8. HEDGING BANKS AND HEDGING LIABILITIES

8.1 Identity of Hedging Banks and Designation of Hedging Documents

- (a) Subject to paragraph (b) below, no person providing hedging arrangements to any Debtor shall be entitled to share in any of the Transaction Security or in the benefit of any guarantee or indemnity in respect of any of the liabilities arising in relation to those hedging arrangements nor shall those liabilities be treated as Hedging Liabilities unless such Hedging Bank is or becomes a party to this Agreement as a Hedging Bank.
- (b) Paragraph (a) above shall not apply to a Hedging Ancillary Lender.

8.2 Restriction on Payment: Hedging Liabilities

The Debtors shall not, and shall procure that no other member of the Restricted Group will, make any Payment of the Hedging Liabilities at any time unless:

- (a) that Payment is permitted under Clause 8.3 (*Permitted Payments: Hedging Liabilities*); or
- (b) the taking or receipt of that Payment is permitted under paragraph (c) of Clause 8.8 (*Permitted Enforcement: Hedging Banks*).

8.3 Permitted Payments: Hedging Liabilities

- (a) Subject to paragraph (b) below, the Debtors may make Payments to any Hedging Bank in respect of the Hedging Liabilities then due to that Hedging Bank under any Hedging Document in accordance with the terms of that Hedging Document:
 - (i) if the Payment is a scheduled Payment arising under the relevant Hedging Document;
 - (ii) to the extent that the relevant Debtor's obligation to make the Payment arises as a result of the operation of:
 - (A) any of sections 2(d) (*Deduction or Withholding for Tax*) (and any provision requiring the payment of any tax credit related to Section 2(d)), 2(e) (*Default Interest; Other Amounts*), 8(a) (*Payment in the Contractual Currency*), 8(b) (*Judgments*) and 11 (*Expenses*) of the 1992 ISDA Master Agreement (if the Hedging Document is based on a 1992 ISDA Master Agreement);

- (B) any of sections 2(d) (*Deduction or Withholding for Tax*), (and any provision requiring the payment of any tax credit related to Section 2(d)), 8(a) (*Payment in the Contractual Currency*), 8(b) (*Judgments*), 9(h)(i) (*Prior to Early Termination*) and 11 (*Expenses*) of the 2002 ISDA Master Agreement (if the Hedging Document is based on a 2002 ISDA Master Agreement); or
 - (C) any provision of a Hedging Document which is similar in meaning and effect to any provision listed in paragraphs (A) or (B) above (if the Hedging Document is not based on an ISDA Master Agreement);
 - (iii) to the extent that the relevant Debtor's obligation to make the Payment arises from a Non-Credit Related Close-Out;
 - (iv) to the extent that:
 - (A) the relevant Debtor's obligation to make the Payment arises from a Credit Related Close-Out or a Consensual Close-Out in relation to that Hedging Document; and
 - (B) no Event of Default under any Senior Secured Document is continuing at the time of that Payment;
 - (v) if the Majority Senior Secured Creditors (excluding the Hedging Banks) and the High Yield Required Holders of each tranche of High Yield Notes (in each case, acting through their respective Creditor Representatives) give prior written consent to the Payment being made, in each case, to the extent prohibited by the relevant Finance Documents of such Primary Creditors; or
 - (vi) in order to comply with any limit on the marked-to-market exposure (howsoever described) under any Hedging Document.
- (b) No Payment may be made to a Hedging Bank under paragraph (a) above if:
- (i) any scheduled Payment due from that Hedging Bank to a Debtor under a Hedging Document to which they are both party is due and unpaid; or
 - (ii) an Acceleration Event has occurred.
- (c) Failure by a Debtor to make a Payment to a Hedging Bank which results solely from the operation of paragraph (b) above shall, without prejudice to Clause 8.4 (*Payment obligations continue*), not result in a default (however described) in respect of that Debtor under that Hedging Document.
- (d) Nothing in this Agreement obliges a Hedging Bank to make a payment to a Debtor under a Hedging Document to which they are both party if any scheduled payment due from that Debtor to the Hedging Bank under the Hedging Document is due and unpaid.

8.4 Payment obligations continue

No Debtor shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under the terms of any Debt Document by the operation of Clauses 8.2 (*Restriction on Payment: Hedging Liabilities*) and 8.3 (*Permitted Payments: Hedging Liabilities*) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.

