Notes to the accounts

1. Accounting policies

Accounting Convention

The accounts have been prepared under the historical cost convention as modified by the revaluation of investment properties, and in accordance with applicable accounting standards

Cash flow statement

Under Financial Reporting Standard 1 the company is exempt from the requirement to prepare a cash flow statement on the grounds that it qualifies as a small company

Fixed Assets

All fixed assets are initially recorded at cost. Investment properties are revalued annually by the directors.

Depreciation

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost or valuation less estimated residual value, over the useful life of the asset as follows:

Furniture and equipment

10% reducing balance

Investment Property

The company values investment property in accordance with Statement of Standard accounting practice.

Taxation

The charge or credit to taxation is based on the results of the year and takes into account taxation deferred because of timing differences between treatment of certain items for taxation and accounting purposes.

2 Turnover

Turnover represents accounts receivable for goods and services sold net of value added tax.
