J M Cadzow - Director

Notes to the Abbreviated Accounts
for the Year Ended 31 October 2015

1. **ACCOUNTING POLICIES**

Basis of preparing the financial statements

The accounts have been prepared on a going concern basis, the acceptability of which is dependant on the continuing support of the company's directors and bankers.

Accounting convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

Exemption from preparing a cash flow statement

Exemption has been taken from preparing a cash flow statement on the grounds that the company qualifies as a small company.

Turnover

Turnover represents net invoiced sales of goods, excluding value added tax, except in respect of service contracts where turnover is recognised when the company obtains the right to consideration.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- 0% on cost
Long leasehold	- 4% on cost
Plant and machinery	- 20% on cost
Fixtures and fittings	- 20% on cost
Motor vehicles	- 25% on cost
Computer equipment	- 33% on cost

Stocks

Stock is valued at the lower of cost or net realisable value. Crops are valued at cost of growing and fertilising. Horses are valued at the lower of cost and net realisable value or director valuation.

Deferred tax

Deferred tax arises as a result of including items of income and expenditure in taxation computations in periods different from those in which they are included in the company's accounts. Deferred tax is provided in full on timing differences which result in a obligation to pay more (or less) tax at a future date, at an average tax rate that are expected to apply when the timing differences reverse, based on current tax rates and laws.

Deferred tax is not provided on timing differences arising from the revaluation of fixed assets where there is no commitment to sell the asset.

Deferred tax assets and liabilities are not discounted.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

Pension costs and other post-retirement benefits

The company operates a defined contribution pension scheme. Contributions payable to the company's pension scheme are charged to the profit and loss account in the period to which they relate.

Investments

Investments have been valued at cost less provision for permanent diminution in value. The production herd has been valued on the herd basis.