8.5 No acquisition of Hedging Liabilities

The Debtors shall not, and shall procure that no other member of the Restricted Group will:

- (a) enter into any Liabilities Acquisition; or
- (b) beneficially own all or any part of the share capital of a company that is party to a Liabilities Acquisition,

in respect of any of the Hedging Liabilities, unless the prior written consent of the Majority Senior Secured Creditors (excluding the Hedging Banks) and the High Yield Required Holders of each tranche of High Yield Notes (in each case, acting through their respective Creditor Representative) is obtained, in each case, to the extent prohibited by the relevant Finance Document of such Primary Creditor.

8.6 Security: Hedging Banks

The Hedging Banks may not take, accept or receive the benefit of any Security, guarantee, indemnity or other assurance against loss from any member of the Restricted Group in respect of the Hedging Liabilities other than:

- (a) the Transaction Security;
- (b) any guarantee, indemnity or other assurance against loss contained in:
 - (i) this Agreement;
 - (ii) any Shared Assurance; or
 - (iii) the relevant Hedging Document no greater in extent than any of those referred to in paragraphs (i) and (ii) above; or
- (c) the indemnities, rights of set-off and netting contained in the ISDA Master Agreements (in the case of a Hedging Document which is based on an ISDA Master Agreement) or any indemnities, rights of set-off and netting which are similar in meaning and effect to those indemnities (in the case of a Hedging Document which is not based on an ISDA Master Agreement).

8.7 Restriction on Enforcement: Hedging Banks

Subject to Clause 8.8 (*Permitted Enforcement: Hedging Banks*) and Clause 8.9 (*Required Enforcement: Hedging Banks*) and without prejudice to each Hedging Bank's rights under Clauses 15.3 (*Enforcement Instructions*) and 15.4 (*Manner of enforcement*), the Hedging Banks shall not take any Enforcement Action under any of the Hedging Documents at any time.

8.8 Permitted Enforcement: Hedging Banks

- (a) To the extent it is able to do so under the relevant Hedging Document, a Hedging Bank may terminate, reduce or close-out in whole or in part any transaction under that Hedging Document prior to its stated maturity:
 - (i) if a Distress Event has occurred;
 - (ii) if:

- (A) in relation to a Hedging Document which is based on the 1992 ISDA Master Agreement:
 - (I) an Illegality or Tax Event or Tax Event Upon Merger (each as defined in the 1992 ISDA Master Agreement); or
 - (II) an event similar in meaning and effect to a "Force Majeure Event" (as defined in paragraph (B) below),
 has occurred in respect of that Hedging Document;
 - (B) in relation to a Hedging Document which is based on the 2002 ISDA Master Agreement, an Illegality or Tax Event, Tax Event Upon Merger or a Force Majeure Event (each as defined in the 2002 ISDA Master Agreement) has occurred in respect of that Hedging Document; or
 - (C) in relation to a Hedging Document which is not based on an ISDA Master Agreement, any event similar in meaning and effect to an event described in paragraphs (A) or (B) above has occurred under and in respect of that Hedging Document;
- (iii) if an Event of Default has occurred and is continuing under Section 7.01 (*Events of Default*) of the Senior Secured Facilities Agreement, section 6.01 of the Senior Secured Notes Indenture or the equivalent provisions of the Facility D Agreement, the Covenant Agreement (as defined in the Facility D Agreement), any Pari Passu Debt Document or High Yield Document in relation to a Debtor which is party to that Hedging Document;
 - (iv) if the Majority Senior Secured Creditors (excluding the Hedging Banks) and the High Yield Required Holders of each tranche of High Yield Notes (in each case, acting through their respective Creditor Representatives) give prior written consent to that termination or close-out being made, in each case, to the extent prohibited by the relevant Finance Documents of such Primary Creditors;
 - (v) if the Hedging Bank and the relevant Debtor consensually agree to close out a transaction under a Hedging Document or the relevant Hedging Document allows the relevant Debtor to close out a transaction under that Hedging Document pursuant to a Non-Credit Related Close-Out and, in each case, no Default is continuing under any Finance Document; or
 - (vi) in order to comply with any limit on the marked-to-market exposure (howsoever described) under any Hedging Document.
- (b) If a Debtor has defaulted on any Payment due under a Hedging Document and the default has continued unwaived or unremedied for more than 30 Business Days (or such longer notice or grace period as the relevant Hedging Document allows) after notice of that default has been given to the relevant Debtor under that Hedging Document, with a copy to the Security Agent pursuant to paragraph (j) of Clause 26.3 (*Notification of prescribed events*), the relevant Hedging Bank:
 - (i) may, to the extent it is able to do so under the relevant Hedging Document, terminate or close-out in whole or in part any transaction under that Hedging Document; and

