see note 3).

The following principal accounting policies have been applied:

2.2 Foreign currency translation

Functional and presentation currency

The LLP's functional and presentational currency is GBP.

Transactions and balances

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions.

At each period end foreign currency monetary items are translated using the closing rate. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

Foreign exchange gains and losses resulting from the settlement of transactions and from the translation at period-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the Statement of Comprehensive Income except when deferred in other comprehensive income as qualifying cash flow hedges.

Foreign exchange gains and losses that relate to borrowings and cash and cash equivalents are presented in the Statement of Comprehensive Income within 'finance income or costs'. All other foreign exchange gains and losses are presented in the Statement of Comprehensive Income within 'other operating income'.

BLUE WHALE CAPITAL LLP

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 MARCH 2019

2. Accounting policies (continued)

2.3 Turnover

Turnover is recognised to the extent that it is probable that the economic benefits will flow to the LLP and the Turnover can be reliably measured. Turnover is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes. The following criteria must also be met before Turnover is recognised:

Rendering of services

Turnover from a contract to provide services is recognised in the period in which the services are provided in accordance with the stage of completion of the contract when all of the following conditions are satisfied:

- the amount of Turnover can be measured reliably;
- it is probable that the LLP will receive the consideration due under the contract;
- the stage of completion of the contract at the end of the reporting period can be measured reliably; and
- the costs incurred and the costs to complete the contract can be measured reliably.

2.4 Operating leases: the LLP as lessee

Rentals paid under operating leases are charged to the Statement of Comprehensive Income on a straight line basis over the lease term.

Benefits received and receivable as an incentive to sign an operating lease are recognised on a straight line basis over the lease term, unless another systematic basis is representative of the time pattern of the lessee's benefit from the use of the leased asset.

The LLP has taken advantage of the optional exemption available on transition to FRS 102 which allows lease incentives on leases entered into before the date of transition to the standard 01 April 2017 to continue to be charged over the period to the first market rent review rather than the term of the lease.

2.5 Interest income

Interest income is recognised in the Statement of Comprehensive Income using the effective interest method.

2.6 Pensions

Defined contribution pension plan

The LLP operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the LLP pays fixed contributions into a separate entity. Once the contributions have been paid the LLP has no further payment obligations.

The contributions are recognised as an expense in the Statement of Comprehensive Income when they fall due. Amounts not paid are shown in accruals as a liability in the Statement of Financial Position. The assets of the plan are held separately from the LLP in independently administered funds.

BLUE WHALE CAPITAL LLP

NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 31 MARCH 2019

2. Accounting policies (continued)

2.7 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Office equipment	- 3 years
Computer equipment	- 3 years

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in the Statement of Comprehensive Income.

2.8 Debtors

Short term debtors are measured at transaction price, less any impairment.

2.9 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours.

2.10 Creditors

Short term creditors are measured at the transaction price.

2.11 Financial instruments

The LLP only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in non-puttable ordinary shares.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting period for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of Comprehensive Income.

3. Judgments in applying accounting policies and key sources of estimation uncertainty

Preparation of the financial statements requires management to make certain judgements and estimates. The LLP's designated members consider that the preparation of these financial statements, that there were no material judgements or estimates which could give rise to a material misstatements.

15. Loans and other debts due to members

	2019 £	2018 £
Subordinated loan	(100,000)	-

The subordinated loan due to members may be further analysed as follows:

	2019 £	2018 £
Falling due within one year	(100,000)	-

Loans and other debts due to members rank equally with debts due to ordinary creditors in the event of a winding up.

16. Prior year adjustment

During the prior period the LLP had omitted accrued accounting fees of £17,547. As the amount is material to the LLP's financial statements a prior year adjustment has been recorded within these financial statements to accrue this cost as at 31 March 2018. The impact of this adjustment is an increase in the loss attributable to members in the prior year of £17,547.

17. Pension commitments

The entity operates a defined contribution scheme.

The assets and the scheme are held separately from those of the LLP in an independently administered fund.
