Notes to the Financial Statements  
for the Year Ended 31 March 2017

1. **STATUTORY INFORMATION**

A. & C. Fisher Limited is a private company, limited by shares, domiciled in Scotland, registration number SC038649. The registered office is 42 West Main Street, Whitburn, Bathgate, West Lothian, EH47 0QX.

2. **ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

These financial statements have been prepared in accordance with the provisions of Section 1A "Small Entities" of Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

**Turnover**

Turnover represents net invoiced sales of goods and services whilst trading as bakers, excluding value added tax. Sales are recognised at the point at which the goods are delivered or the service is complete.

**Tangible fixed assets and depreciation**

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.  
Plant and machinery - 25% on cost

Tangible fixed assets are stated at cost less depreciation. Cost represent purchase price together with any incidental costs of acquisition.

The directors have considered the residual value of all tangible fixed assets to be immaterial and therefore all tangible fixed assets are depreciated to nil value.

**Stocks**

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items. Cost is represented by purchase price.

**Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

**Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

**Hire purchase and leasing commitments**

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.

Notes to the Financial Statements - continued  
for the Year Ended 31 March 2017

2. **ACCOUNTING POLICIES - continued**

**Provisions**

Provisions are recognised when the company has a legal or constructive obligation as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation, and the amount has been reliably estimated. Provisions are not recognised for future operating losses. Provisions are discounted where the time value of money is material.

Where there are a number of similar obligations, the likelihood that an outflow will be required in settlement is determined by considering the class of obligations as a whole. A provision is recognised even if the likelihood of an outflow with respect to any one item included in the same class of obligations may be small.