- (ii) until such time as the Security Agent has given notice to that Hedging Bank that the Transaction Security is being enforced (or that any formal steps are being taken to enforce the Transaction Security), shall be entitled to exercise any right it might otherwise have to sue for, commence or join legal or arbitration proceedings against any Debtor to recover any Hedging Liabilities due under that Hedging Document (excluding any enforcement of the Transaction Security).
- (c) After the occurrence of a Bankruptcy Event, in relation to any member of the Restricted Group, each Hedging Bank shall be entitled to exercise any right it may otherwise have in respect of that member of the Restricted Group to:
 - (i) prematurely close-out or terminate any Hedging Liabilities under any Hedging Document with that member of the Restricted Group owing to it in accordance with the terms of the relevant Hedging Document;
 - (ii) make a demand under any guarantee, indemnity or other assurance against loss given by that member of the Restricted Group in respect of any Hedging Liabilities owing to it;
 - (iii) exercise any right of set-off as between any Hedging Liabilities or take or receive any Payment in respect of any Hedging Liabilities of that member of the Restricted Group owing to it; or
 - (iv) claim and prove in the liquidation of that member of the Restricted Group for the Hedging Liabilities owing to it.

8.9 Required Enforcement: Hedging Banks

- (a) Subject to paragraph (b) below, a Hedging Bank shall promptly terminate or close-out in full any transaction under all or any of the Hedging Documents to which it is party prior to their stated maturity, following:
 - (i) the occurrence of an Acceleration Event and delivery to it of a notice from the Security Agent that an Acceleration Event has occurred; and
 - (ii) delivery to it of a subsequent notice from the Security Agent (acting on the instructions of the Senior Secured Instructing Group) instructing it to do so.
- (b) Paragraph (a) above shall not apply to the extent that such an Acceleration Event occurred as a result of an arrangement made between any Debtor and any Creditor with the purpose of bringing about such an Acceleration Event.
- (c) If a Hedging Bank is entitled to terminate or close-out any transaction under paragraph (b) of Clause 8.8 (*Permitted Enforcement: Hedging Banks*) (or would have been able to if that Hedging Bank had given the notice referred to in that paragraph) but has not terminated or closed out each such transaction, that Hedging Bank shall promptly terminate or close-out in full each such transaction following a request by the Security Agent (acting on the instructions of the Senior Secured Instructing Group) instructing it to do so.

8.10 Treatment of Payments due to Debtors on termination of transactions under Hedging Documents

- (a) If, on termination of any transaction under any Hedging Document occurring after a Distress Event, a settlement amount or other amount (following the application of any

Close-Out Netting, Payment Netting or Inter-Hedging Agreement Netting in respect of that Hedging Document) falls due from a Hedging Bank to the relevant Debtor then that amount shall be paid by that Hedging Bank to the Security Agent, treated as the proceeds of enforcement of the Transaction Security and applied in accordance with the terms of this Agreement.

- (b) The payment of that amount by the Hedging Bank to the Security Agent in accordance with paragraph (a) above shall discharge the Hedging Bank's obligation to pay that amount to that Debtor.

8.11 Terms of Hedging Documents

The Hedging Banks (to the extent a Hedging Bank is a party to the Hedging Document in question) and the Debtors party to the Hedging Documents shall ensure that, at all times:

- (a) each Hedging Document documents only hedging arrangements entered into for the purpose of hedging the types of liabilities described in the definition of "Hedging Document" and that no other hedging arrangements are carried out under or pursuant to a Hedging Document;
- (b) each Hedging Document is based either:
 - (i) on an ISDA Master Agreement; or
 - (ii) on another framework agreement which is similar in effect to an ISDA Master Agreement;
- (c) in the event of a termination of a transaction entered into under a Hedging Document, whether as a result of:
 - (i) a Termination Event or an Event of Default, each as defined in the relevant Hedging Document (in the case of a Hedging Document which is based on an ISDA Master Agreement); or
 - (ii) an event similar in meaning and effect to either of those described in paragraph (i) above (in the case of a Hedging Document which is not based on an ISDA Master Agreement),

that Hedging Document will:

- (A) if it is based on a 1992 ISDA Master Agreement, provide for payments under the "Second Method" and will make no material amendment to section 6(e) (*Payments on Early Termination*) of the ISDA Master Agreement;
- (B) if it is based on a 2002 ISDA Master Agreement, make no material amendment to the provisions of section 6(e) (*Payments on Early Termination*) of the ISDA Master Agreement; or
- (C) if it is not based on an ISDA Master Agreement, provide for any other method the effect of which is that the party to which that event is referable will be entitled to receive payment under the relevant termination provisions if the net replacement value of all terminated transactions entered into under that Hedging Document is in its favour.

