Report of the Directors

The directors present the financial statements for the 18 months ended 31 August 2010 and the auditor's report thereon. This directors' report has been prepared in accordance with the special provisions relating to small companies under the Companies Act 2006.

Change of Accounting Date

The company has changed its accounting reference date from 28 February to 31 August. These financial statements cover the 18 month period from 1 March 2009 to 31 August 2010. The comparative period is for the year ended 28 February 2009.

Objectives and Activities

The company is engaged in fund-raising for charitable purposes at the annual Scottish Business Achievement Award Lunch. The guidelines that are adopted for the selection of charities are clearly defined. The organisation must be registered as a charity with HMRC; it must be registered as a charity and not a grant-making trust; the charity should be based in Scotland and run for the benefit of disabled or disadvantaged persons in Scotland.

Financial Review and Performance

As a result of the change of accounting date these financial statements include both the 2009 lunch held on 29 May 2009 and the 2010 lunch held on 14 May 2010. Both events were held at Prestonfield House. The surplus before donations for the period was £78,758 (year ended 28 February 2009 - £114,350). The reduction in surplus before donations for the period is due to a reduction in monies raised at the auctions (note 3) due to the scale of the lunches being reduced as a result of economic conditions. During the period the company made donations to Scottish charities of £125,000 (year ended 28 February 2009 - £100,000). The deficit after donations was £46,242 (2009 - surplus of £14,350). The total funds carried forward are £55,057 (2009 - £101,299). The directors are not authorised to declare dividends.

Directors

The directors who held office during the period were as follows: -

Chris Tiso - Chairman

Henrietta Dundas

Tom Flockhart

David Hughes

Robert Graham (appointed 3 September 2009)

Natasha Fullerton (appointed 3 September 2009; resigned 23 May 2011)

John A B Kennedy (resigned 3 September 2009)

Sir Tom Farmer CBE (resigned 16 November 2009)

Malcolm Scott (resigned 16 November 2009)

Richard Findlay (resigned 11 May 2009)

Appointments to the board of directors are by nomination by the existing directors. Appointments are ratified by the membership of the company in the Annual General Meeting. The directors are also the trustees for charity law.

Structure and Governance

The company is a charitable trust limited by guarantee and registered as a Charity (number SC006586) with HMRC. There are no shares in the company as it is limited by guarantee.

Report of the Directors (continued)

Risk Management

The directors have assessed the major risks to which the company is exposed and are satisfied that systems are in place to minimise exposure to those risks. The major risk is deemed to be the financial exposure relating to the funding of the annual luncheon should a sponsor not be found or not be able to meet its commitments.

The directors consider this risk to be minimal. In any event the company retains a level of reserves to enable it to meet any unforeseen obligations which may arise. This level of reserves has been maintained for many years and is considered to be prudent.

The directors have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. In particular, the directors do not approve donations to be paid unless there are adequate resources received from the company's activities to cover such donations. Accordingly, they continue to adopt the going concern basis in preparing the annual report and accounts.

Investment Policy

The company does not invest its funds other than on standard bank deposit accounts. The directors do not envisage this policy changing. The directors actively seek to maximise the company's return from its bank deposits.

Reserves Policy

The directors retain sufficient reserves to ensure that the company is able to meet its objectives and liabilities. The financial position of the company and the results from its activities during the period are stated in the accounts and the directors consider the financial position to be sound.

Plans for the Future

The directors aim to continue to raise funds for qualifying charities. No major changes to the structure or activities of the company are anticipated.

Report of the Directors (continued)

Directors' responsibilities statement

The directors are responsible for preparing the Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Auditor

In the case of the directors of the company at the date when this report was approved –

- So far as the directors are aware there is no relevant audit information for which the company's auditor is aware; and
- The directors have taken all steps that they ought to have taken as directors to make themselves aware of any relevant audit information and to establish that the company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of Section 418 of the Companies Act 2006.

A resolution to re-appoint Deloitte LLP as auditors in accordance with Section 485 of the Companies Act 2006 will be proposed at the Annual General Meeting.

Basis of audit opinion

We conducted our audit in accordance with International Standards on Auditing (UK and Ireland) issued by the Auditing Practices Board. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements. It also includes an assessment of the significant estimates and judgments made by the directors in the preparation of the financial statements, and of whether the accounting policies are appropriate to the charitable company's circumstances, consistently applied and adequately disclosed.

We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error.
