J.G.B. STEELCRAFT (BARRHEAD) LIMITED**ABBREVIATED BALANCE SHEET**
(continued)**at 31st March 2006**

The directors consider that for the year ended 31st March 2006 the company was entitled to exemption under subsection 1 of section 249A of the Companies Act 1985. No member or members have deposited a notice requesting an audit for the current financial year under subsection 2 of section 249B of the Act.

The directors acknowledge their responsibilities for ensuring that the company keeps accounting records which comply with section 221 of the Companies Act 1985 and preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of the financial year and of its profit or loss for the financial year in accordance with the requirements of section 226, and which otherwise comply with the requirements of the Act relating to financial statements, so far as applicable to the company.

These financial statements are prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small companies.

The abbreviated financial statements on pages 1 to 3 were approved by the board of directors on 22nd May 2006 and signed on its behalf by

Joseph Harrison
Director

The notes on pages 6 to 10 form part of these financial statements

J.G.B. STEELCRAFT (BARRHEAD) LIMITED
NOTES ON ABBREVIATED FINANCIAL STATEMENTS

31st March 2006

1 Accounting policies

Basis of accounting

The financial statements have been prepared under the historical cost convention

The company has taken advantage of the exemption from preparing a cash flow statement as conferred by Financial Reporting Standard No 1 (Revised 1996) on the grounds that it qualifies as a small company under the Companies Act 1985

Turnover

Turnover represents the amount derived from the provision of goods and services after deduction of trade discounts and value added tax

Tangible fixed assets

Depreciation of fixed assets is calculated to write off their cost or valuation less any residual value over their estimated useful lives as follows

Property improvements	5% Straight line method
Plant and machinery	10% Reducing balance method
Motor vehicles	25% Reducing balance method

Leases and hire purchase contracts

Tangible fixed assets acquired under finance leases and hire purchase contracts are capitalised at the estimated fair value at the date of inception of each lease or contract. The total finance charges are allocated over the period of the lease in such a way as to give a reasonably constant charge on the outstanding liability

Stocks and work in progress

Stocks are valued at the lower of cost and net realisable value. Cost is computed on a first in first out basis

The cost of work in progress and finished goods includes all production overheads and depreciation and the attributable proportion of indirect overheads based on the normal level of activity

Net realisable value is based on estimated selling price less the estimated cost of disposal

Deferred taxation

Deferred taxation is provided on the liability method in respect of the taxation effect of all timing differences to the extent that tax liabilities are likely to crystallise in the foreseeable future

Pensions

Defined contribution scheme

Contributions are charged to the profit and loss account as they become payable in accordance with the rules of the scheme