9. HIGH YIELD NOTEHOLDERS AND HIGH YIELD LIABILITIES

9.1 Entry into High Yield Documents

- (a) No Debtor shall enter into any High Yield Documents unless such High Yield Documents (and the incurrence of any financial indebtedness thereunder) are permitted by the Finance Documents then outstanding.
- (b) No Debtor may enter into a High Yield Secured Notes Document unless the prior written consent of the Security Agent to act as security trustee for the holders of the High Yield Secured Liabilities thereunder has been obtained (not to be unreasonably withheld or delayed).

9.2 Amendments and Waivers of High Yield Documents

The High Yield Creditors may amend or waive the terms of the High Yield Documents (other than this Agreement) in accordance with their terms at any time.

9.3 Restriction on Payment and Dealings: High Yield Liabilities

Until the Senior Secured Discharge Date (except with the prior consent of (x) the Administrative Agent, the Senior Secured Notes Trustee and the Facility D Agent (to the extent prohibited under the Senior Secured Facilities Finance Documents, the Senior Secured Notes Indenture or the Facility D Agreement (respectively)), and (y) (to the extent prohibited under the Pari Passu Debt Documents) the Pari Passu Debt Representative(s)), the Parent shall not (and the Parent shall ensure that no member of the Restricted Group will):

- (a) pay, repay, prepay, redeem, acquire or defease any principal, interest or other amount on or in respect of, or make any distribution in respect of, any High Yield Liabilities in cash or in kind or apply any such money or property in or towards discharge of any High Yield Liabilities except as permitted by Clause 9.4 (*Permitted High Yield Payments*), Clause 9.9 (*Permitted High Yield Enforcement*) or Clause 12.5 (*Filing of claims*);
- (b) exercise any set-off against any High Yield Liabilities, except as permitted by Clause 9.4 (*Permitted High Yield Payments*), Clause 9.9 (*Permitted High Yield Enforcement*) or Clause 12.5 (*Filing of claims*); or
- (c) (in the case of Security only, with the prior consent of the High Yield Secured Trustee(s) to the extent prohibited under the High Yield Secured Documents then outstanding or in the case of a guarantee, with the prior consent of the High Yield Note Trustee(s) to the extent prohibited under the High Yield Documents then outstanding) create or permit to subsist any Security over any assets of any member of the Restricted Group or give any guarantees (and no High Yield Notes Trustee may accept the benefit of any such Security and no High Yield Notes Trustee or High Yield Creditors may accept the benefits of any such guarantee) from any member of the Restricted Group for, or in respect of, any relevant High Yield Liabilities other than the High Yield Guarantees and, in the case of the High Yield Secured Creditors, Transaction Security and unless not prohibited by the Finance Documents.

9.4 Permitted High Yield Payments

The Debtors may:

- (a) prior to the Senior Secured Discharge Date, make Payments to the High Yield Creditors in respect of the High Yield Guarantee Liabilities then due in accordance

with the High Yield Documents (and to Shareholder Creditors in respect of the Holdco Liabilities then due in accordance with the Shareholder Debt Documents):

- (i) if:
 - (A) the Payment is of:
 - (I) any of the principal amount of the High Yield Liabilities or the Holdco Liabilities which is either (1) not prohibited from being paid by the Senior Secured Facilities Finance Documents, the Senior Secured Notes Indenture, the Facility D Agreement, any Pari Passu Debt Document and any High Yield Document, or (2) paid on or after the final maturity date of such High Yield Liabilities (which for the avoidance of doubt shall not be permitted to arise earlier than 6 months following the Term Loan Maturity Date (under and as defined in the Senior Secured Facilities Agreement); or
 - (II) any other amount which is not an amount of principal or capitalised interest or a corresponding amount under the High Yield Proceeds Loan (such other amounts including all scheduled interest payments (including, if applicable, special interest or liquidated damages)) and default interest on the High Yield Liabilities accrued due and payable in cash in accordance with the terms of the relevant Finance Document (as at the date of issue of the same or as amended in accordance with the terms of this Agreement and the relevant Finance Document), additional amounts payable as a result of the tax gross-up provisions relating to the High Yield Liabilities and amounts in respect of currency indemnities in the relevant High Yield Indenture and/or, as applicable, the High Yield Proceeds Loan (to the extent such amounts are utilised to fund such interest payments));
 - (B) no High Yield Payment Stop Notice is outstanding; and
 - (C) no Senior Payment Default has occurred and is continuing; or
 - (ii) if the Majority Senior Secured Creditors and the High Yield Required Holders of each tranche of High Yield Notes (in each case, acting through their respective Creditor Representatives) give prior written consent to the Payment being made, in each case, to the extent prohibited by the relevant Finance Documents of such Primary Creditors;
 - (iii) if the Payment is of High Yield Notes Trustee Amounts;
 - (iv) if the Payment is of costs, commissions, taxes, consent fees and expenses incurred in respect of (or reasonably incidental to) the High Yield Documents (including in relation to any reporting or listing requirements under the High Yield Documents); and
 - (v) if the Payment is of costs, commissions, taxes, premiums and any expenses incurred in respect of (or reasonably incidental to) any refinancing of the High Yield Notes in compliance with this Agreement; and
- (b) on or after the Senior Secured Discharge Date, make Payments to the High Yield Creditors in respect of the High Yield Liabilities in accordance with the High Yield

