Chartered Accountants Report to the Board of Directors on the Preparation of the Unaudited Statutory Financial Statements of Moray Inns Limited

Year ended 3 December 2020

Chartered Accountants Report to the Board of Directors on the Preparation of the Unaudited financial Statements of Moray Inns Limited

As a practising member firm of ICAS, we are subject to its ethical and other professional requirements which are detailed at www.icas.com/accountspreparationguidance.

This report is made solely to the Board of Directors of Moray Inns Limited, as a body. Our work has been undertaken solely to prepare for your approval the financial statements of Moray Inns Limited and state those matters that we have agreed to state to you, as a body, in this report in accordance with the requirements of ICAS as detailed at www.icas.com/accountspreparationguidance. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Moray Inns Limited and its Board of Directors, as a body, for our work or for this report.

It is your duty to ensure that Moray Inns Limited has kept adequate accounting records and to prepare statutory financial statements that give a true and fair view of the assets, liabilities, financial position and profit of Moray Inns Limited. You consider that Moray Inns Limited is exempt from the statutory audit requirement for the year.

We have not been instructed to carry out an audit or a review of the financial statements of Moray Inns Limited. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory financial statements.

These financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies' regime and in accordance with Section 1A of FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

In accordance with section 444 of the Companies Act 2006, the statement of income and retained earnings has not been delivered.

For the year ending 3 December 2020 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

The statement of financial position
continues on the following page.
The notes on pages 4 to 7 form part of these financial statements.

Moray Inns Limited

Statement of Financial Position *(continued)*

3 December 2020

These financial statements were approved by the board of directors and authorised for issue on 31/3/21, and are signed on behalf of the board by:

Mr F M Robson
Director

Company registration number: SC032727

The notes on pages 4 to 7 form part of these financial statements.

Moray Inns Limited

Notes to the Financial Statements

Year ended 3 December 2020

1. General information

The company is a private company limited by shares, registered in Scotland. The address of the registered office is Clydesdale Bank Buildings, 151 High Street, Elgin.

2. Statement of compliance

These financial statements have been prepared in compliance with Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

The directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Included within their going concern review the directors have considered the impact of the COVID-19 pandemic and its impact on the operations of the company. The directors have concluded that there has been a significant impact on the operations of the company but it is not anticipated that there will be an adverse impact on the company results.

Thus the directors continue to adopt the going concern basis of accounting in preparing the annual financial statements.

Revenue recognition

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods supplied and services rendered, stated net of discounts and of Value Added Tax.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in equity, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in equity in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in equity in respect of that asset, the excess shall be recognised in profit or loss.

Moray Inns Limited

Notes to the Financial Statements *(continued)*

Year ended 3 December 2020

3. Accounting policies *(continued)*

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Plant & Machinery	- 15% or 50% Reducing balance
Fixtures & Fittings	- 15% reducing balance

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Government grants

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the company will comply with the conditions attaching to them and the grants will be received.

Government grants are recognised using the accrual model and the performance model.

Under the accrual model, government grants relating to revenue are recognised on a systematic basis over the periods in which the company recognises the related costs for which the grant is intended to compensate. Grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the entity with no future related costs are recognised in income in the period in which it becomes receivable.

Grants relating to assets are recognised in income on a systematic basis over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income and not deducted from the carrying amount of the asset.

Under the performance model, where the grant does not impose specified future performance-related conditions on the recipient, it is recognised in income when the grant proceeds are received or receivable. Where the grant does impose specified future performance-related conditions on the recipient, it is recognised in income only when the performance-related conditions have been met. Where grants received are prior to satisfying the revenue recognition criteria, they are recognised as a liability.

Moray Inns Limited

Notes to the Financial Statements *(continued)*

Year ended 3 December 2020

3. Accounting policies *(continued)*

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Cash and cash equivalents in the statement of financial position comprise cash at bank and in hand held on demand.

Trade creditors are measured at the undiscounted amounts payable to a supplier, which is normally the invoiced price.

Defined contribution plans

The company operates a money purchase pension scheme for employees. The assets of the scheme are held separately from those of the company. The contributions to the scheme are charged to the profit and loss account in the period in which they are paid.

4. Employee numbers

The average number of persons employed by the company during the year amounted to 7 (2019: 7).

5. Tangible assets
