DIRECTORS' REPORT

31 March 2006

The directors present their report and the audited financial statements for the year ended 31 March 2006

Principal activity

The principal activity of the company continued to be that of a farming and property holding company

Business review and future developments

The Company made a profit for the year to 31 March 2006 of £201,810 before tax but this increase over the previous year included a gain on property disposals of £87,755. The farms produced a loss for the year reflecting continued low grain prices and the high cost of fuel. The Sidiaw Organic Partnership was brought to an end at 31 May 2005 although it made a substantial contribution to profits for the year to 31 March 2006. Participation in organic farming of vegetables is being continued through a substantial share holding in Taylorgrown. Ltd a company set up to grown vegetables both at Bandirran and in England. No contribution is expected from this company in the current year. The results from game showed the expected improvement and increased profit on estate activities resulted from the receipt of rent from land let for vegetable growing. Prospects for the year ahead are uncertain with so many changes in government policy towards agriculture.

Profit, dividends and appropriations

The results for the year are shown in the profit and loss account on page 5. The directors do not propose payment of an ordinary dividend, the profit for the year is to be credited to reserves.

Fixed assets

Changes in fixed assets during the year are set out in note 8 to the accounts

Directors

The directors of the company during the year and their interests in the shares of the company as recorded in the register of directors' interests were as follows

31 March 2006 Ordinary Shares 1 April 2005 Ordinary Shares

DIRECTORS' REPORT

(continued)

31 March 2006

Directors' Responsibilities

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to

- select suitable accounting policies and then apply them consistently,
- · make judgements and estimates that are reasonable and prudent,
- state whether applicable accounting standards have been followed, subject to any
 material departures disclosed and explained in the financial statements,
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 1985. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention of fraud and other irregularities.

Disclosure of information to auditors

As far as each of the directors at the time the report is approved are aware

- there is no relevant information of which the company's auditors are unaware and
- the directors have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditors are aware of the information

Auditors

Scott Moncrieff, Chartered Accountants have agreed to offer themselves for re appointment as auditors of the company

This report has been prepared in accordance with the special provisions of part VII of the Companies Act 1985 relating to small companies

CULFARGIE ESTATES LIMITED AUDITORS' REPORT

For the year ended 31 March 2006

Independent Auditors' Report to the Shareholders of Culfargie Estates Limited

We have audited the financial statements of Culfargie Estates Limited for the year ended 31 March 2006 set out on pages 5 to 17. These financial statements have been prepared under the accounting policies set out on therein.

This report is made solely to the company's members, as a body, in accordance with Section 235 of the Companies Act 1985. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed

Respective responsibilities of directors and auditors

As described in the Statement of Directors' Responsibilities the company's directors are responsible for the preparation of the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

Our responsibility is to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland)

We report to you our opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the Companies Act 1985. We also report to you if, in our opinion, the company has not kept proper accounting records, if we have not received all the information and explanations we require for our audit, or if information specified by law regarding directors' remuneration and transactions with the company is not disclosed.

We report to you whether in our opinion the information given in the directors' report is consistent with the financial statements

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgements made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinion

in our opinion

- the financial statements give a true and fair view, in accordance with United Kingdom Generally Accepted Accounting practice, of the state of the company's affairs as at 31 March 2006 and of its profit for the year then ended, and
- the financial statements have been properly prepared in accordance with the Companies
- the information given in the directors' report is consistent with the financial statements

CULFARGIE ESTATES LIMITED NOTES ON FINANCIAL STATEMENTS

31 March 2006

1 Accounting Policies

Basis of accounting

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting convention except for freehold property, which is stated at valuation

Going concern

The financial statements have been prepared on a normal going concern basis as an undertaking has been received from the directors of all group companies that they have no present intention of enforcing payment of the outstanding balances on their loan accounts

Depreciation

Depreciation is calculated to write off the cost or valuation of all fixed assets over their estimated useful lives as follows

Plant and machinery 5 25% Motor Vehicles 20 25%

Depreciation is provided on leased assets to write off the fair value less estimated residual value over the lease periods on a straight line basis. No provision for depreciation is made for freehold land and buildings. It is the company's policy to maintain its properties in good condition. Costs of repairs and maintenance are charged against revenue in the year in which they are incurred

Leases and hire purchase contracts

Tangible fixed assets acquired under finance leases and hire purchase contracts are capitalised at the estimated fair value at the date of inception of each lease or contract. The total finance charges are allocated over the period of the lease in such a way as to give a reasonably constant charge on the outstanding liability.

Rentals paid under operating leases are charged to income as incurred

Stocks

Stocks are valued at a conservative market value. It is the opinion of the directors that the net realisable value is not less than this

Government grants

Grants of a revenue nature are credited to the profit and loss account in the year in which they accrue. Grants of a capital nature received for land and buildings (which are not depreciated) have been deducted from the original cost of the relevant asset.

Deferred Taxation

Deferred taxation is provided in respect of the tax effect of all timing differences in accordance with FRS 19

Cash Flow Statement

The company has taken advantage of the exemption provided by Financial Reporting Standard 1 and has not prepared a cash flow statement for the year

Pension Costs

The company operates defined contribution schemes for employees and directors. The assets of the schemes are held separately from those of the company. The annual contributions payable are charged to the profit and loss account.

Reclassification

Due to the reclassification in the year to 31 March 2006 of certain items of income and expenditure and fixed assets, the 2005 comparatives have been reclassified accordingly

NOTES ON FINANCIAL STATEMENTS

31 March 2006

2 Analysis of results

Turnover represents the amount derived from the provision of goods and services which fall within the company's ordinary activities stated net of value added tax

The turnover and profit before taxation attributable to the different classes of the company's business are

One director received emoluments of £57,500 (2005 £54,500) and the company contributed £7,380 (2005 £6,780) to his pension

Pension cost

Defined contribution scheme

The company operates a defined contribution group scheme. The assets of the scheme are held separately from those of the company in an independently administered fund. The pension cost charge represents contributions payable by the company to the fund and amounts to £7,380 (2005 £5,459).

The contributions are based on pension costs across the group as a whole

Land and buildings were revalued on an open market value basis by an independent firm of Chartered Surveyors on 31 March 2005 at £11,764,000. This value is incorporated into these financial statements. Subsequent fixed asset additions are included at cost.

The historic cost of the land and buildings is £3,260,982

Financial Reporting Standard (FRS) 15 requires all assets to be depreciated over their estimated economic life taking account of any residual value of assets. The company's freehold land and buildings are considered to have a high residual value and a useful economic life in excess of fifty years. It is the directors' policy to maintain the buildings in a continual state of sound repair and accordingly the depreciation charge is considered immaterial and no charge has therefore been made.

Where no charge for depreciation is made and where the useful economic life exceeds fifty years an impairment review should be carried out on an annual basis. Such a review has been performed and in the Director's opinion the market value and residual value of freehold land and buildings is in excess of the carrying value and there is no impairment

Included in Plant and Equipment are assets financed under hire purchase with a net book value of £358,419 (2005 £249,094) and a depreciation charge of £53,424 (2005 £45,173)