Documents and to a High Yield Issuer or any Holding Company of the Parent in respect of the Holdco Liabilities in accordance with any High Yield Proceeds Loan.

9.5 Issue of High Yield Payment Stop Notice

- (a) Until the Senior Secured Debt Discharge Date, except with the prior consent of the Administrative Agent, the Facility D Agent, (to the extent prohibited under the Senior Secured Notes Indenture) the Senior Secured Notes Trustee and (to the extent prohibited under the Pari Passu Debt Documents) the Pari Passu Debt Representative(s), and subject to Clause 12 (*Effect of Insolvency Event*), the High Yield Issuer shall not make (and shall procure that none of its Subsidiaries shall make), and no High Yield Creditor may receive from the High Yield Issuer or any of its Subsidiaries, any Permitted High Yield Payment (other than High Yield Notes Trustee Amounts) if:
 - (i) a Senior Payment Default has occurred and is continuing; or
 - (ii) a Senior Event of Default (other than a Senior Payment Default) has occurred and is continuing, from the date on which the Administrative Agent, the Facility D Agent or the Pari Passu Debt Representative of any Pari Passu Debt with an aggregate principal amount outstanding of more than US\$100,000,000 (as the case may be) (each, a "**Relevant Representative**") delivers a notice (a "**High Yield Payment Stop Notice**") to the High Yield Issuer, the Security Agent and the High Yield Notes Trustee(s) specifying the event or circumstance in relation to that Senior Event of Default until the earliest of:
 - (A) the date falling 179 days after delivery of that High Yield Payment Stop Notice;
 - (B) in relation to payments of High Yield Liabilities, if a High Yield Standstill Period is in effect at any time after delivery of that High Yield Payment Stop Notice, the date on which that High Yield Standstill Period expires;
 - (C) the date on which the relevant Senior Event of Default is no longer continuing and, if the relevant Senior Secured Liabilities have been accelerated, such acceleration has been rescinded;
 - (D) the date on which the Relevant Representative delivers a notice to the High Yield Issuer, the Security Agent and the High Yield Notes Trustee cancelling the High Yield Notes Payment Stop Notice;
 - (E) the Senior Secured Discharge Date; and
 - (F) the date on which the High Yield Notes Trustee(s) takes any Enforcement Action that it is permitted to take under Clause 9.9 (*Permitted High Yield Enforcement*) and Clause 9.10 (*High Yield Standstill Period*).
- (b) Unless the High Yield Notes Trustee waives this requirement:
 - (i) a new High Yield Notes Payment Stop Notice may not be delivered unless and until 360 days have elapsed since the delivery of the immediately prior High Yield Notes Payment Stop Notice; and

- (ii) no High Yield Notes Payment Stop Notice may be delivered in reliance on a Senior Event of Default more than 45 days after the date the Relevant Representative (as the case may be) received written notice of that Senior Event of Default.
- (c) A Relevant Representative may serve only one High Yield Payment Stop Notice with respect to the same event or set of circumstances. Subject to paragraph (b) above, this shall not affect the right of a Relevant Representative to issue a High Yield Payment Stop Notice in respect of any other event or set of circumstances.
- (d) No High Yield Payment Stop Notice may be served by a Relevant Representative in respect of a Senior Event of Default which had been notified to each of them at the time at which an earlier High Yield Payment Stop Notice was issued.
- (e) For the avoidance of doubt, this Clause 9.5:
 - (i) acts as a suspension of payment and not as a waiver of the right to receive payment on the date such payments are due;
 - (ii) will not prevent the accrual or capitalisation of interest (including default interest) in accordance with the High Yield Documents;
 - (iii) will not prevent the payment of any High Yield Notes Trustee Amounts; and
 - (iv) will not prevent the payment of audit fees, directors' fees, taxes and other proper and incidental expenses required to maintain existence.

