# NOTES TO THE ABBREVIATED ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2011

#### 1 Accounting policies

#### 1.1 Accounting convention

The financial statements are prepared under the historical cost convention.

The company has taken advantage of the exemption in Financial Reporting Standard No 1 from the requirement to produce a cash flow statement on the grounds that it is a small company.

#### 1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

#### 1.3 Tangible fixed assets and depreciation

Provision is made for depreciation on all tangible assets, other than land and investment properties, at rates calculated to write off the cost or valuation, less estimated residual value, of each asset over its expected useful life as follows:

Fixtures, fittings & equipment

15% per annum on reducing balance

Investment properties are included in the balance sheet at their open market value, determined by the directors.

Although this accounting policy is in accordance with the applicable accounting standard, SSAP 19, Accounting for investment properties, it is a departure from the general requirement of the Companies Act 2006 for all tangible assets to be depreciated. In the opinion of the directors compliance with the standard is necessary for the financial statements to give a true and fair view. Depreciation or amortisation is only one of many factors reflected in the annual valuation and the amount of this which might otherwise have been charged cannot be separately identified or quantified.

#### 1.4 Revenue recognition

Rental income is recognised as earned when, and to the extent that, the company obtains the right to consideration in exchange for its performance.

#### 1.5 Deferred taxation

Deferred taxation is not provided in respect of timing differences between the treatment of certain items for taxation and accounting purposes as such a provision is not material. This treatment is in accordance with Financial Reporting Standard No. 19 - Deferred Tax.

#### 1.6 Government grants

Grants are credited to deferred revenue. Grants towards capital expenditure are released to the profit and loss account over the expected useful life of the assets. Grants towards revenue expenditure are released to the profit and loss account as the related expenditure is incurred.
