NOTES TO THE ACCOUNTS

At 31 December 2009

1. ACCOUNTING POLICY

Accounting convention

The accounts have been prepared under the historical cost convention and in accordance with applicable accounting standards. The financial statements have been prepared on a going concern basis, notwithstanding the deficiency of net assets, as the parent company has agreed to provide on-going support to allow the company to meet its liabilities as and when they fall due.

In preparing the financial statements the group has adopted for the first time FRS 25 'Financial Instruments: Disclosure and Presentation'. The impact of this is set out in note 2 below.

Financial liabilities and equity are classified according to the substance of the financial instruments' contractual obligations, rather than the financial instruments' legal form.

The holders of the cumulative preference shares are not entitled to vote at meetings of the company unless their dividends are at least three years in arrears or the meeting is convened for reducing capital, passing an extraordinary resolution to the effect that the company cannot continue in business by reason of its liabilities, to sanction the sale or amalgamation of the undertaking or where proposals directly affect the rights and privileges of the preference shares.

The holders of the cumulative preference shares have waived their cumulative unpaid dividends up to 31 December 2009.

4. RELATED PARTY TRANSACTIONS

The company has taken advantage of the exemption as a 100% subsidiary of The Restaurant Group plc from disclosing related party transactions and balances with other members of The Restaurant Group plc group.

5. ULTIMATE PARENT UNDERTAKING