9.6 Effect of High Yield Note Payment Stop Notice or Senior Payment Default

Any failure to make a Payment due under the High Yield Documents as a result of the issue of a High Yield Payment Stop Notice or the occurrence of a Senior Payment Default shall not prevent:

- (a) the occurrence of an Event of Default as a consequence of that failure to make a Payment in relation to the relevant High Yield Documents; or
- (b) the issue of a High Yield Enforcement Notice on behalf of the High Yield Creditors.

9.7 Payment Obligations and Capitalisation of Interest Continue

- (a) No Debtor shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any High Yield Document by the operation of Clause 9.3 (*Restriction on Payment and Dealings: High Yield Liabilities*) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.
- (b) The accrual and capitalisation of interest (if any) in accordance with the High Yield Documents shall continue notwithstanding the issue of a High Yield Payment Stop Notice.

9.8 Restrictions on enforcement by High Yield Creditor

Until the Senior Secured Discharge Date, except with the prior consent of (to the extent prohibited in the relevant Finance Document) or as required by the Majority Senior Secured Creditors (in each case, acting through their respective Creditor Representatives) (i) no High Yield Creditor shall take or require the taking of any Enforcement Action in relation to the High Yield Guarantee Liabilities or (ii) no High Yield Secured Creditors shall take or require

the taking of any Enforcement Action in respect of any of the Transaction Security, in each case, except as permitted under Clause 9.9 (*Permitted High Yield Enforcement*).

9.9 Permitted High Yield Enforcement

- (a) The restrictions in Clause 9.8 (*Restrictions on enforcement by High Yield Creditor*) will not apply in respect of the relevant High Yield Liabilities if:
 - (i) a High Yield Default under the relevant High Yield Document evidencing those High Yield Liabilities (the "**Relevant High Yield Default**") is continuing;
 - (ii) the Administrative Agent, the Facility D Agent, the Senior Secured Notes Trustee and the Pari Passu Debt Representative(s) have received a notice of the Relevant High Yield Default specifying the event or circumstance in relation to the Relevant High Yield Default from the relevant High Yield Notes Trustee;
 - (iii) a High Yield Standstill Period has elapsed; and
 - (iv) the High Yield Default is continuing at the end of the relevant High Yield Standstill Period.
- (b) Promptly upon becoming aware of a Relevant High Yield Default, the relevant High Yield Notes Trustee may by notice (a "**High Yield Enforcement Notice**") in writing notify the Administrative Agent, the Facility D Agent, the Senior Secured Notes Trustee and the Pari Passu Debt Representative(s) of the existence of such Relevant High Yield Default.

9.10 High Yield Standstill Period

In relation to a Relevant High Yield Default, a High Yield Standstill Period shall mean the period beginning on the date (the "**High Yield Standstill Start Date**") the High Yield Notes Trustee serves a High Yield Enforcement Notice on the Administrative Agent, the Facility D Agent, the Senior Secured Notes Trustee and the Pari Passu Debt Representative(s) in respect of such Relevant High Yield Default and ending on the earlier to occur of:

- (a) the date falling 179 days after the High Yield Standstill Start Date (the "**High Yield Standstill Period**");
- (b) the date the Senior Secured Creditors take any Enforcement Action in relation to a particular High Yield Guarantor, provided, however, that:
 - (i) if a High Yield Standstill Period ends pursuant to this paragraph (b), the High Yield Creditors may only take the same Enforcement Action in relation to such High Yield Guarantor as the Enforcement Action taken by the Senior Secured Creditors against such High Yield Guarantor and not against any other member of the Restricted Group; and
 - (ii) Enforcement Action for the purpose of this paragraph (b) shall not include action taken to preserve or protect any Security as opposed to realise it;
- (c) the date of a Bankruptcy Event in relation to a particular High Yield Guarantor against whom Enforcement Action is to be taken;

- (d) the expiry of any other High Yield Standstill Period outstanding at the date such first mentioned High Yield Standstill Period commenced (unless that expiry occurs as a result of a cure, waiver or other permitted remedy);
- (e) the date on which the Administrative Agent, the Senior Secured Notes Trustee, the Facility D Agent and the Pari Passu Debt Representative(s) (as applicable) consent to an enforcement in respect of the Relevant High Yield Default by the relevant High Yield Creditor; and
- (f) a failure to pay the principal amount outstanding at the final stated maturity of the High Yield Notes.

9.11 Subsequent High Yield Defaults

The High Yield Creditors may take Enforcement Action under Clause 9.9 (*Permitted High Yield Enforcement*) in relation to a Relevant High Yield Default even if, at the end of any relevant High Yield Standstill Period or at any later time, a further High Yield Standstill Period has begun as a result of any other High Yield Default.

