Mortgage of a Vessel

(The application form is to secure Account Current etc /
other obligation)

GUIDANCE NOTES – PLEASE READ

- If more than one mortgagor then a separate mortgage is required from each mortgagor, unless shares are jointly held.
- If more than one mortgage is submitted at the same time the mortgagees will be required to advise which mortgage to register first in a signed letter on headed paper.
- In respect of fishing vessels, mortgages may be registered only against those registered with FULL registration.
- The prompt registration of a mortgage deed with the Registry is essential to establish the priority of the mortgage. This is because the priority of the mortgage is determined by the date on which it is produced for registration and not from the date of the mortgage itself.
- If the mortgagor is a company the mortgage must be registered with the Registrar of Companies within 21 days of its execution.
- It is important that the Registry is informed of any changes.
- Please write in **BLOCK CAPITALS**, and tick boxes where appropriate. If an * is stated, then please delete as appropriate.