9.12 Enforcement on behalf of High Yield Creditors

Notwithstanding Clause 9.9 (*Permitted High Yield Enforcement*), no High Yield Secured Creditor may enforce any Transaction Security unless the Senior Secured Instructing Group have instructed the Security Agent or the Facility D Security Agent to take Enforcement Action in accordance with this Agreement, in which case, the permitted Enforcement Action of such High Yield Secured Creditor shall be limited to the same Enforcement Action taken by the Security Agent or the Facility D Security Agent on the instructions of the Senior Secured Instructing Group.

9.13 Option to purchase: High Yield Creditors

- (a) The High Yield Creditors under the relevant High Yield Document evidencing the High Yield Liabilities owing to such High Yield Creditors (the "**Purchasing High Yield Creditors**") may, after a High Yield Payment Stop Notice has been delivered, by giving not less than ten days' notice to the Administrative Agent, the Facility D Agent, the Senior Secured Notes Trustee and the Pari Passu Debt Representative(s) (together, the "**Relevant Senior Creditor Representatives**") (provided such notice may not be given until all necessary approvals from the Purchasing High Yield Creditors have been obtained), require the transfer to them (or to a nominee or nominees), of all, but not part, of the rights, benefits and obligations in respect of the Senior Secured Facilities Lender Liabilities, the Facility D Liabilities, the Hedging Liabilities under the Hedging Agreements, the Senior Secured Notes Liabilities and the Pari Passu Debt (together, the "**Secured Debt**").
- (b) Any purchase under paragraph (a) shall be on the following terms;
 - (i) that the transfer is lawful;
 - (ii) each Relevant Senior Creditor Representative, on behalf of the Creditors for which it is the Relevant Senior Creditor Representative, is paid an amount in cash equal to the aggregate of:
 - (A) the Liabilities to such Creditors outstanding as at the date that amount is to be paid, as determined by such Relevant Senior Creditor Representative (acting reasonably) together with costs and expenses (including legal fees) incurred by such Relevant Senior Creditor

Representative and such Creditors as a consequence of giving effect to the transfer to such Purchasing High Yield Creditor; and

- (B) payment in full of the Hedging Liabilities in respect of the transaction under the relevant Hedging Agreements together with costs and expenses (including legal fees) incurred by the relevant Hedging Bank as a consequence of giving effect to the transfer to such Purchasing High Yield Creditor;
- (iii) payment in full in cash of the amount which each such Creditor certifies to be necessary to compensate it for any loss on account of funds borrowed, contracted for or utilised to fund any amount included in the Liabilities to be transferred under this Clause 9.13 resulting from the receipt of that payment otherwise than on the last day of an interest period as set out in the relevant Debt Documents;
- (iv) after the transfer, no Primary Creditor (not including any High Yield Creditor) will be under any actual or contingent liability to any Debtor or any other person under this Agreement, any Senior Secured Facilities Finance Document, Facility D Agreement, any Hedging Agreement, any Senior Secured Notes Document or any Pari Passu Debt Document for which it is not holding cash collateral in an amount and on terms reasonably satisfactory to it;
- (v) the Purchasing High Yield Creditors (or, if required by the Primary Creditors making the transfers under this Clause 9.13, a third party acceptable to all such Primary Creditors) indemnifies each such Primary Creditor on the date of the relevant transfer and each Hedging Bank under the Hedging Agreements in respect of all losses which may be sustained or incurred by it as a result of any sum received or recovered by any of such Primary Creditors or any Hedging Bank from any Debtor, any Purchasing High Yield Creditor or any other person being required (or it being alleged that it is required) to be paid back by or clawed back from any such Primary Creditor or any Hedging Bank for any reason; and
- (vi) the relevant transfer shall be without recourse to, or warranty from, any Primary Creditor, except that each such Primary Creditor shall be deemed to have represented and warranted on the date of that transfer that:
 - (A) it is the sole owner, free from all Security and third party interests (other than any arising under the relevant Debt Documents or by operation of law), of all rights and interests under the relevant Debt Documents purporting to be transferred by it by that transfer;
 - (B) it has the power to enter into and make, and has taken all necessary action to authorise its entry into and making, that transfer; and
 - (C) the transferring Primary Creditors are satisfied with the results of any "know your client" or other checks relating to the identity of any person that they or any representative are required by law to carry out in relation to such a transfer.
- (c) For the avoidance of doubt, "Purchasing High Yield Creditors" in this Clause 9.13 shall not include the High Yield Notes Trustee.

10. INTRA-GROUP LENDERS AND INTRA-GROUP LIABILITIES

10.1 Restriction on Payment: Intra-Group Liabilities

Prior to the Final Discharge Date, the Debtors shall not, and the Parent shall procure that no other member of the Restricted Group will, make any Payments of the Intra-Group Liabilities at any time unless:

- (a) that Payment is permitted under Clause 10.2 (*Permitted Payments: Intra-Group Liabilities*); or

 - (i) in relation to a Senior Secured Facilities Lender, a Senior Secured Noteholder, a Facility D Lender or a Pari Passu Creditor, the amounts as calculated in accordance with the definition of Senior Secured Credit Participations in Clause 1.1 (*Definitions*) but without reference to any threshold for Pari Passu Creditors as provided for in such definition; and
 - (ii) in relation a Hedging Bank:
 - (A) in respect of any transaction of that Hedging Bank under any Hedging Document that constitutes a Hedging Liability and that has, as of the date the calculation is made, been terminated or closed out in accordance with the terms of this Agreement, the amount (if any)

payable to it under any Hedging Document to the extent it constitutes a Hedging Liability in respect of that termination or close-out as of the date of termination or close-out (and before taking into account any interest accrued on that amount since the date of termination or close-out) to the extent the amount is unpaid; and

- (B) in respect of any transaction of that Hedging Bank under any Hedging Document that constitutes a Hedging Liability and that has, as of the date the calculation is made, not been terminated or closed out, the amount (if any) which would be payable to it under that Hedging Document to the extent that it constitutes a Hedging Liability in respect of that transaction, if the date on which the calculation is made was deemed to be an Early Termination Date (as defined in the relevant ISDA Master Agreement or the corresponding definition in any Hedging Document not based on the ISDA Master Agreement) for which the relevant Debtor is the Defaulting Party (as defined in the relevant ISDA Master Agreement or the corresponding definition in any Hedging Document not based on the ISDA Master Agreement).

18.2 Implementation of equalisation

- (a) The provisions of this Clause 18 (*Equalisation*) shall be applied at such time or times after the Enforcement Date as the Security Agent shall consider appropriate.

18.3 Equalisation

If, for any reason, any Senior Secured Liabilities remain unpaid after the Enforcement Date and after the application of Recoveries, as defined in, and in accordance with Clause 17.1 (*Order of Application*) and the resulting losses are not borne by the Senior Secured Creditors in the proportions which their Senior Secured Credit Participations at the Enforcement Date bore to the aggregate Senior Secured Credit Participations of all the Senior Secured Creditors at the Enforcement Date, the Senior Secured Creditors will make such payments, from such Recoveries (as defined in Clause 17.1 (*Order of Application*)) actually applied, amongst themselves as the Security Agent shall require to put the Senior Secured Creditors in such a position that (after taking into account such payments) those losses are borne in those proportions.

18.4 Turnover of enforcement proceeds

If:

- (a) the Security Agent, the Facility D Security Agent, the Administrative Agent or any relevant Creditor Representative for any Senior Secured Creditor is not entitled, for reasons of applicable law, to pay amounts received pursuant to enforcement of the Transaction Security to the Senior Secured Creditors or the High Yield Secured Creditors, but is entitled to distribute those amounts to Creditors (such Creditors, the "**Receiving Creditors**") who, in accordance with the terms of this Agreement, are subordinated in right and priority of payment to the Senior Secured Creditors or the High Yield Secured Creditors; and

- (b) the Pari Passu Debt Discharge Date, the Senior Secured Discharge Date or the High Yield Discharge Date (as the case may be) has not yet occurred (nor would occur after taking into account such payments),

then the Receiving Creditors shall make such payments to the Senior Secured Creditors or the High Yield Secured Creditors as the Security Agent or the Facility D Security Agent shall require to place the Senior Secured Creditors or the High Yield Secured Creditors, in the position they would have been in had such amounts been available for application against the Secured Liabilities.

18.5 Notification of Exposure

Before each occasion on which it intends to implement the provisions of this Clause 18 (*Equalisation*), the Security Agent shall send notice to the relevant Creditor Representative and each Hedging Bank requesting that it notify it of, respectively, its exposure.

18.6 Default in payment

If a Creditor fails to make a payment due from it under this Clause 18 (*Equalisation*), the Security Agent shall be entitled (but not obliged) to take action on behalf of the relevant Creditor(s) to whom such payment was to be redistributed (subject to being indemnified to its satisfaction by such Creditor(s) in respect of costs) but shall have no liability or obligation towards such Creditor(s), any other Creditor as regards such default in payment and any loss suffered as a result of such default shall lie where it falls.
